The background features a winter landscape with snow-covered ground and several green Christmas trees. A large reindeer with brown spots and dark antlers stands on the left, facing right. A smaller reindeer calf stands next to it, looking up. The scene is set against a light blue sky with small white dots representing falling snow.

CHRISTMAS IS LOVE

Emma Dodd

Christmas is snow
upon the ground,
the air filled with snowflakes
whirling around.

Christmas is giving,
gifts under the tree
and time spent together,
just you and me.

Christmas is joy
that's overflowing.

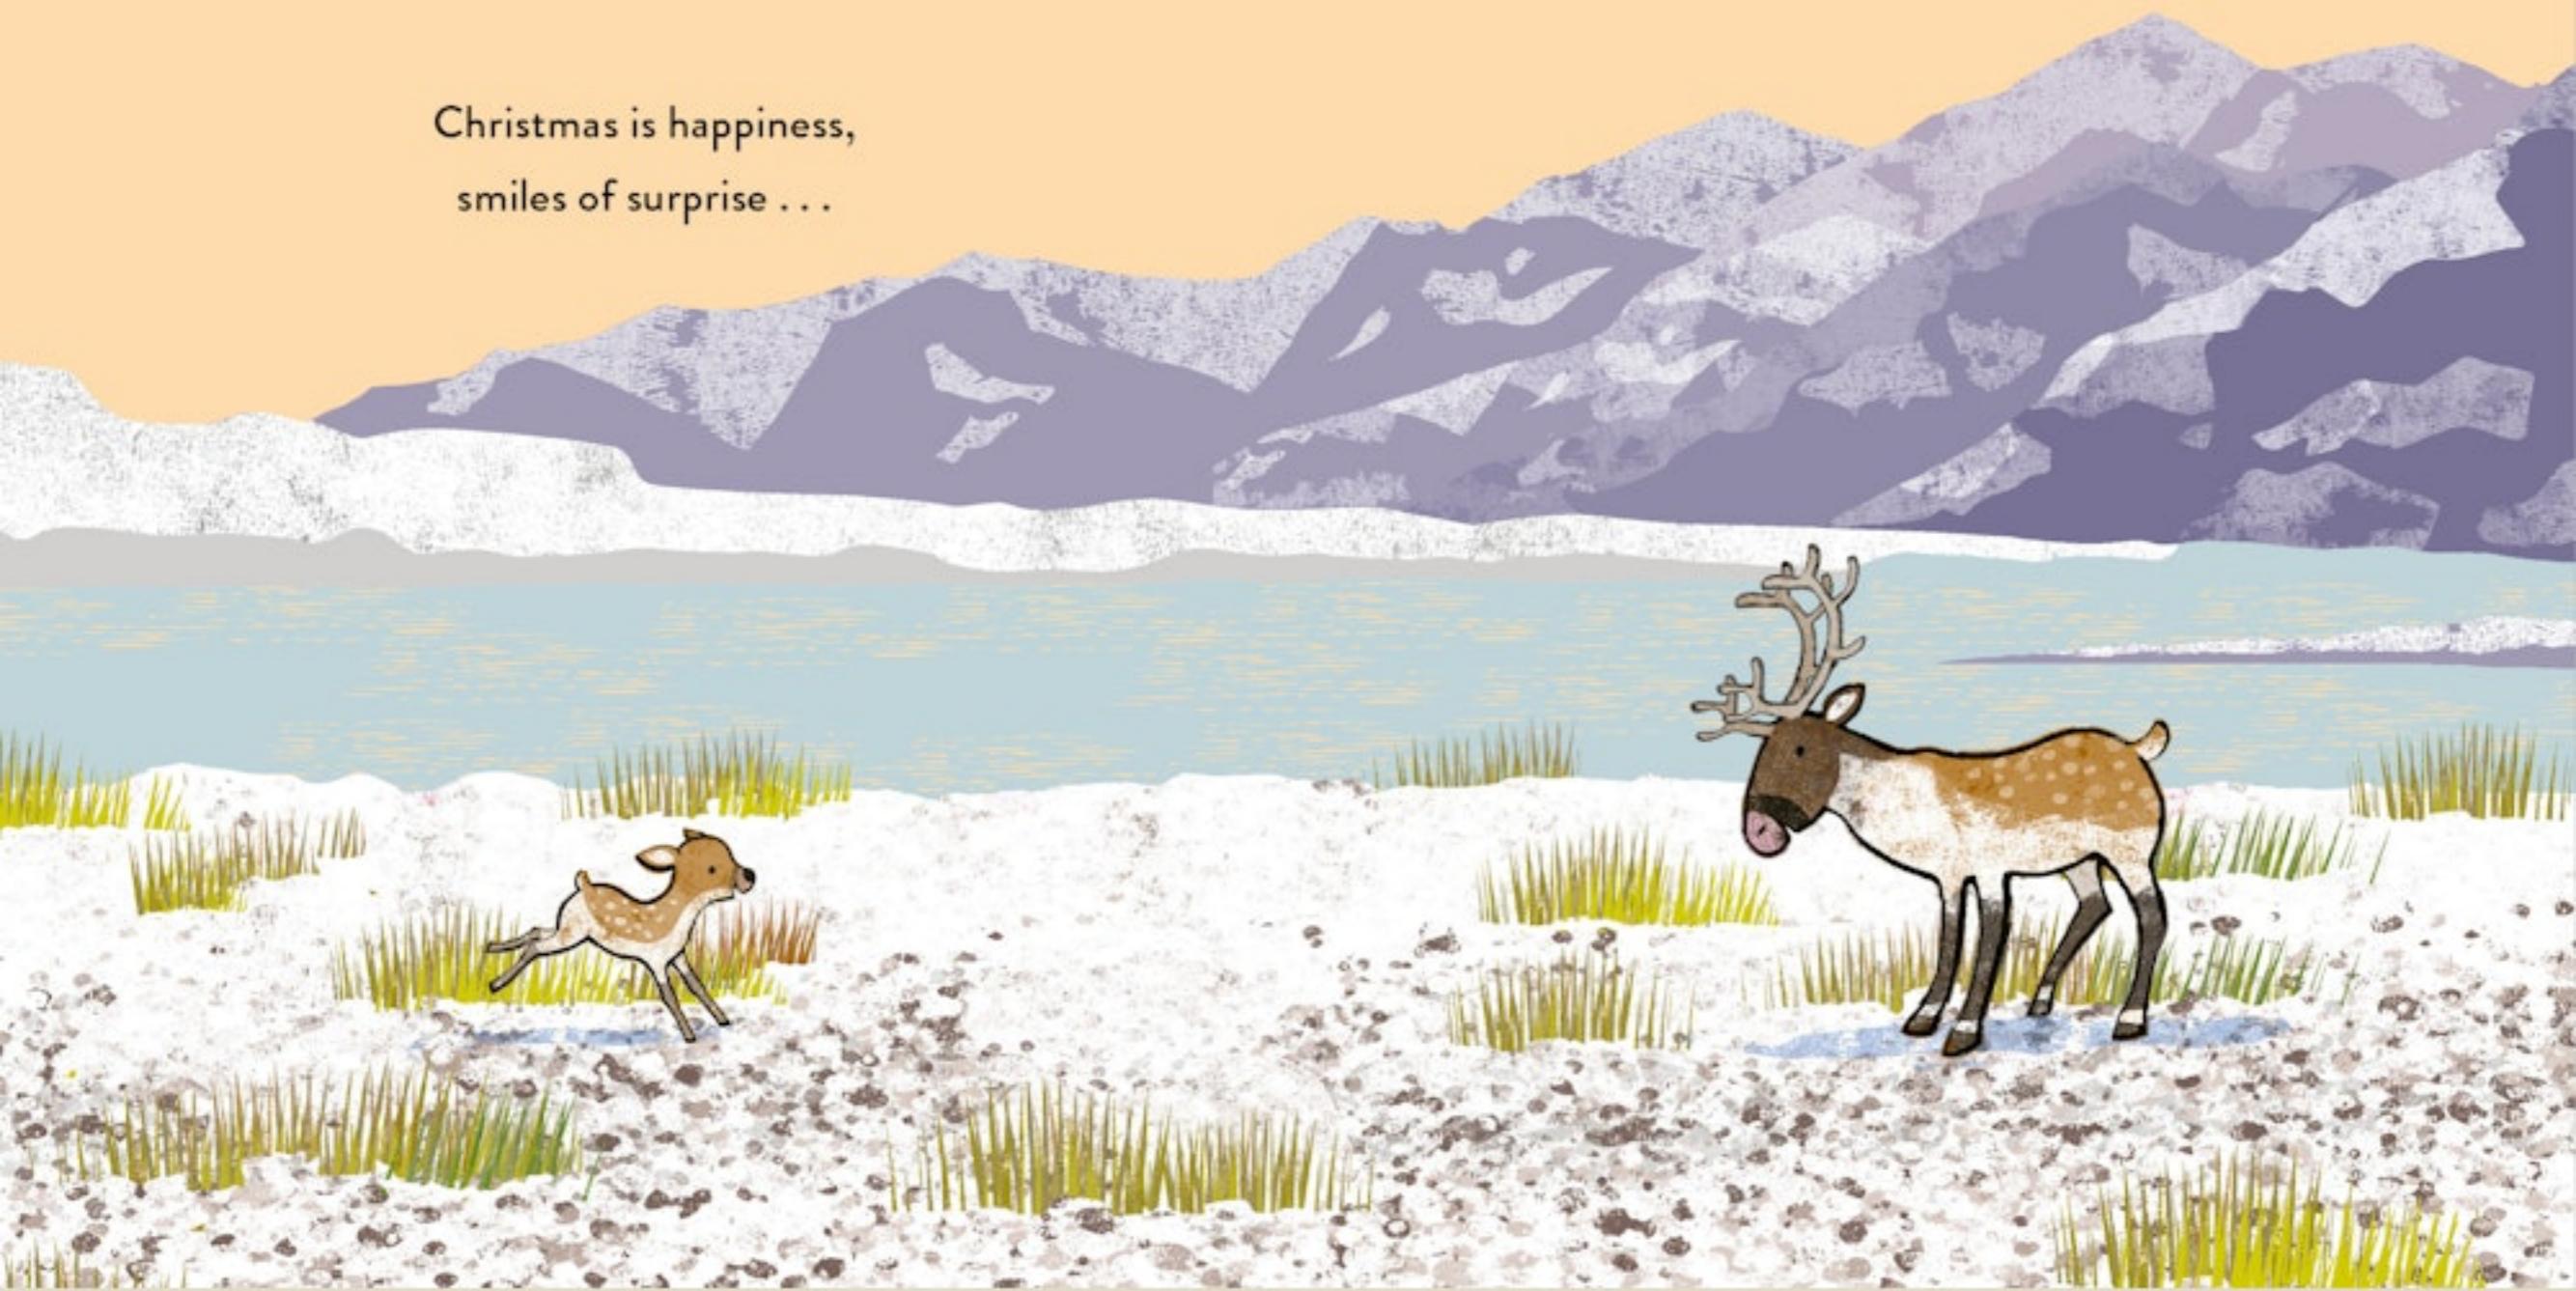

It's sparkling eyes
and faces glowing.

Christmas is sharing
laughter and fun

and being with family,
old and young.

Christmas is happiness,
smiles of surprise ...

... the warm, loving glow
that lights up your eyes.

Christmas is kisses
and snuggles so tight;
the wonderful feeling
that everything's right.

A whimsical illustration of several reindeer in a snowy landscape at night. The reindeer are depicted in various colors including brown, white, and tan, with large, detailed antlers. They are standing on a white, textured surface that looks like snow. The background is a dark blue night sky filled with numerous small yellow stars of different sizes. A single large yellow star is positioned in the upper right corner. The overall style is soft and painterly.

Christmas is love
that lasts all year.

It's all of us,
together, here.

Christmas is peace,
stars twinkling above ...

... a night of sweet dreams
and a heart full of love.
