# INTRODUCTION

First held in 1956 with only a handful of competitors, the Eurovision Song Contest has grown over the past 70 years into the biggest, campiest, wildest and most widely loved international singing contest in the world. These days, it's not even limited to Europe, with the weirdest and most wonderful talent from countries as far afield as Turkey, Australia and Canada flocking to compete. Whether you're batty about ballads, crazy for costumes, a sucker for a scandal, or just really into that massive hamster wheel, Eurovision has something for everybody.

But how big a fan are you really? This quiz book tests your knowledge of the highs and lows of Eurovision's reign as the world's most popular song contest (almost seven decades long and still counting!). Wrack your brains to remember the contest's wonderful winners and biggest losers, recall the most eye-catching costumes and baffling set pieces, and test your knowledge of Eurovision's fascinating history.

And above all else, try not to end up with "Nul Points"!

# SPECIALIST SUBJECTS

Questions are divided into nine separate categories. Is your specialist subject past winners or record breakers? Perhaps you're more visual and it's the creative costumes, or the presenters that stand out for you? You may be a Eurovision history boffin, or perhaps you have a knack for recalling the scandals that almost derailed the performers and the show on the night? Whatever your specialist area, you'll find questions to suit you.

Here are your unofficial Eurovision categories. It's time to find out where your knowledge lies.
