IMAGINE IF...  
**BUGS!**

Beautiful bright butterflies,  
flit-fluttering everywhere.

But I imagine IF...

... they were the ribbons in my hair!

A big brown gentle beetle,  
with mighty jaws upon his head.

But I imagine IF...

...they hung my washing  
out instead!

A glorious green mantis,  
with bulging eyes, and legs so tall.

But I imagine IF...

...it was a see-saw for us all!

Busy yellow honeybees,  
in their beehive making honey.

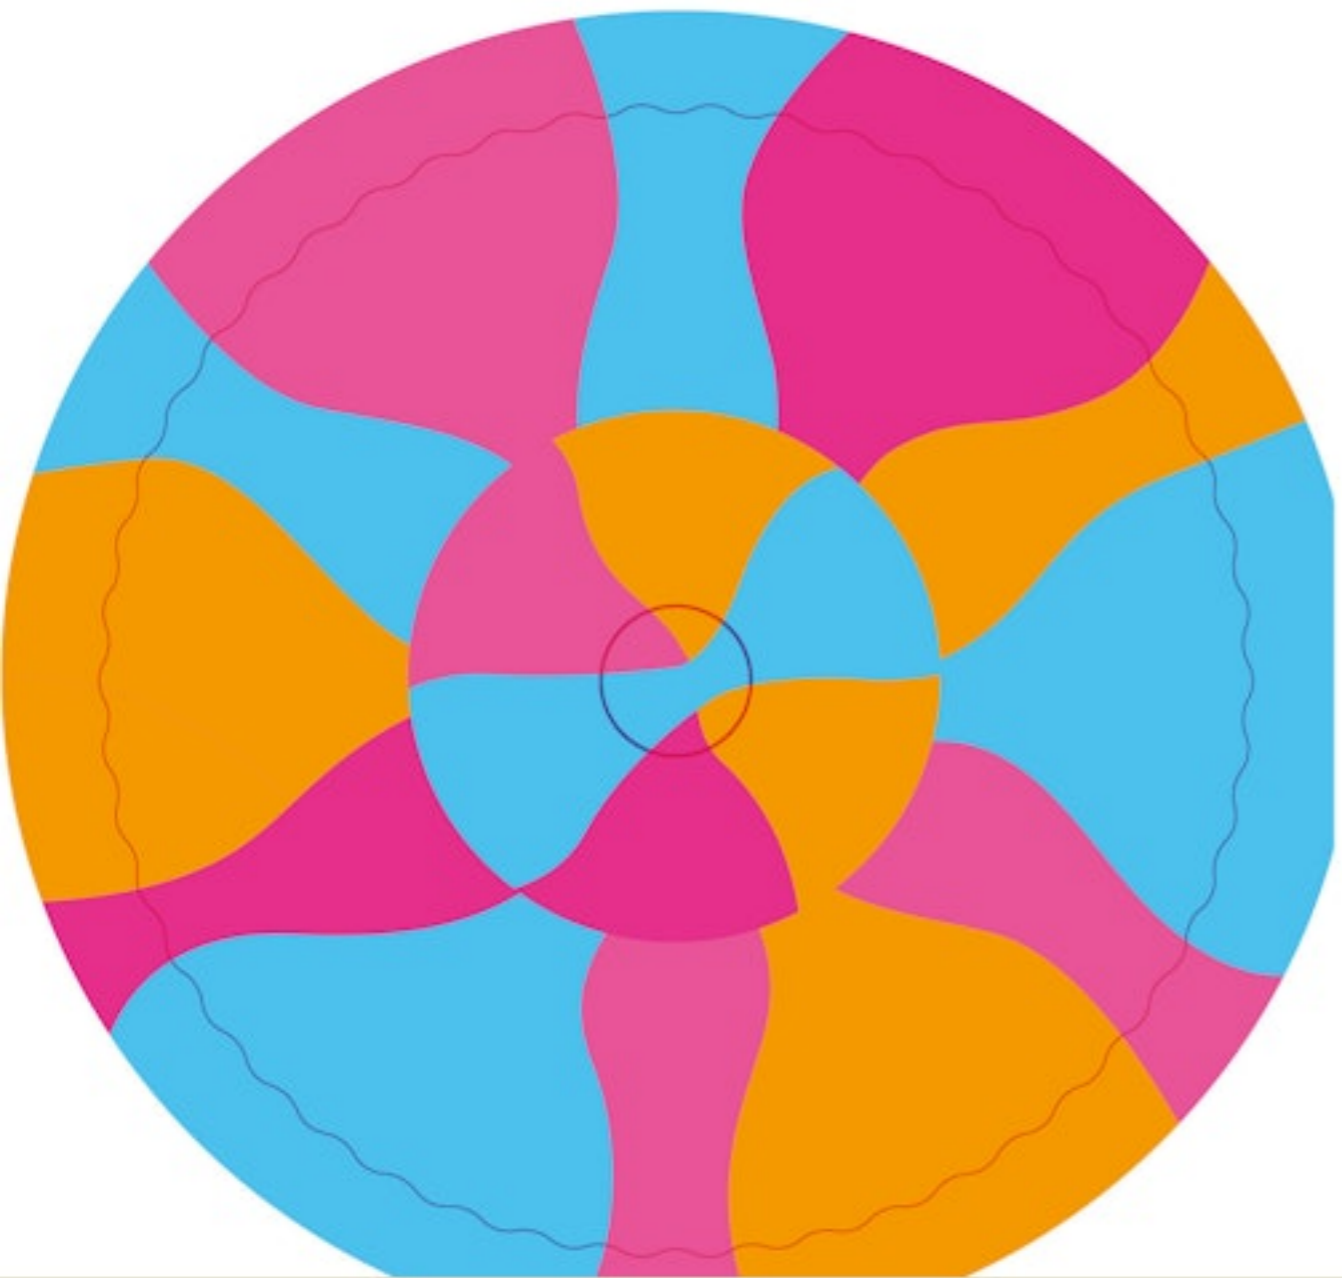

But I imagine IF...

...their hive had lights so bright and sunny!

Bugs, they are so wonderful  
- on that we can agree!

With my imagination...

...there is nothing  
they can't be!
