

The Fixer of Broken Things

What happens when the famous fixer of broken things finds a problem that she can't solve?

- From the author and illustrator of *Number 7 Evergreen Street*, winner of the Royal Institute Of British Architects' Student Choice & Teacher's Choice for 5-7 year olds
- Julia Patton is an up-and-coming picture book talent in both the UK and the US. Bartleby from *The Very Very Very Long Dog* (Sourcebooks) is on the Barnes and Noble character wall of fame in the US.
- A wonderful story about sadness and how talking to a support network can help. The 'broken thing' Bea finds is a clockwork heart and speaking about her problems is what makes it work again.
