

# SOPHIE

Sophie la girafe®

*and friends*

A first **COLOURS**  
storybook to read  
with baby

Meet Sophie the giraffe.  
Sophie is going to see her friends.

She has  
5 colourful balloons.

Look, it's Lazare the cat.  
Sophie waves hello.

Oh no – her balloons have  
blown away! Can you help Sophie  
and Lazare to find them?

The balloons have blown into the park.  
How will they get them back?

Gabin the bear  
has found the  
blue balloon.

Sophie helps  
him reach it.

Can you see anything else that's blue?

Oh no, the red balloon is stuck in a tree.

Kiwi the bird flies up to get it.

Can you count the red apples?

The green balloon  
is over there!

Josephine the mouse has found it.  
Well done, Josephine!

Can you see any food that's green?

Look, it's Margot the turtle,  
splashing in the pond.

She's found the yellow balloon.  
What else is yellow?

There's just one more balloon  
to find. Where could it be...?

**Hooray – the pink balloon!  
It's outside Sophie's house.**

**And now it's time for  
everyone to go home.**

**Goodnight Sophie!  
Goodnight everyone!**
