A VERY SPECIAL YOU

Emma Dodd

Isn't it amazing?
I can't believe it's true...

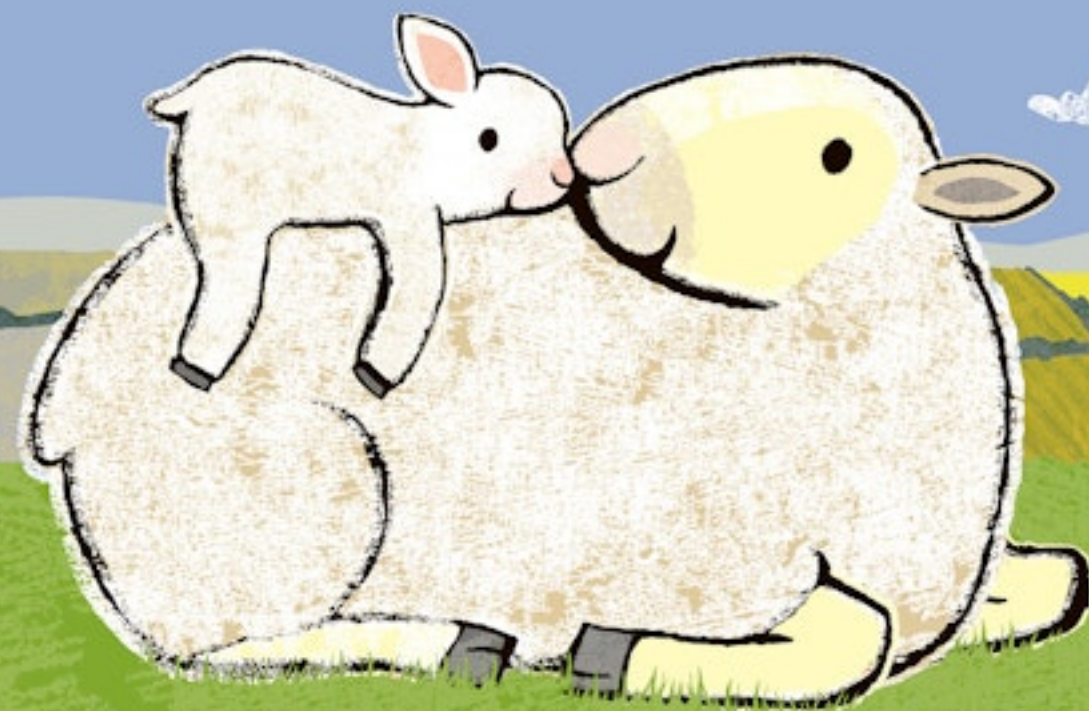

Of all the babies in the world,
I have YOU!

You are the baby
that I was wishing for.
I can't imagine anyone
I could love *any* more.

There's nobody quite like you,
unique in every way . . .

From how you look and how you think,
to all the things you say.

You're just the perfect shape,
and the perfect size.

You have the sweetest nose
and the prettiest of eyes.

Your smile is the best smile,
your laugh is just right.

You were made for kisses
and cuddling tight.

Spending time with you
is a whole lot of fun!

And even when you're grumpy,
you're still my number one.

But you are so much more
than the sum of all these things.

And I can hardly wait to find out
what your future brings.

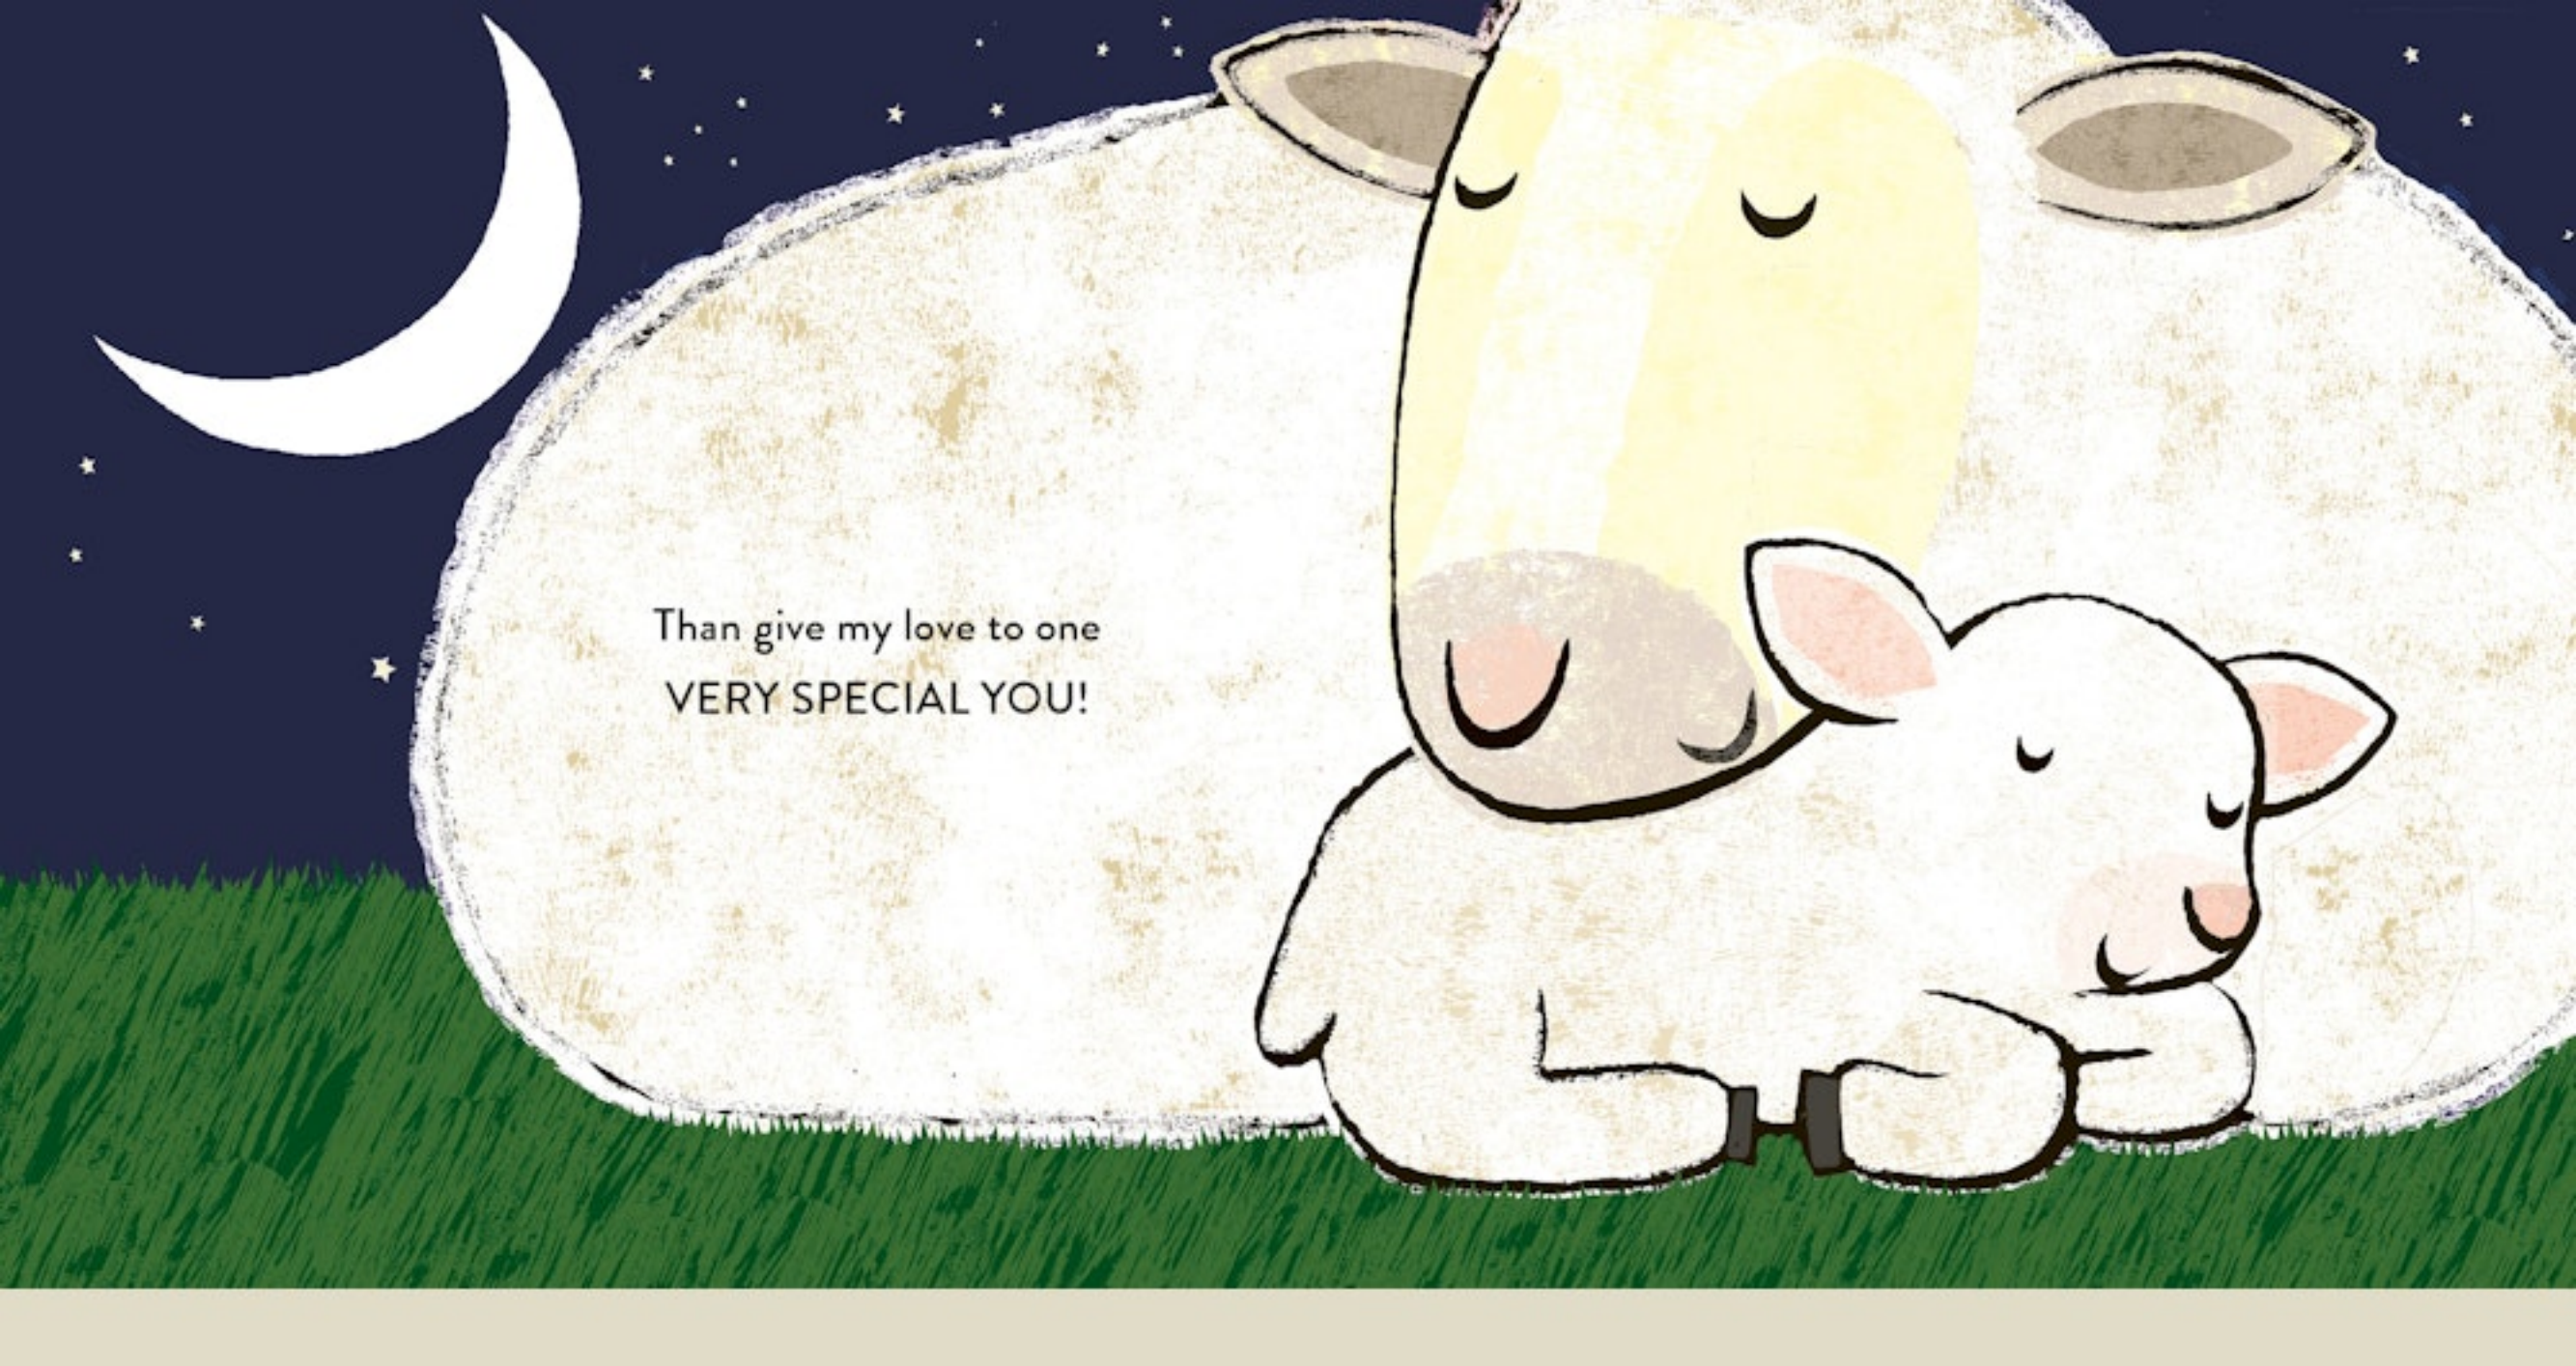

For when I look at you,
this is what I see . . .

There's no one more important
in this world to me.

And there is simply nothing
that I would rather do . . .

A heartwarming illustration of a mother sheep and her lamb. The mother sheep is a large, white, woolly creature with a yellow stripe down her face, hugging a smaller white lamb. They are both closed-eyed and smiling, conveying a sense of love and affection. The scene is set at night, with a dark blue sky featuring a large white crescent moon and several small white stars. The ground is a vibrant green, textured to look like grass. The entire illustration has a soft, painterly style with visible brushstrokes.

Than give my love to one
VERY SPECIAL YOU!
