## The Odd One Out

"Me next! It is mine!" each seal loudly cries, but which one's already chewing its prize?

A creep of fine tortoises slowly pass by. Watching the birds, they look up at the sky. Most of them smile, but one's frightened instead. Which one is scared and has hidden its head?

A wobble of ostriches stand tall and proud, forming a handsome and feathery crowd.

As these fine birds stop to gather around, which of them pecks at a seed on the ground?

A sleuth of plump pandas have put on a show, wobbling their bellies as white as the snow.

Jumping and jigging to entertain you, which of the pandas has lost its bamboo?
