Classic Comics: Jane Eyre

The ultimate comic book companion to guide you through Charlotte Brontë's classic, Jane Eyre.

- The highly visual nature of comic book storytelling is the perfect way to encourage reluctant readers who are challenged or intimidated by reading to improve their literacy skills.
- Small amounts of text and easy-tofollow sequential ordering of the picture strips help make classic literature more accessible.
- Perfect curriculum companion to students studying Jane Eyre at school, with an additional glossary to help dissect any tricky jargon or Victorian terms.
