## ETERNITY ISLE BIOMES

Disney Isle is a truly fascinating place, full of ancient wonders. It's home to three additional biomes, with their distinct regions, but these require Mist to unlock, rather than Dreamlight. Here's what you can expect to find in each region.

**GLITTERING DUNES**  
The ancient Glittering Dunes are a vast area of desert with little in the way of plants and a lack of sunlight instead of water. The Desert is a wide expanse of flat ground with the remains of some ancient sandstone archways and steps. The Butterflies at the foot of a tall building in the Palace, and an owl named Lou Lou. The Wishes show signs of previous habitation - there's a signpost partially buried in the sand, and it's home to the Claw of Observers. You. The Oasis is a cave, each area within the desert landscape is also covered in grass and flowers.

**WILD TANGLE**  
The Wild Tangle is the least hospitable of the Glittering Dunes. Within the Dunes are barren and arid, the Wild Tangle is both arid and barren with all sorts of life. The Queenbees in the area of the reef, with a bear running through the center. The Frodooids is a small area right near the center, dominated by barrens. The Crown is mainly populated with trees and other plants. The Lagoon biomes are impressive waterfalls and spawning with.

**ANCIENTS' LANDING**  
Upon arrival at Disney Isle, you'll find yourself in Ancient's Landing - a mysterious set of ruins that appear to be very old indeed. The Docks show evidence of market activity, and are a great spot for fishing. The Clockwork is a small, enclosed area with a narrow passage a tiny beach complete with Treadwheels Table. The Quartz biomes feature views of the ocean, with more ancient ruins all in the distance - getting this area once you've used as a beach post. The Ruins are all that remains of an ancient castle. Largely deserted by nature, there's a small courtyard and a staircase leading to a balcony with a magnificent view of the surrounding landscape.

## MULAN

Mulan is a warrior princess and the hero who saved China. She believes in honor, discipline and strength. While training with the army she learned that discipline is the foundation of all skill and that you can learn to do almost anything with practice and determination.

**Mulan's House**  
Mulan has a traditional, ancient Chinese house with a red lantern hanging outside and a small garden. Inside, there's a table with a red cloth and a chair. The house is surrounded by a fence and has a small path leading to it.

Classic Purple Mulan  
Mulan and Hologram Hair  
Plain White Hair

**DEVELOPER NOTE**  
Working on Mulan's wardrobe was a labour of love for our wardrobe team. We wanted to make sure she had her own unique style, so we spent a lot of time getting our hands on traditional Chinese clothing and inspiration from the movie.

## MERMAID BEACH

Mermaid Beach is a beautiful, tropical area with a sandy beach and a clear blue ocean. It's home to many rare plants and materials, and is a great spot for fishing. The beach is surrounded by lush greenery and has a small path leading to it.

## THE BASICS

Before you begin your adventure, it's a good idea to familiarise yourself with how Dreamlight Valley works - there are lots of ways to play, get creative and share the fun with friends.

### HOW TO PLAY

You can play Dreamlight Valley on PC, Mac, Xbox, Nintendo Switch and PlayStation. You can also play the Arcade Edition on Apple Arcade.

Dreamlight Valley lets you choose what kind of adventure you want to have each day. You might want to focus on completing quests to level up your friendships, or you may prefer to get creative and focus on designing your Valley and decorating your house.

Friendship is important in Dreamlight Valley, so naturally there's a Multiplayer option. You'll be able to invite your friends to visit your valley - and visit theirs - once you've completed Vanillelope von Schweetz's quest, Valley Visits.

And there's more - a paid expansion pack called *A Rift in Time* is available, opening up a whole new island of exotic biomes, rare plants and materials and even some new friends.

### THIS IS YOU

The first thing you'll do when you start your game is design your avatar. This is your opportunity to express your individuality, and there's loads of scope to be creative. The avatar you'll see throughout this guide is based on the author, so here are just a few other avatar designs to inspire you.
