

Shiver Point: Beneath the Ghostly Graves

Welcome to Shiver Point, home of hair-raising horror!

- The fourth book in a horror series for 9-12 year olds looking for genuine chills and thrills, which follows a group of unlikely friends solving ghostly goings on in the town of Shiver Point.
- A pacy read with short chapters, lots of dialogue and tonnes of kid appeal, SHIVER POINT combines the gore and ghouls of GOOSEBUMPS with the humour and hijinks of *Scooby Doo* for a modern young audience, perfect for reluctant readers.
- Seamlessly entwines the fantastical and terrifying with real world elements - alongside the ghoulish investigation at the heart of the book, there is a relatable subplot about self-confidence and empathy.
- Perfect for fans of GOOSEBUMPS, POINT HORROR, CRATER LAKE and THE BREAKFAST CLUB ADVENTURES.
