

Little Explorers: Weather

Discover our world's wondrous weather, with more than 30 flaps to lift and explore!

- A new edition to the popular non-fiction series, *Little Explorers*, which has sold over 1.25 million copies worldwide, this time exploring our wild weather!
- More than 30 sturdy flaps to lift, revealing interesting and fun facts to help children engage with each topic.
- Introduces new concepts and vocabulary in a simple and approachable way - through bright, child-friendly artwork and accessible, bite sized text.
- Can be used as a tool to complement KS1 curriculum learning.
