Winds whisper. Winds whoosh.
Rain pitters, patters, pours
Through the leaves.
Listen, what can you hear?

sniff

Worms wriggle.

Slugs slide.

Trees drip, drip. Sip water
Underground.
Listen, what can you hear?

scritch
scratch
!

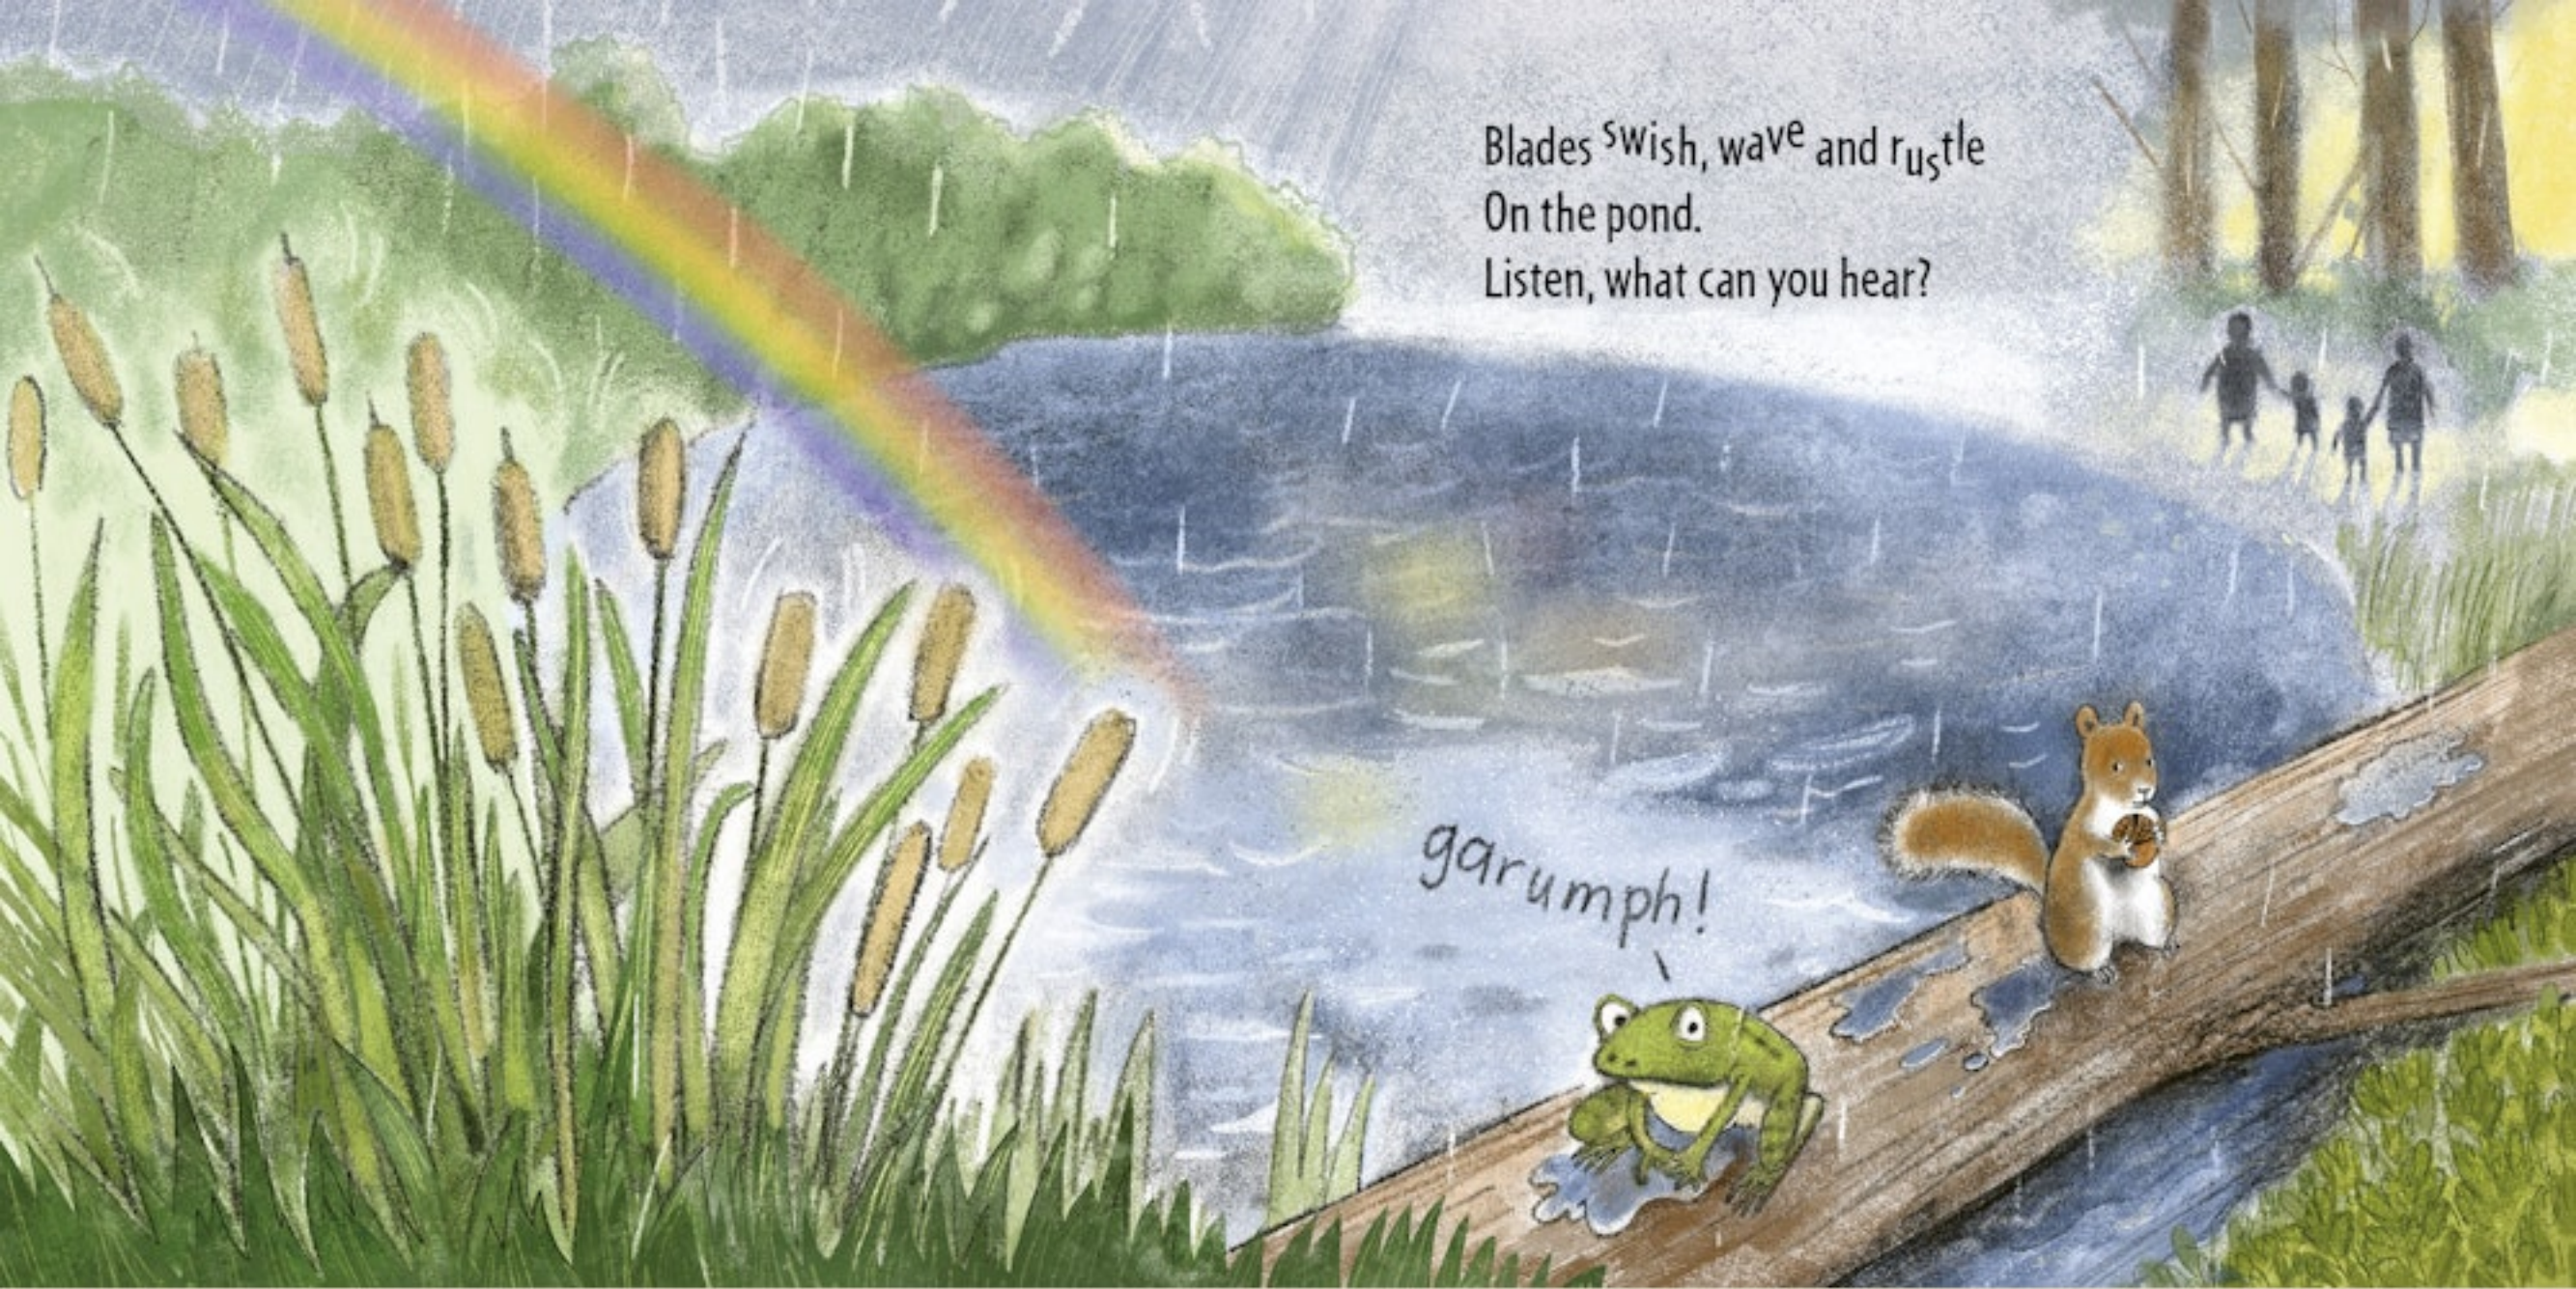

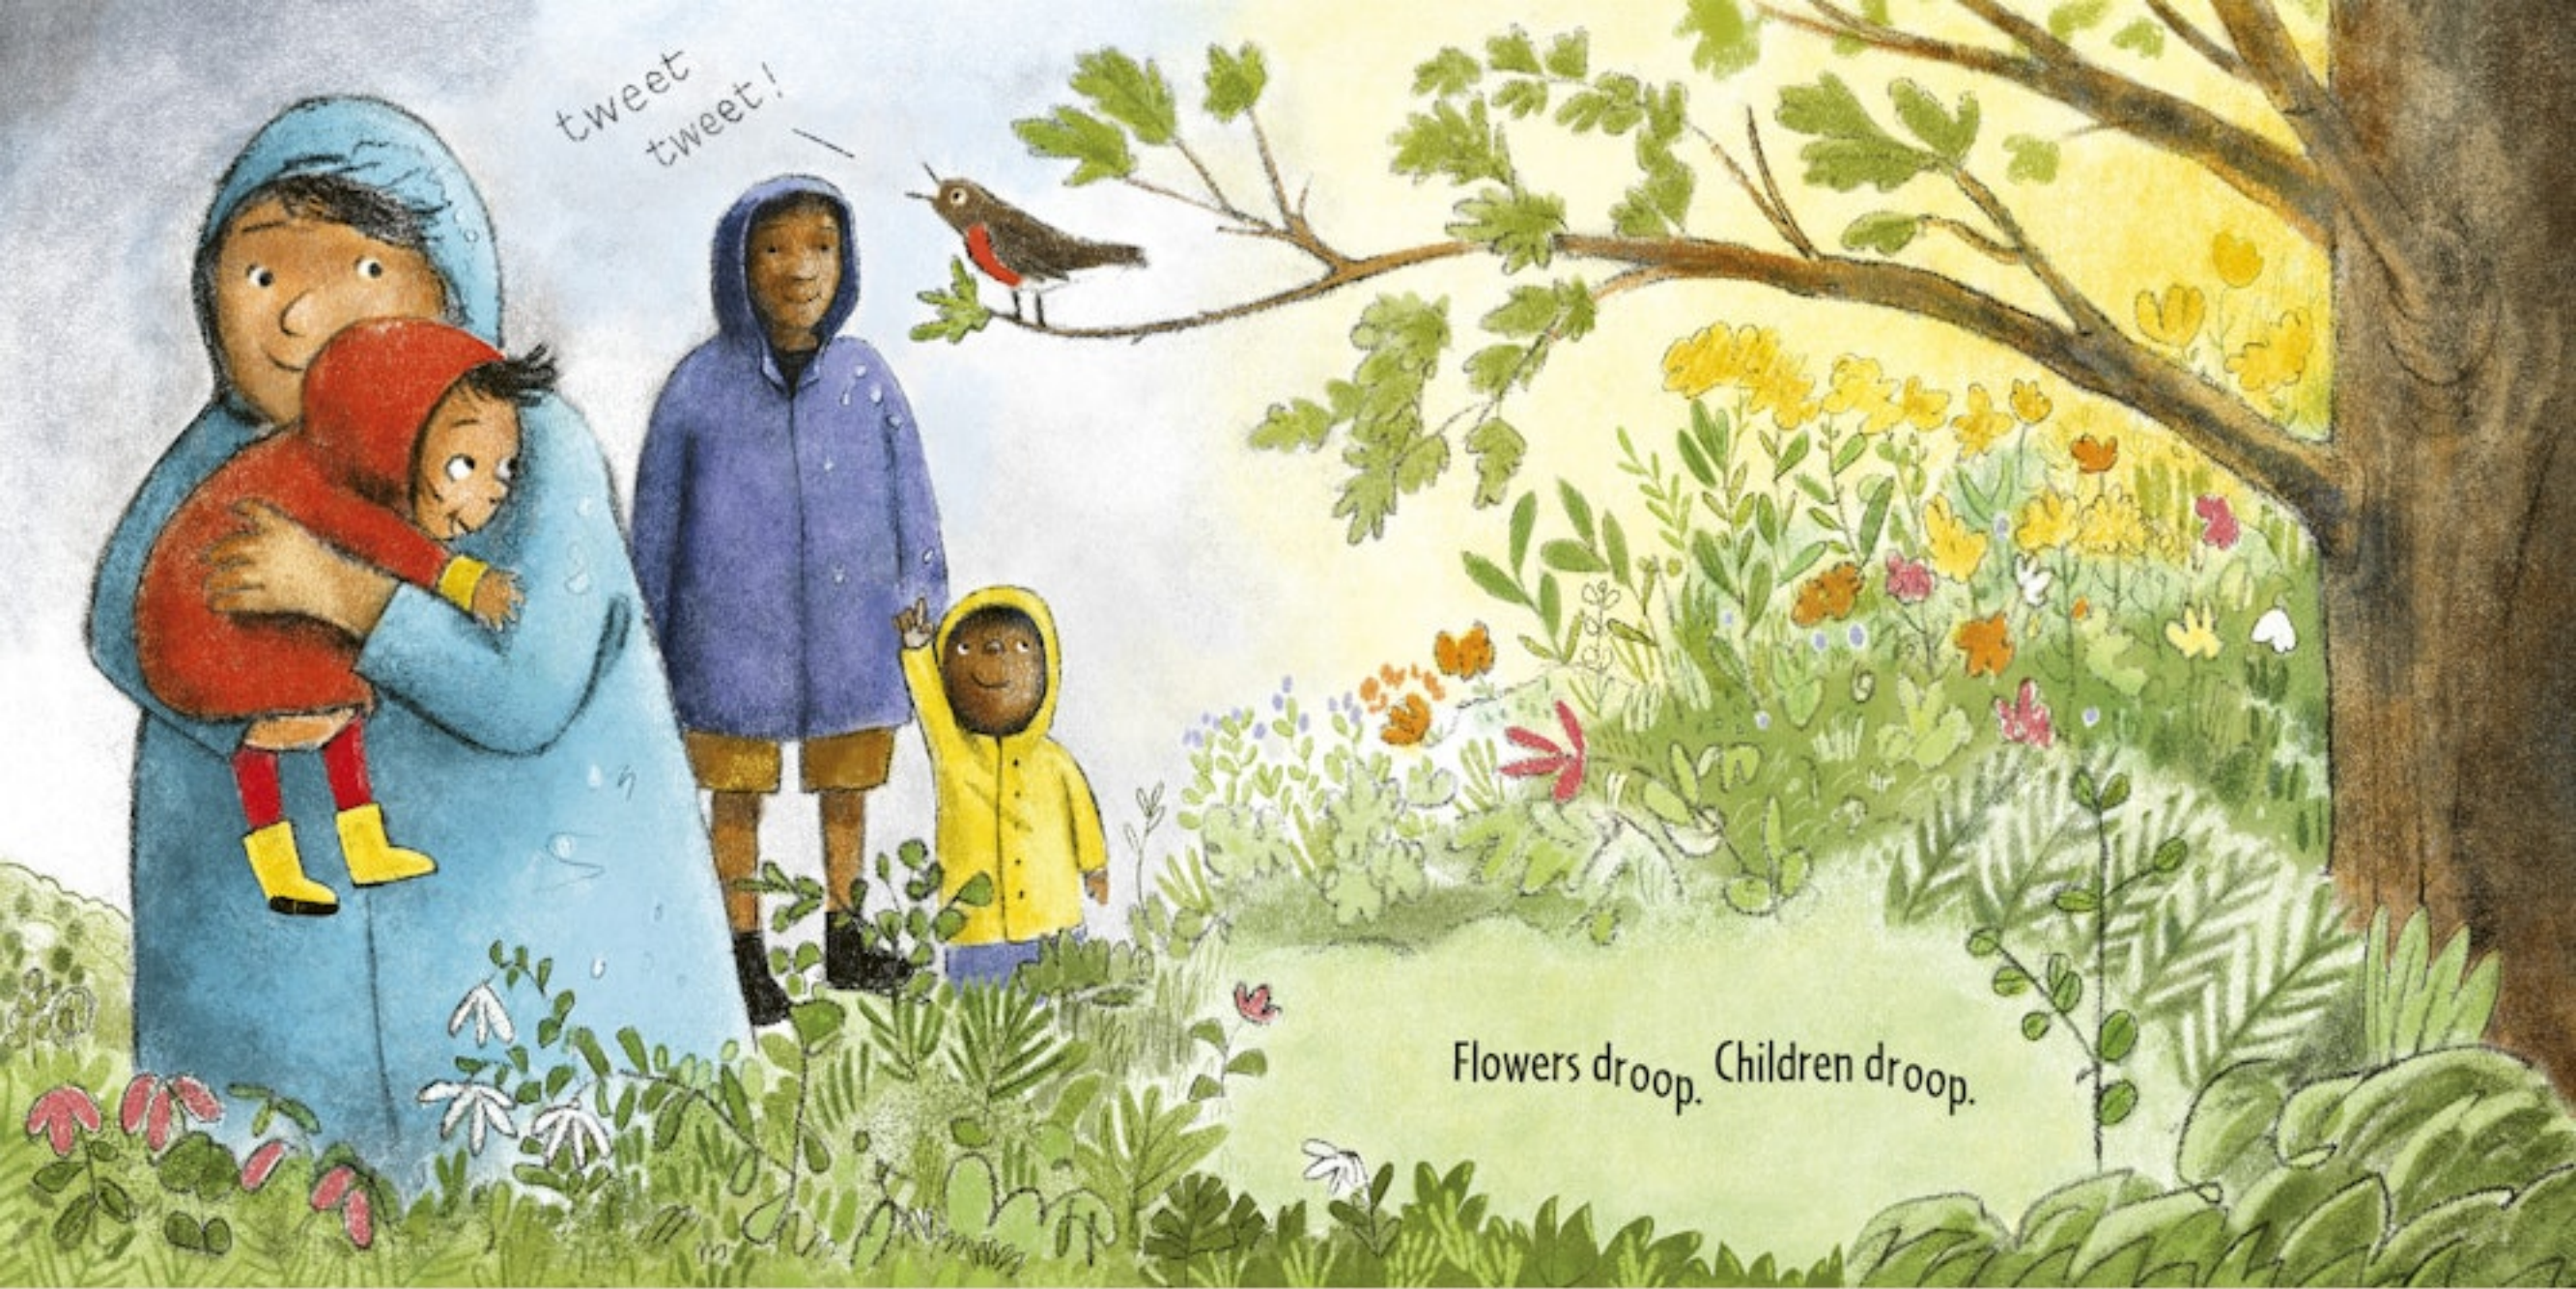

Puddles slosh.

Mud squeelches.

Blades swish, wave and rustle
On the pond.
Listen, what can you hear?

garumph!

Sweep the sky.
