Soon Poppy's room was filled with weird and wonderful creatures.

Poppy was having the time of her life.

Until...

POPPY? I HOPE

And then everything went

Poppy was in a
huge pickle!

She had to get rid of everything FAST – before Mum and Dad found out!

Un-imagining the creatures didn't work... at... all!

So Poppy imagined a giant eraser to rub them out. But imaginary creatures are very tricky to catch, and Poppy was running out of time. Mum and Dad were at the door.

It was hard work
pushing everyone
through...

But Poppy did it.

Just
in
time ...

I CAN
EXPLDIN...

It took Poppy all afternoon to clear up the mess. When she had finally finished it was dinner time...

and she was still in trouble.

Big trouble.
