# Where's Grogu?

**JAWA SANDCRAWLER**  
On Anaxes, Jawa scavengers find anything that isn't buried down and used it around their mobile sandcrawlers. According to reports received by the Bounty Hunters Guild, this particular sandcrawler used for carrying some valuable passengers. Be your best to ignore the other bounty hunters on the scene and focus your attention on your targets. Don't let them escape!

**MANDALORIAN FORGE**  
Most Mandalorians live their lives in the shadows, leading a low profile and very private way of life. However, it's necessary to maintain a reputation within the streets of Nevarro's underworld. Here, Mandalorians bring their skills to a dark underworld, repairing their armor and equipment. Navigate through the underground tunnels to reach the Armorer's Forge, and you might find the fugitives you seek!

**STREETS OF NEVARRO**  
Nevarro is a vibrant planet that has become an important operations base for the Bounty Hunters Guild. With the remnants of the Empire on the rise, the Bounty Hunters take care of Nevarro's underworld. Here, the Mandalorians and the citizens might be active on Nevarro. Find the merchant barter and find out if there is any work to be done.

**SORGAN COMMON HOUSE**  
Sorgan is a backwater hiding hole with no starport and no industrial centres. In other words, it's the perfect place for the Mandalorian and his crew to hide from the bounty hunters. The Sorgan common house is a gathering place for all types of offworlders. Don't give up until you've found the fugitives!
