

I thought I saw an...

elephant!

Hide-
and-seek
silliness &
sliders!

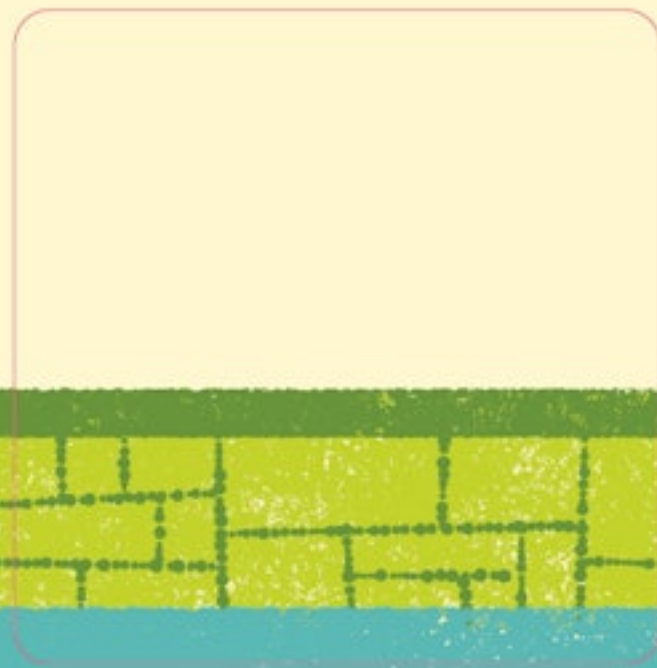

Lydia Nichols

I thought I saw an elephant...

Is it behind the café?

I thought I saw an elephant...

Is it in the pond?

I thought I saw an elephant...

Is it on
the slide?

I thought I saw
an elephant...

Is it in the
tree house?

I knew I saw an elephant...

Here it is!
