

Touch and Trace

In the Garden

Hannah + Holly

snail

Wriggle through the soil and follow me...

worm

Let's explore the garden, what can you see?

grasshopper

Scurry through the meadow and skip through the grass.

rabbit

mouse

Can you see a mouse as you go past?

ladybird

heron

Splish-splash through the water, where frogs like to hop.

frog

fish

On your way through the pond, what can you spot?

dragonfly

Climb up to the treetops, where the birds perch high.

owl

blue tit

spider

woodpecker

How many clouds can you see...

... in the sunny sky?
