Gardens **Kew**

Curated by KATIE SCOTT

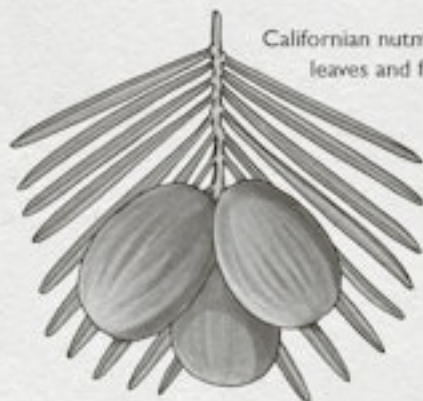

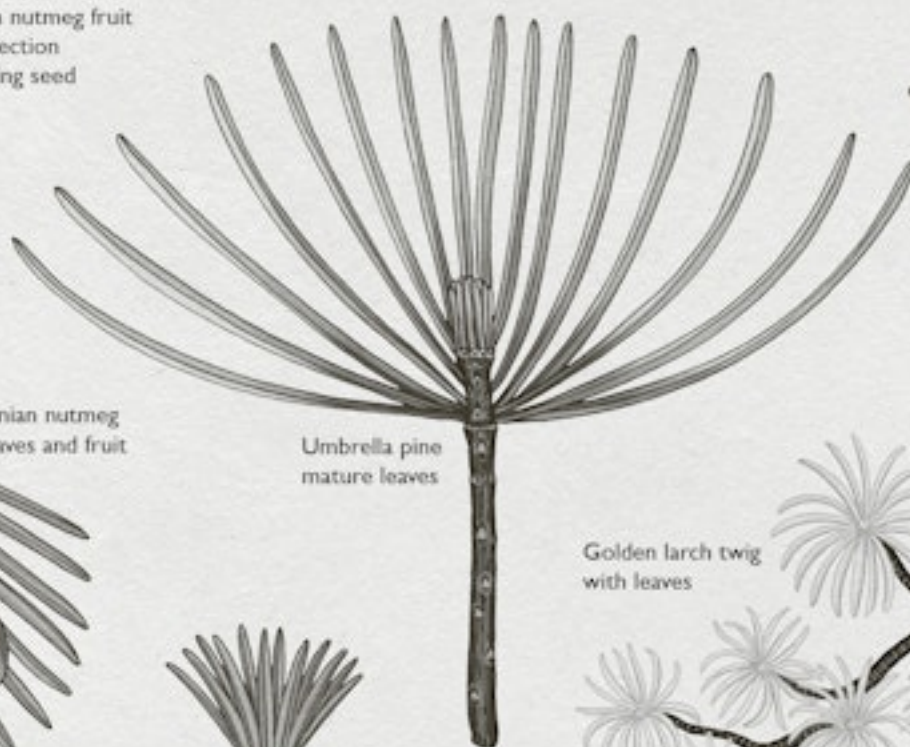

Californian nutmeg fruit  
cross section  
showing seed

Californian nutmeg  
leaves and fruit

Umbrella pine  
mature leaves

Umbrella pine  
emerging leaves

Golden larch  
male pollen cones

Golden larch twig  
with leaves

Taiwanese China fir  
leaves and female  
seed cone

Wollemi pine  
female seed  
cone

Willow-leaf  
podocarp  
fruit

Willow-leaf  
podocarp leaves

Wollemi pine with  
male pollen cones and  
female seed cones

Chinese silver fir  
twig with immature female cones

Tree fern

Oriental plane leaf

Tree fern new unrolling fronds

Oriental plane covered bud

Sweetbay magnolia flower

Monkey puzzle

Maidenhair

Archaeopteris

Speckled  
alder flower

American mountain  
ash leaves

Speckled  
alder branch

Balsam  
poplar  
flower

Large-toothed  
aspen leaf

White birch  
trunk/bark

White birch  
leaf

Moosewood  
twig and buds

White birch  
male flower

Moosewood leaf

Moosewood trunk/bark

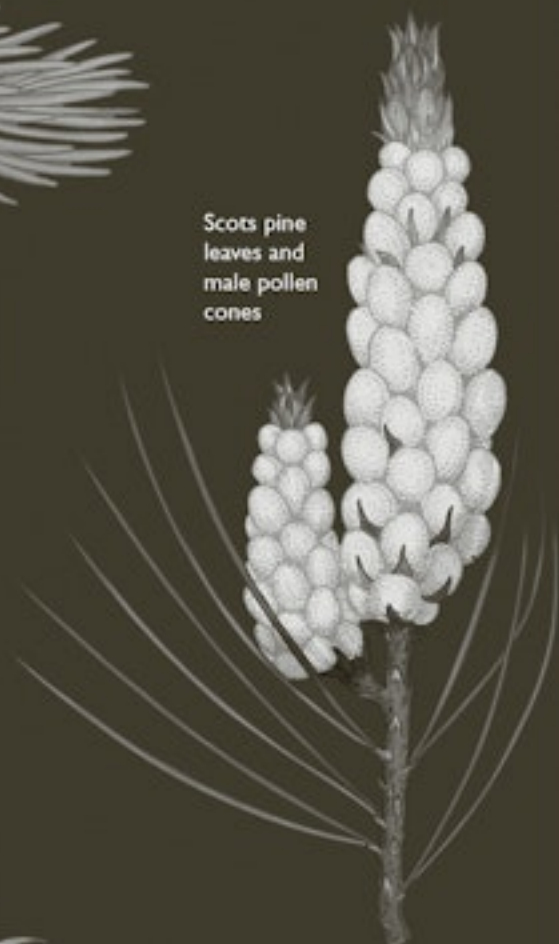

Korean pine  
leaves

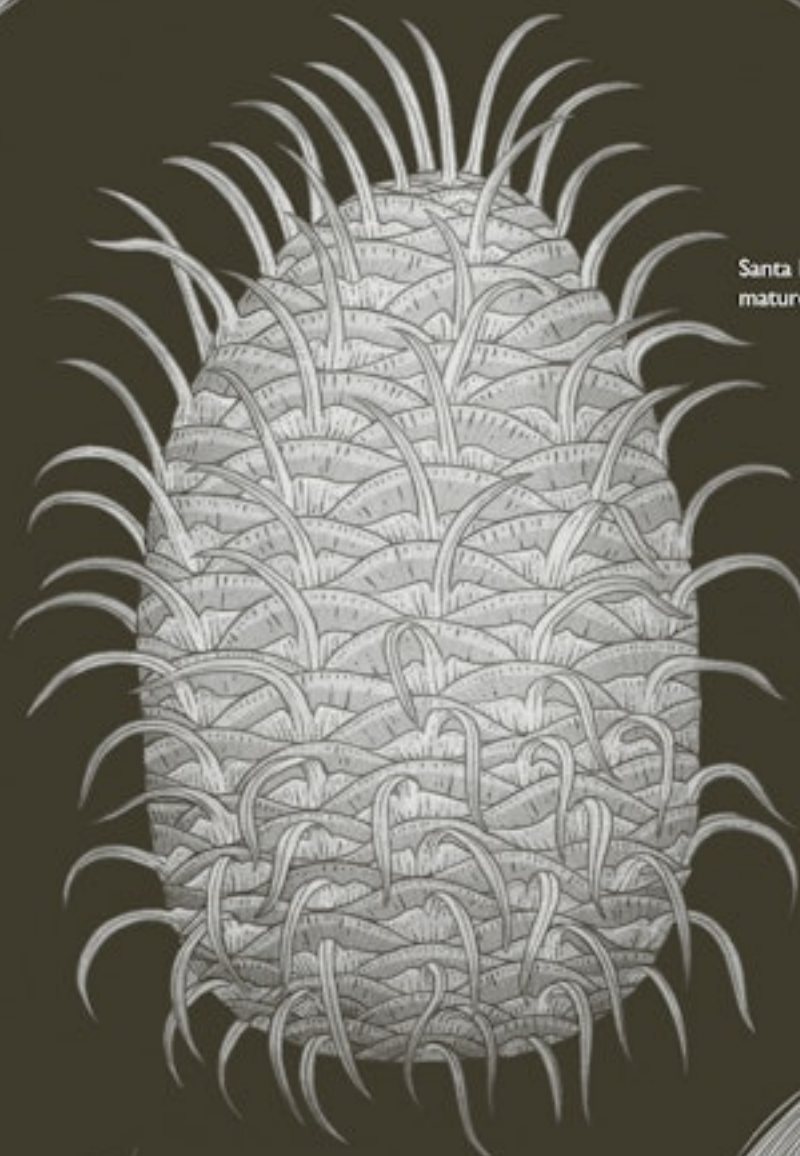

Sitka spruce  
mature seed cones

Scots pine  
leaves and  
male pollen  
cones

Gray pine  
leaves

Santa Lucia fir  
mature seed cone

Scots pine  
mature seed cone

Single-leaf piñon  
leaves and male pollen cones

Scots pine  
seedling stage

Morinda spruce  
leaves

Western red cedar  
mature seed cone

Western red cedar  
spray of foliage

Italian cypress  
spray of foliage  
with seed cones

Italian cypress  
mature seed cone

Western red cedar  
male cone

Hiba arborvitae  
spray of foliage

Incense cedar  
mature seed cone

Incense cedar  
male cone

Incense cedar  
spray of foliage

Incense cedar  
close-up  
of leaves

Douglas fir

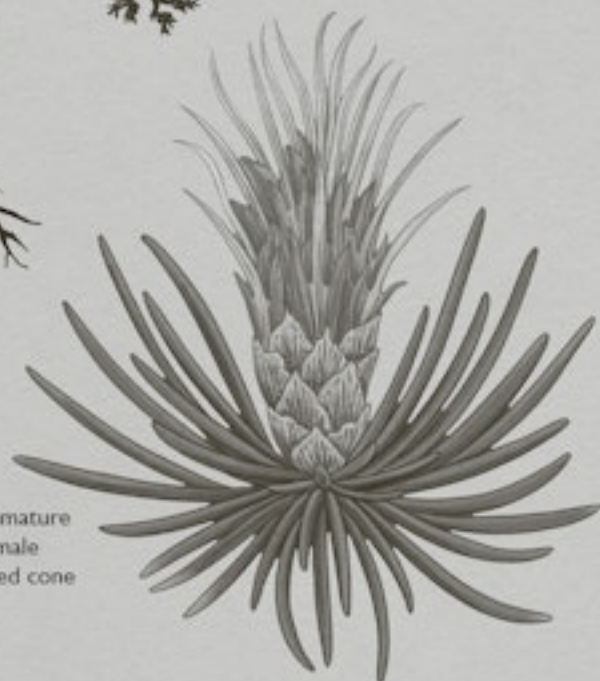

Maturing female  
seed cone

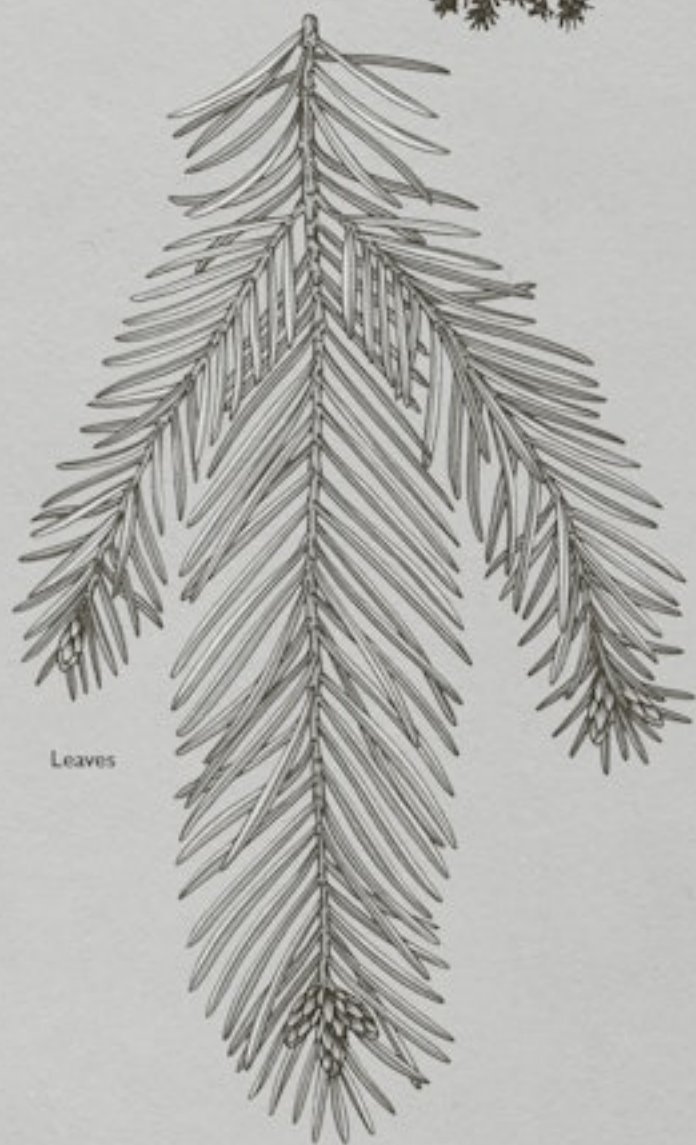

Mature  
seed cone

Immature  
female  
seed cone

Leaves

Cross section of trunk

Pin oak  
leaves and seeds  
(acorns)

Persimmon fruit

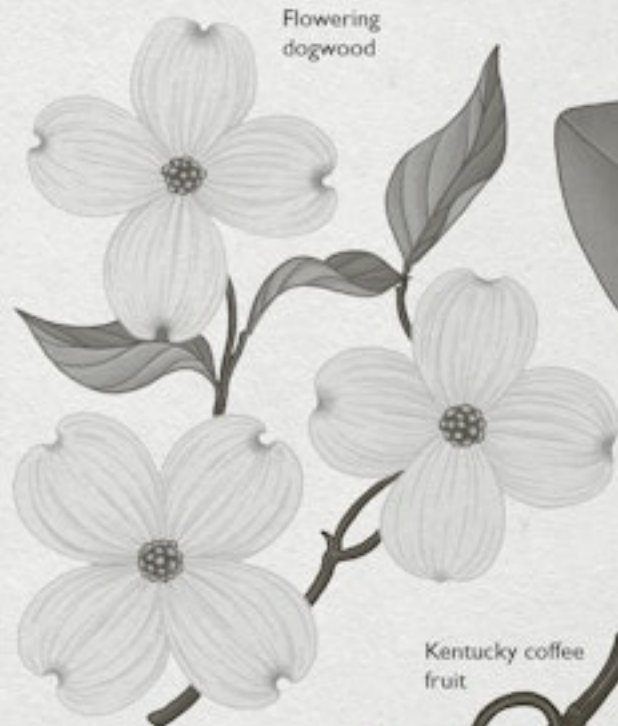

White sassafras  
leaves

American  
sycamore fruit

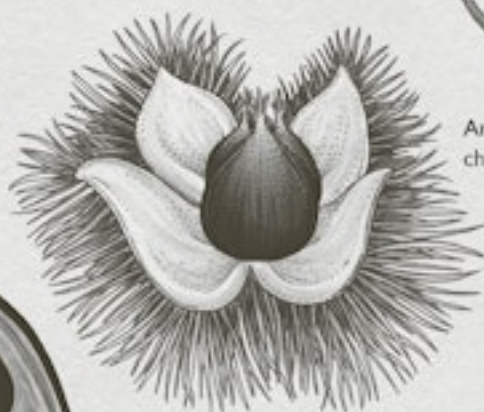

Flowering  
dogwood

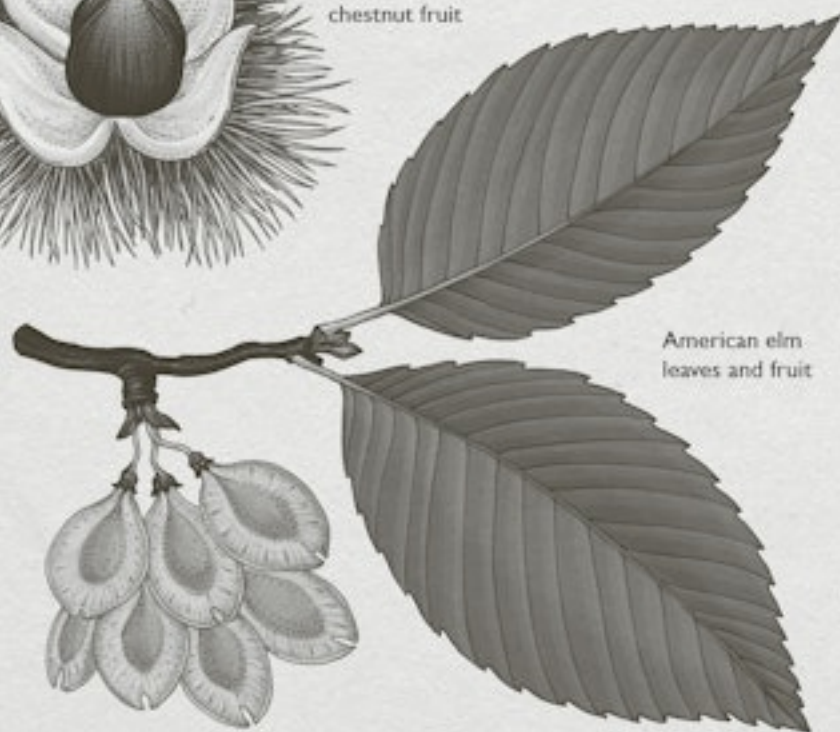

Kentucky coffee  
fruit

American  
chestnut fruit

American elm  
leaves and fruit

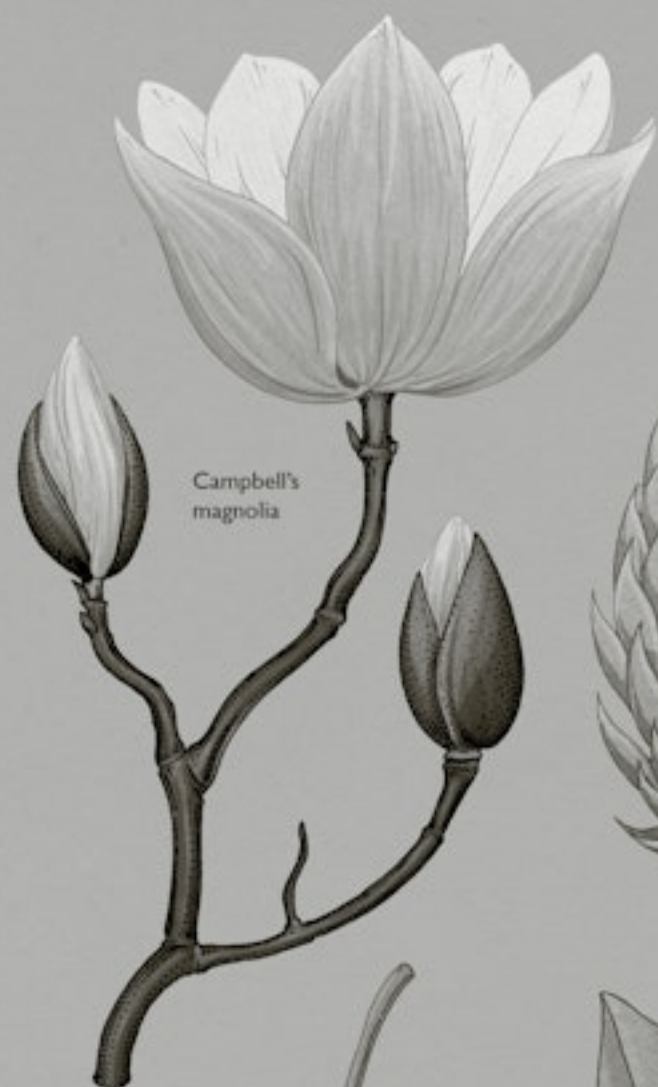

Osage  
orange  
cut open fruit

Campbell's  
magnolia

Cone nut fruit

Persian silk flower

Monkey tail  
hornbeam fruit  
and leaf

Chinese tulip leaf

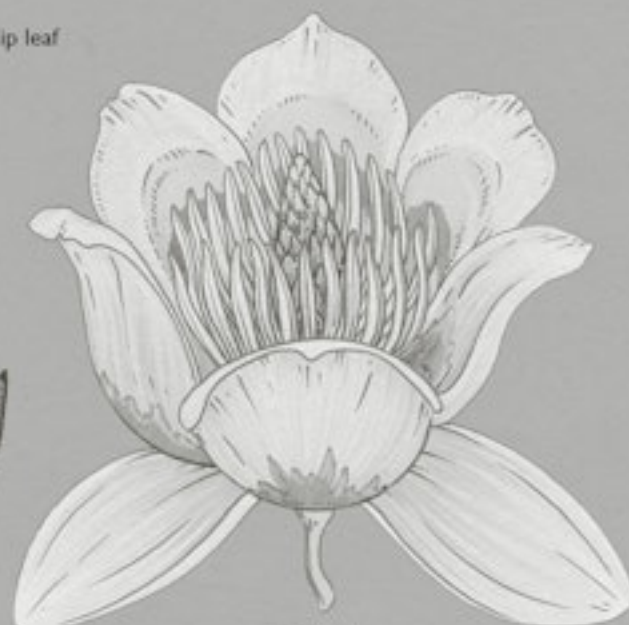

Chinese  
rubber  
tree leaf

Goat horn fruit

Chinese tulip  
fruit

Chinese  
tulip flower

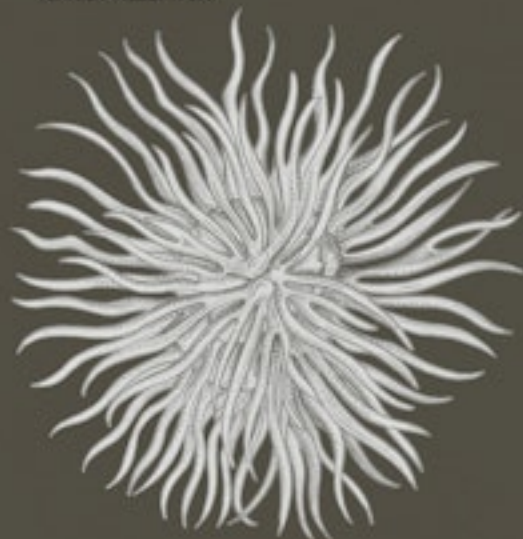

Turkish hazel fruit

Caucasian wingnut fruit

Small-leaved lime leaf with immature flowers

Caucasian wingnut seed

Horse chestnut conker

Small-leaved lime close-up of flower

Horse chestnut fruit

Horse chestnut leaf

Horse chestnut twig with terminal bud

Tulip leaf

Northern red oak leaf

Red maple leaf

Black  
tupelo leaf

Katsura leaf

Quaking  
aspen leaf

American  
ash leaf

Sweetgum leaf

Persian ironwood leaf

Japanese maple leaf

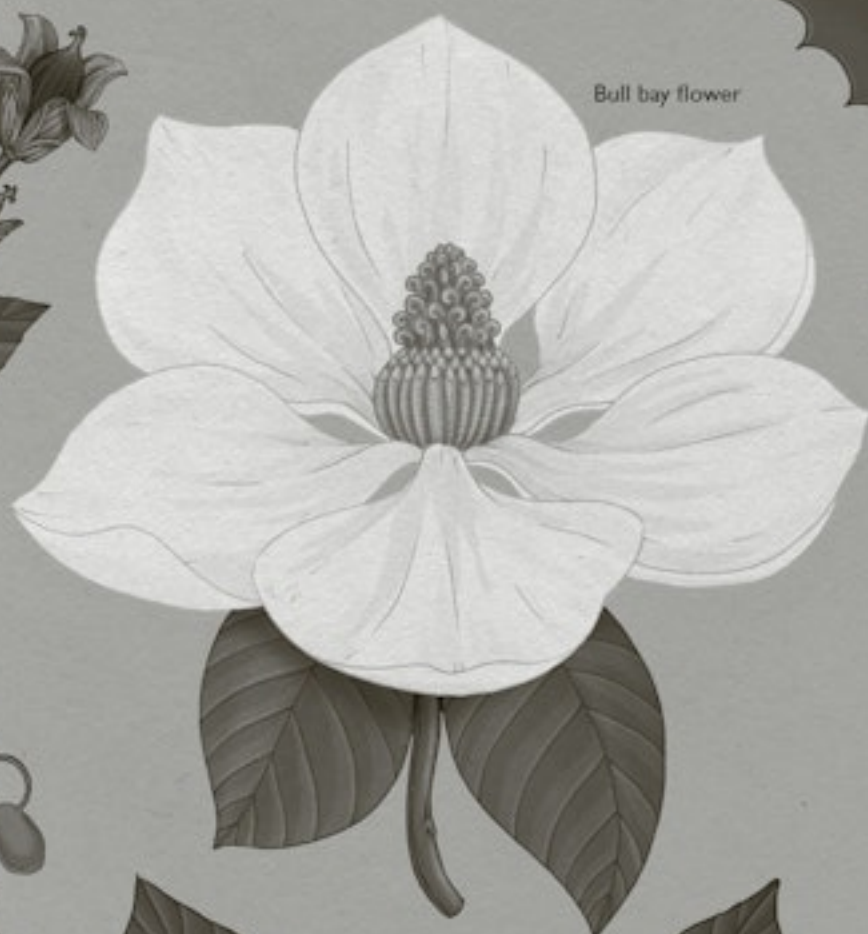

Japanese chinquapin  
leaf and fruit

Bull bay flower

Holly leaves  
and fruit

Bull bay fruit

Ulmo flower

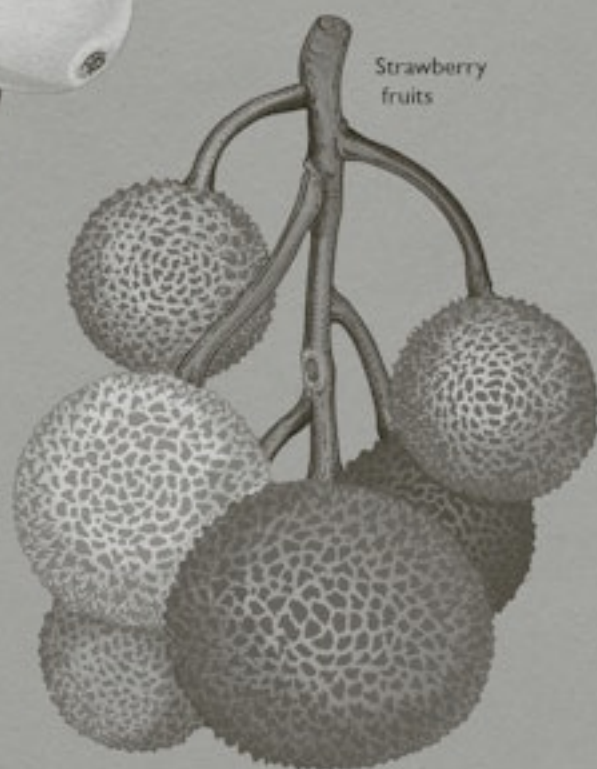

Loquat leaf and fruit

Californian headache  
leaves and fruit

Winter's bark  
flowers

Strawberry  
fruits

Fig leaves  
and fruit

Holm oak  
leaves and fruit  
(acorns)

Pomegranate  
leaves and fruit

Hackberry  
fruit

Montpellier maple  
leaves and fruit

Aleppo pine  
leaves

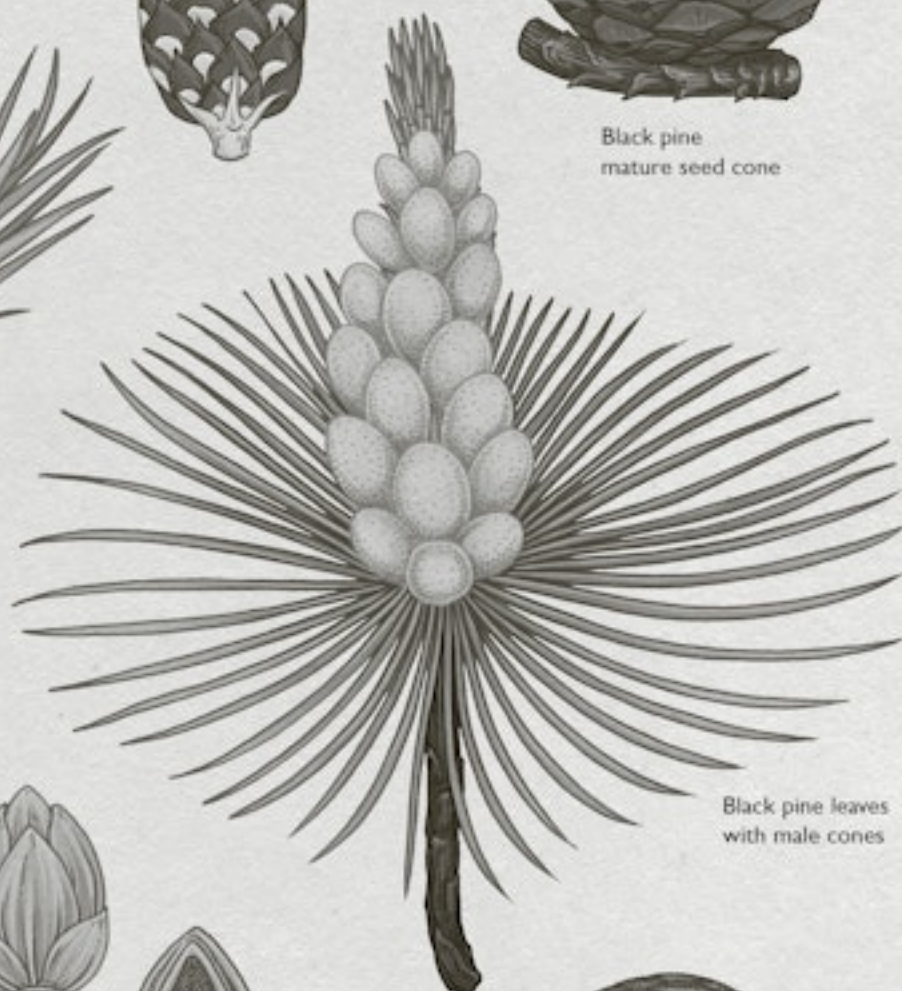

Aleppo pine  
mature seed cones

Black pine  
young female cone  
and cross section

Black pine  
mature seed cone

Black pine leaves  
with male cones

Prickly  
juniper  
young female  
cone and  
cross section

Prickly juniper  
spray of leaves with mature seed cones

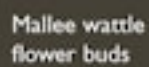

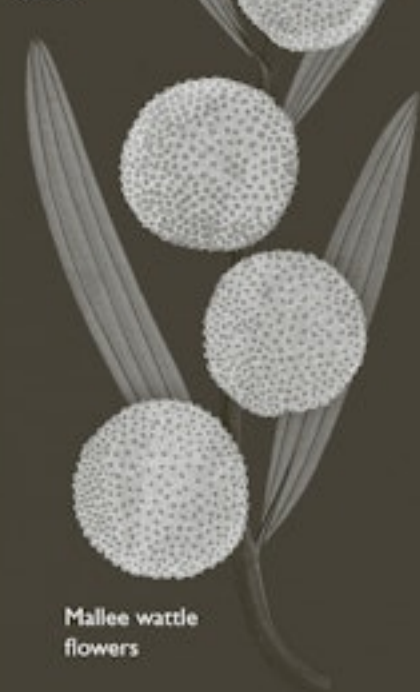

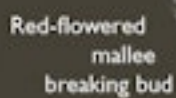

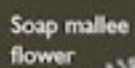

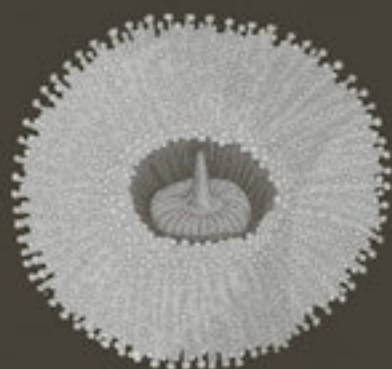

Cedar of Lebanon spray of leaves with mature cone

Immature acorns

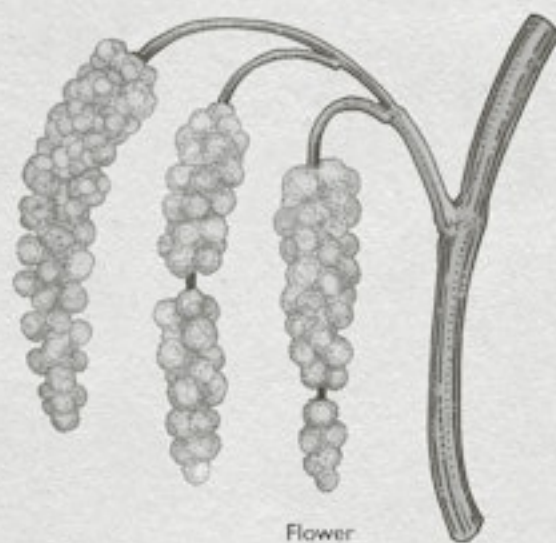

Mature acorns

Cork oak tree

Trunk cross section

Flower

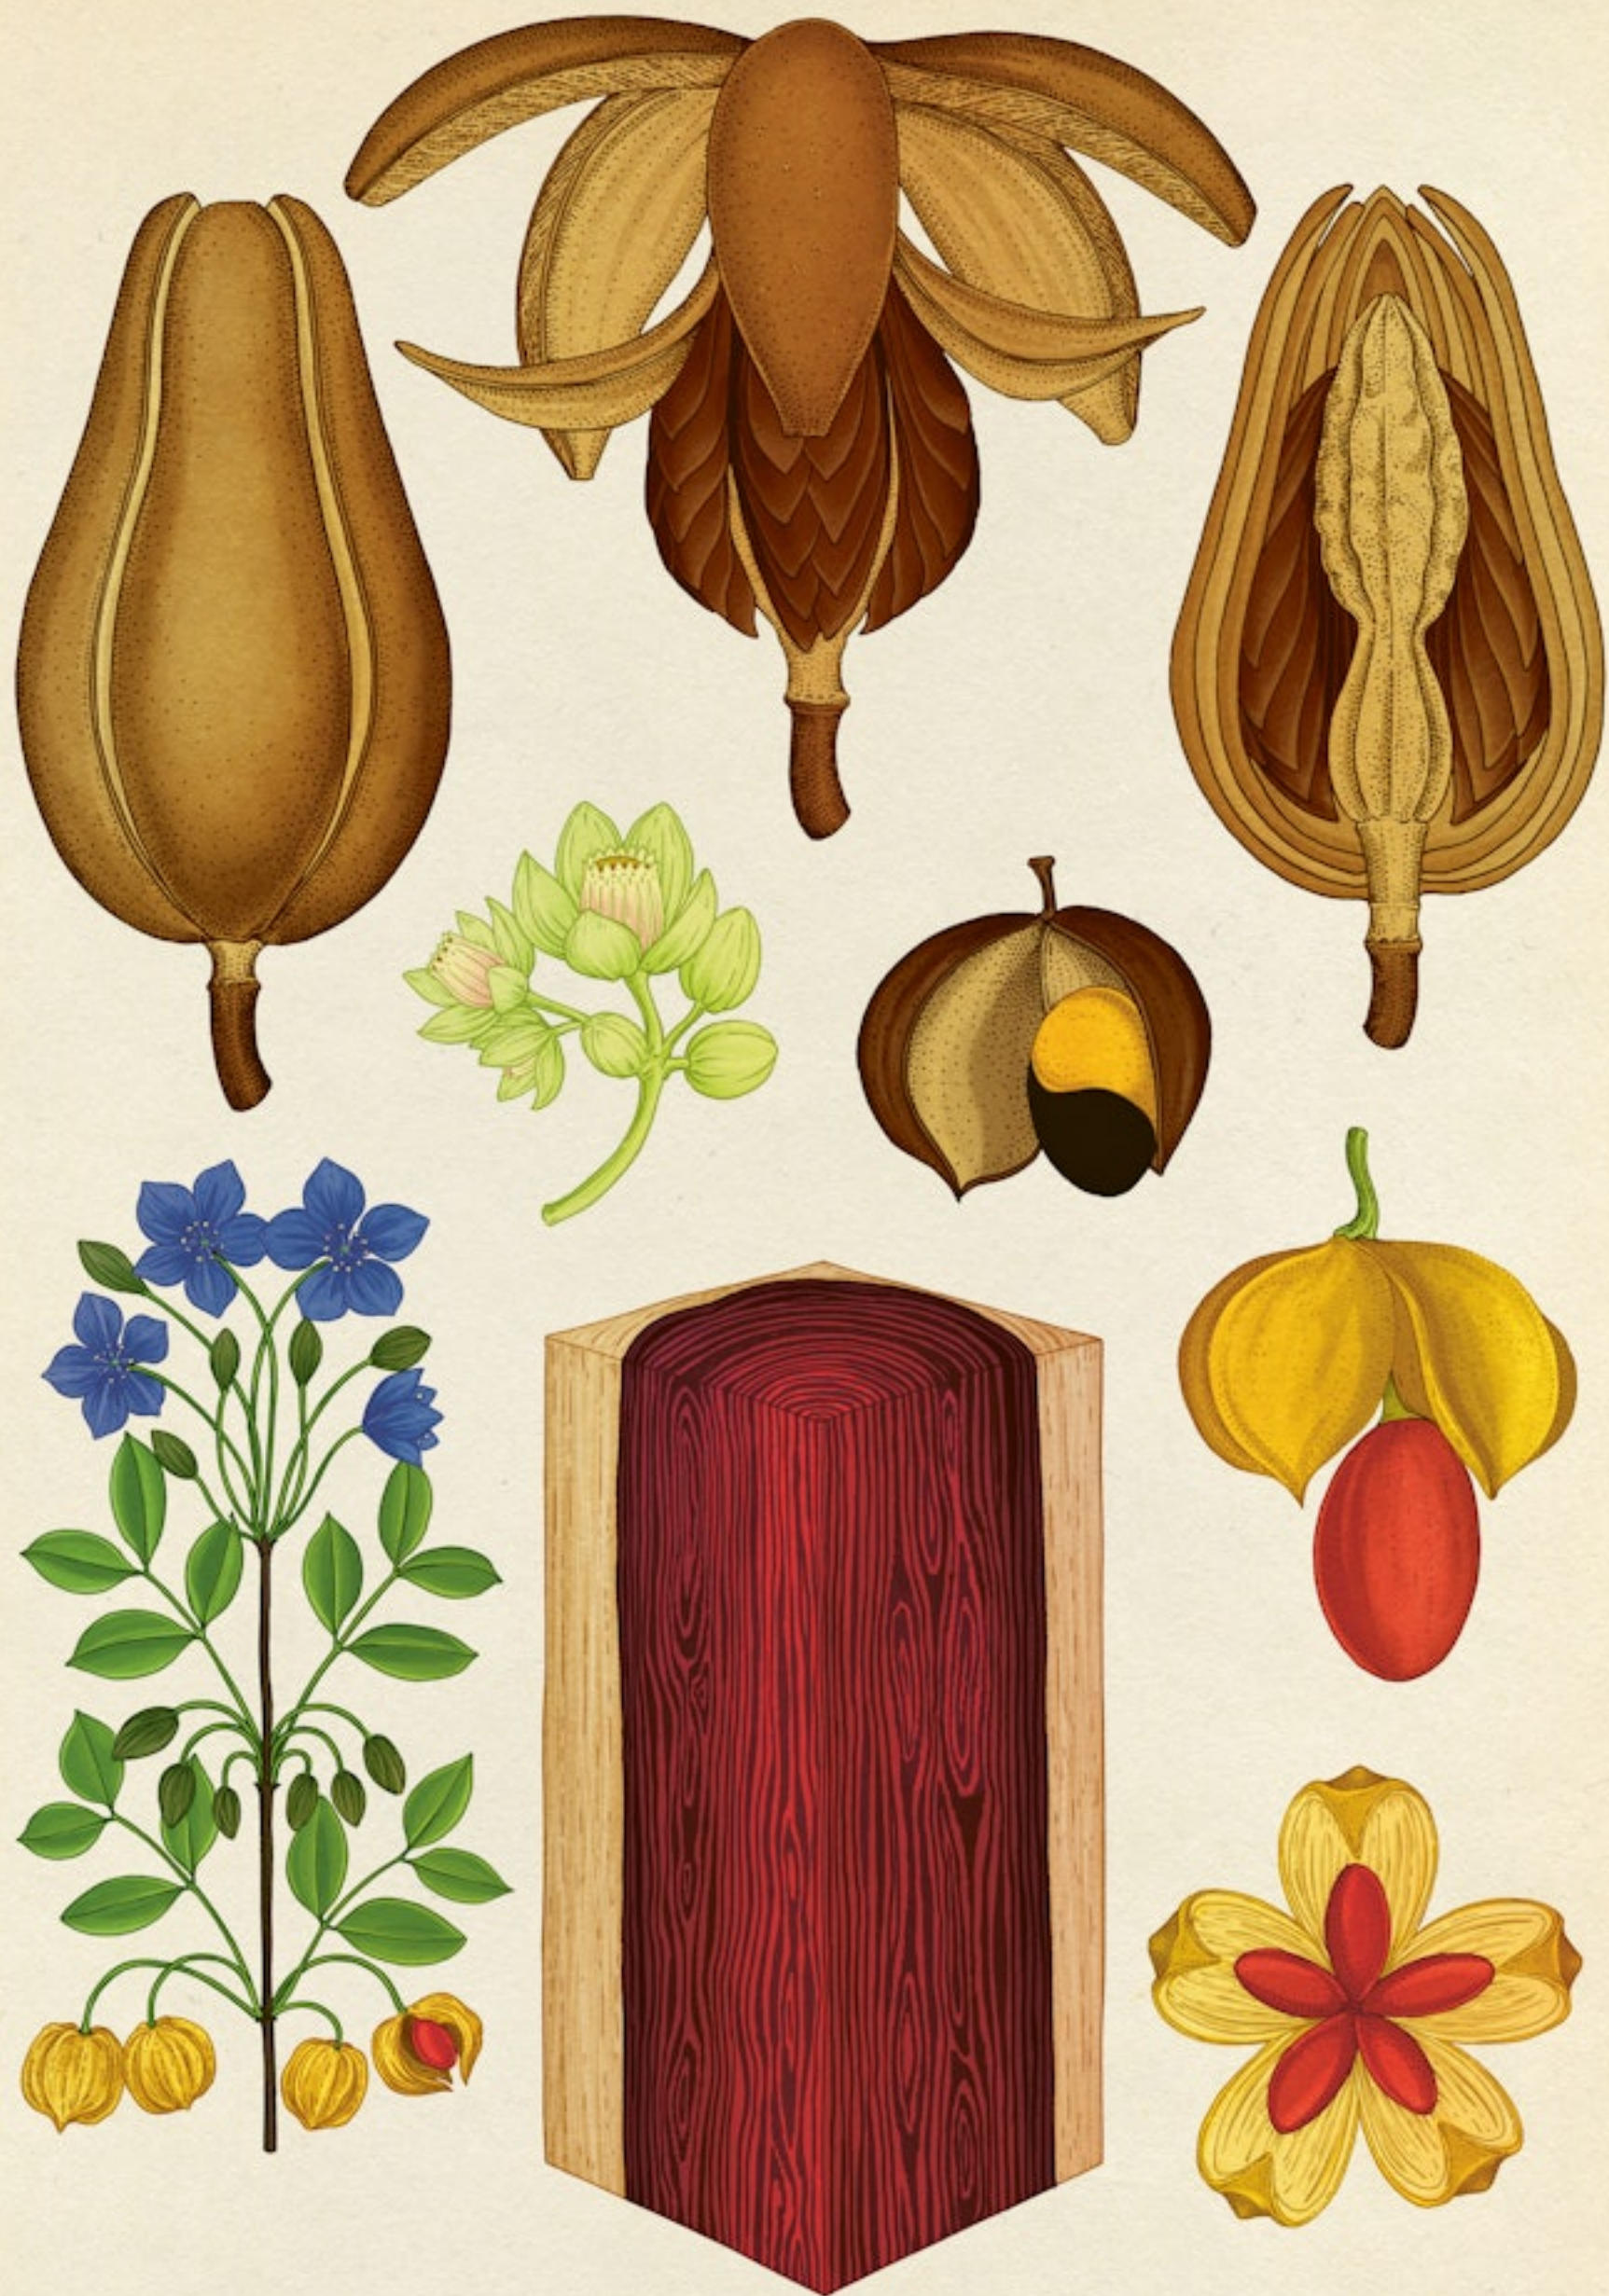

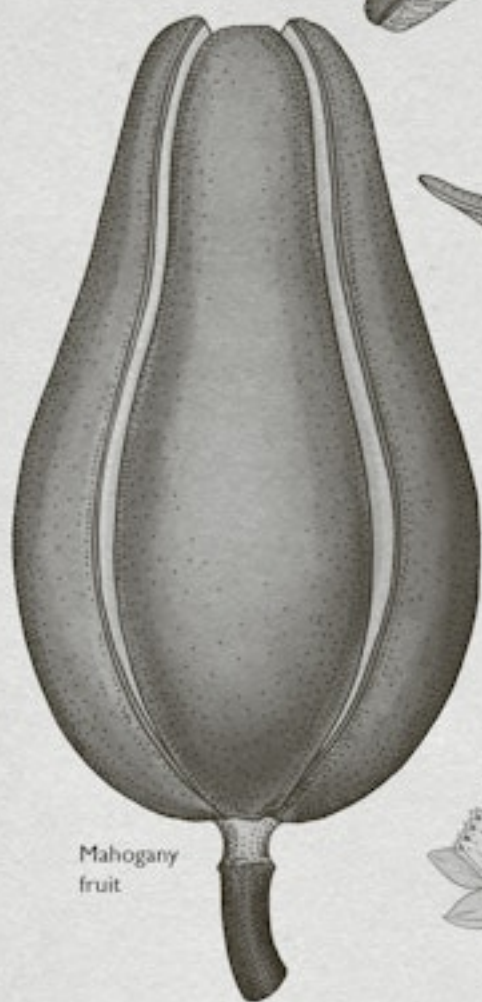

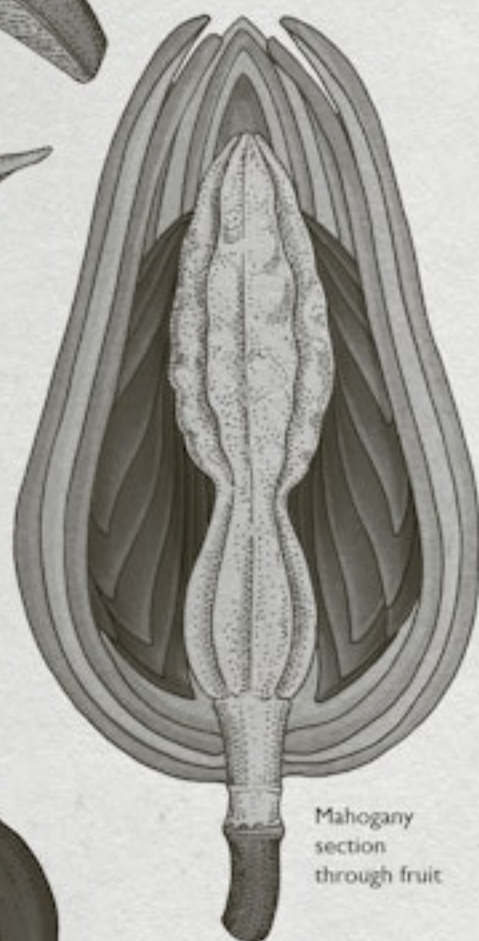

Mahogany  
fruit

Mahogany  
ripening fruit

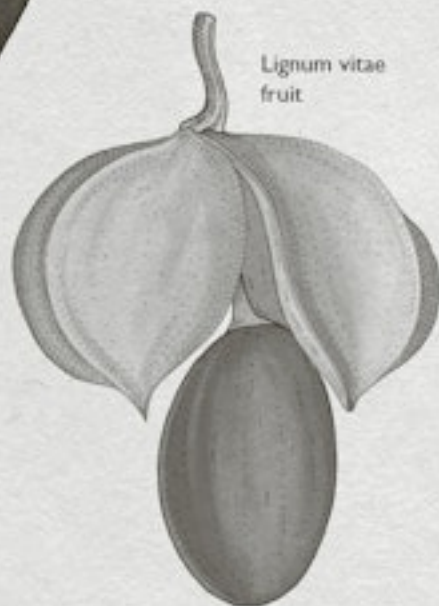

Mahogany  
section  
through fruit

Mahogany  
flower

Diesel  
seed pod

Lignum vitae  
fruit

Lignum vitae  
flowers and leaves

Brazilian rosewood  
timber transection

Lignum vitae  
open seed  
pod

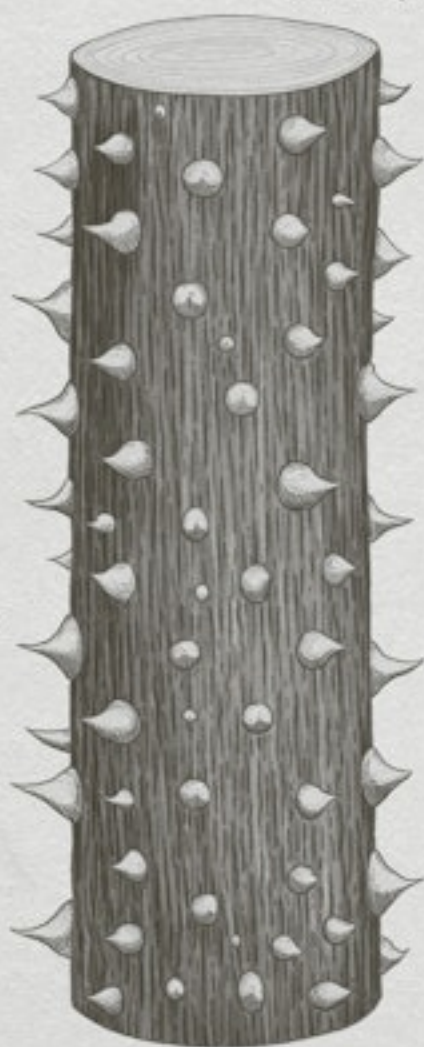

African tulip  
flower

Cocobolo  
timber transection

Kapok tree  
stem with spines

Cocobolo  
seed pod

Kapok  
seed pod

Flame tree  
flower

Flame tree  
leaf

Fever tree  
flowers

Whistling  
thorn leaves

Frankincense  
cross section of trunk

Frankincense  
resin

Whistling thorn  
swollen thorn

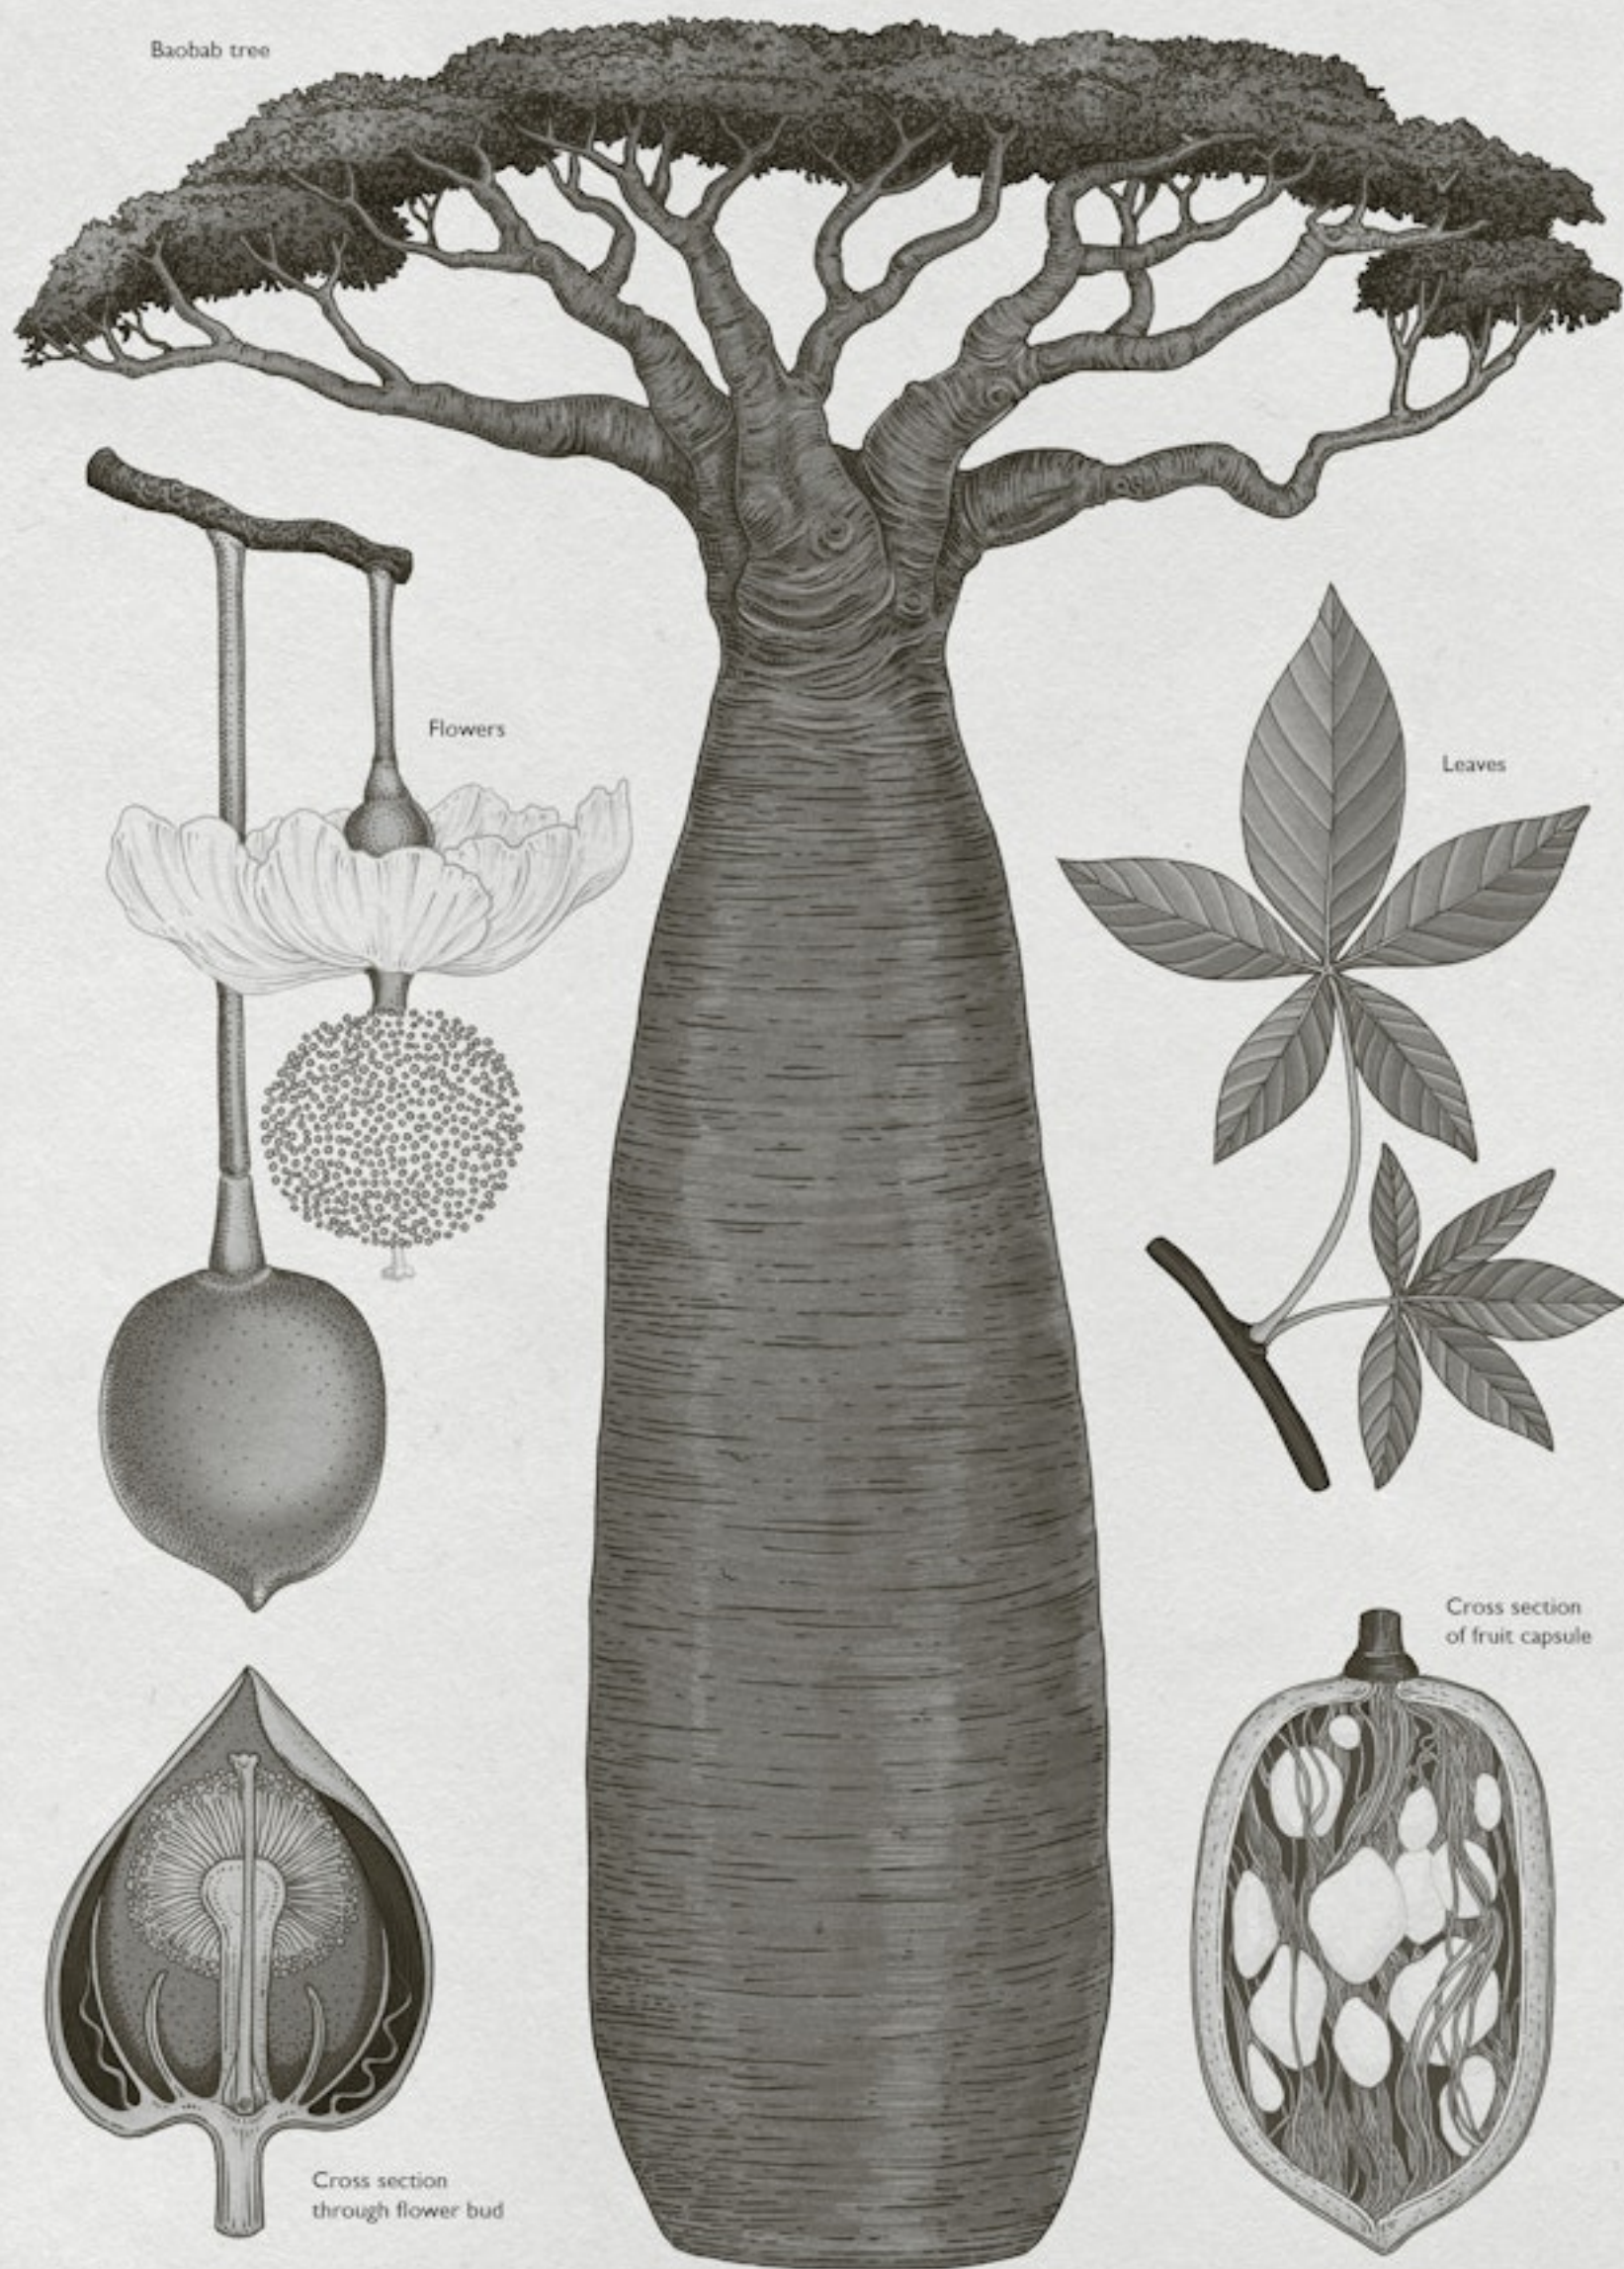

Fever tree  
leaves

Baobab tree

Flowers

Leaves

Cross section  
of fruit capsule

Cross section  
through flower bud

Cinnamon  
twig with leaves  
and flowers

Cinnamon  
cross section  
through flower

Cinnamon  
bark quill

Nutmeg  
cross section  
through the seed

Nutmeg seed

Nutmeg cross section  
through the outer husk

Clove  
twig with  
leaves and  
flower buds

Clove  
cross section  
through a  
flower bud

Brazil nut  
twig with leaves,  
flowers  
and fruit

Brazil nut  
nutshell

Brazil nut  
cross section  
through  
flower

Brazil nut  
cross section  
through fruit showing  
three-sided nutshells

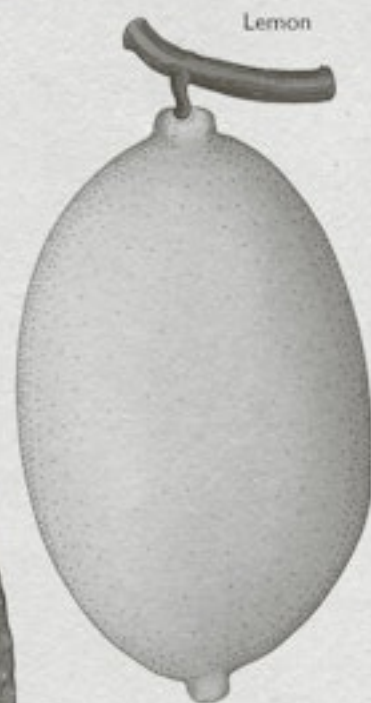

Breadfruit

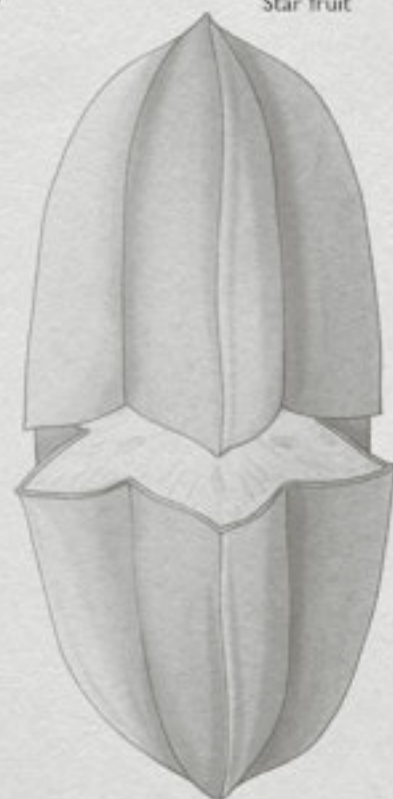

Lemon

Lychee

Star fruit

Mango

Mangosteen

Whistling thorn

Fever tree

Baobab

Handkerchief tree

Yoshino cherry

Contorted willow

Flowering crab apple
