

GIGANTOSAURUS

The book cover features a large, plush grey dinosaur head with red spikes along its back and a wide, open mouth showing red and white teeth. The background is a lush green jungle with blue vines. At the bottom, three smaller cartoon dinosaurs are visible: a yellow one on the left, a brown one in the middle, and a blue one on the right.

ROAR, GIGANTO, ROAR!

Mazu, Tiny, Rocky, and Bill are holding a roaring contest.
Rocky is sure he can beat Giganto, but the huge dino is asleep!
The little dinos need to wake him up . . .

RAWRR-HAW-HAW!

ROOARRRR!

RO-OH-OH-OH-
OH-OH-OAR!

Make a **RUMBLING** snoring sound.

He's **SNORING**, not roaring!

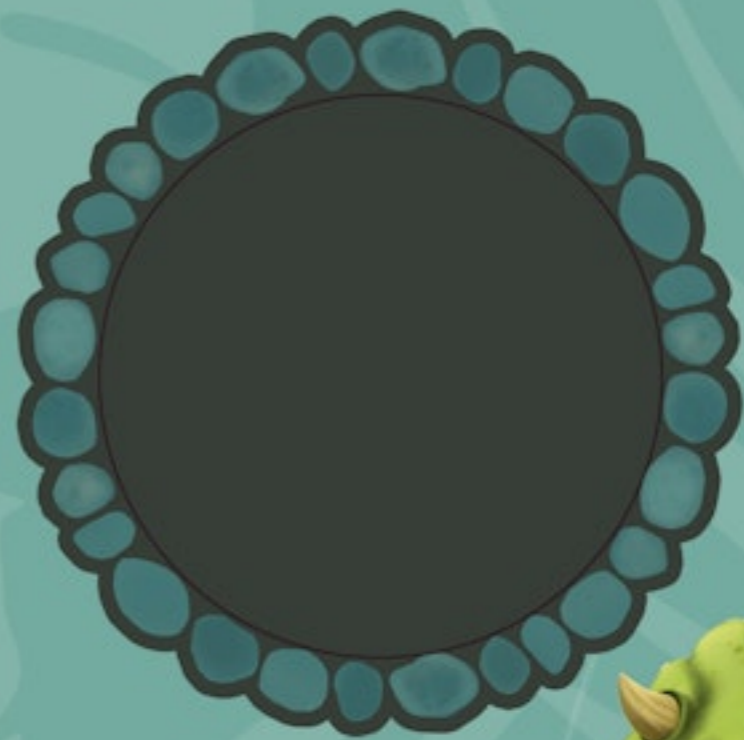

How will the little dinos make Giganto roar? Bill's tummy rumbles and it gives them an idea. Giganto LOVES walnuts, just like Bill. A tasty snack might do the trick...

Mmm... I'm hungry!

Here's a BIG walnut!

Giganto's gonna LOVE this snack!

Make Giganto **CHEW** and **GNOMP**.

He's **EATING**, not roaring!

All those walnuts have given Tiny a case of the giggles. She can't stop making up silly songs! This could get VERY annoying. Maybe that will make Giganto ROAR . . .

Oh, the fun never stops for a TRI-CER-A-TOPS!

Life is big and so much more when you're a GI-GAN-TO-SAUR!

Catchy song, Tiny!

What rhymes with PARASAUROLOPHUS?

Make Giganto **MOVE** and **GROOVE**.

He's **DANCING**, not roaring!

Then Mazu has an idea. Maybe BEING TICKLED will make Giganto roar! Each little dino picks up a leaf and slowly walks toward Giganto . . .

Gigantosaurus?
More like
GIGGLE-saurus!

I'll tickle
his right
armpit!

Tickle, tickle,

Make Giganto **ROCK** with laughter.

He's **LAUGHING**,
not roaring!

Maybe Giganto just doesn't want to play the game.
Mazu, Bill, and Rocky decide to head back to the den.
But Tiny sings one more song ...

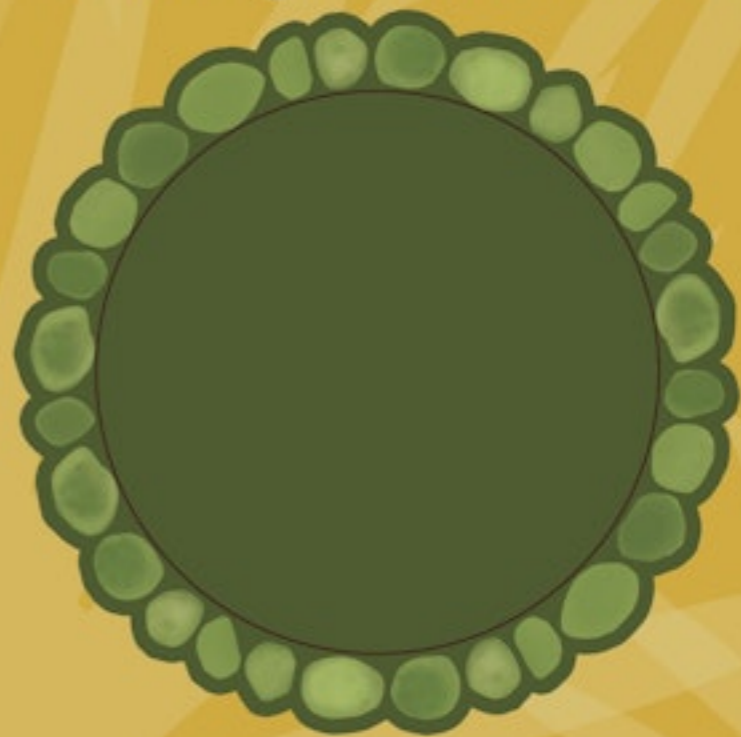

If you want something,
whaddaya say? A little
PLEASE and THANK YOU
goes a long way!

You WIN,
Giganto!

You're right, Tiny!

Please, Giganto,
PLEASE!

Make Giganto **ROAR** ...

and **ROAR** and **ROAR** again!
