FLOWERS!

Yellow smiling sunflowers,
with petals bright as flames.

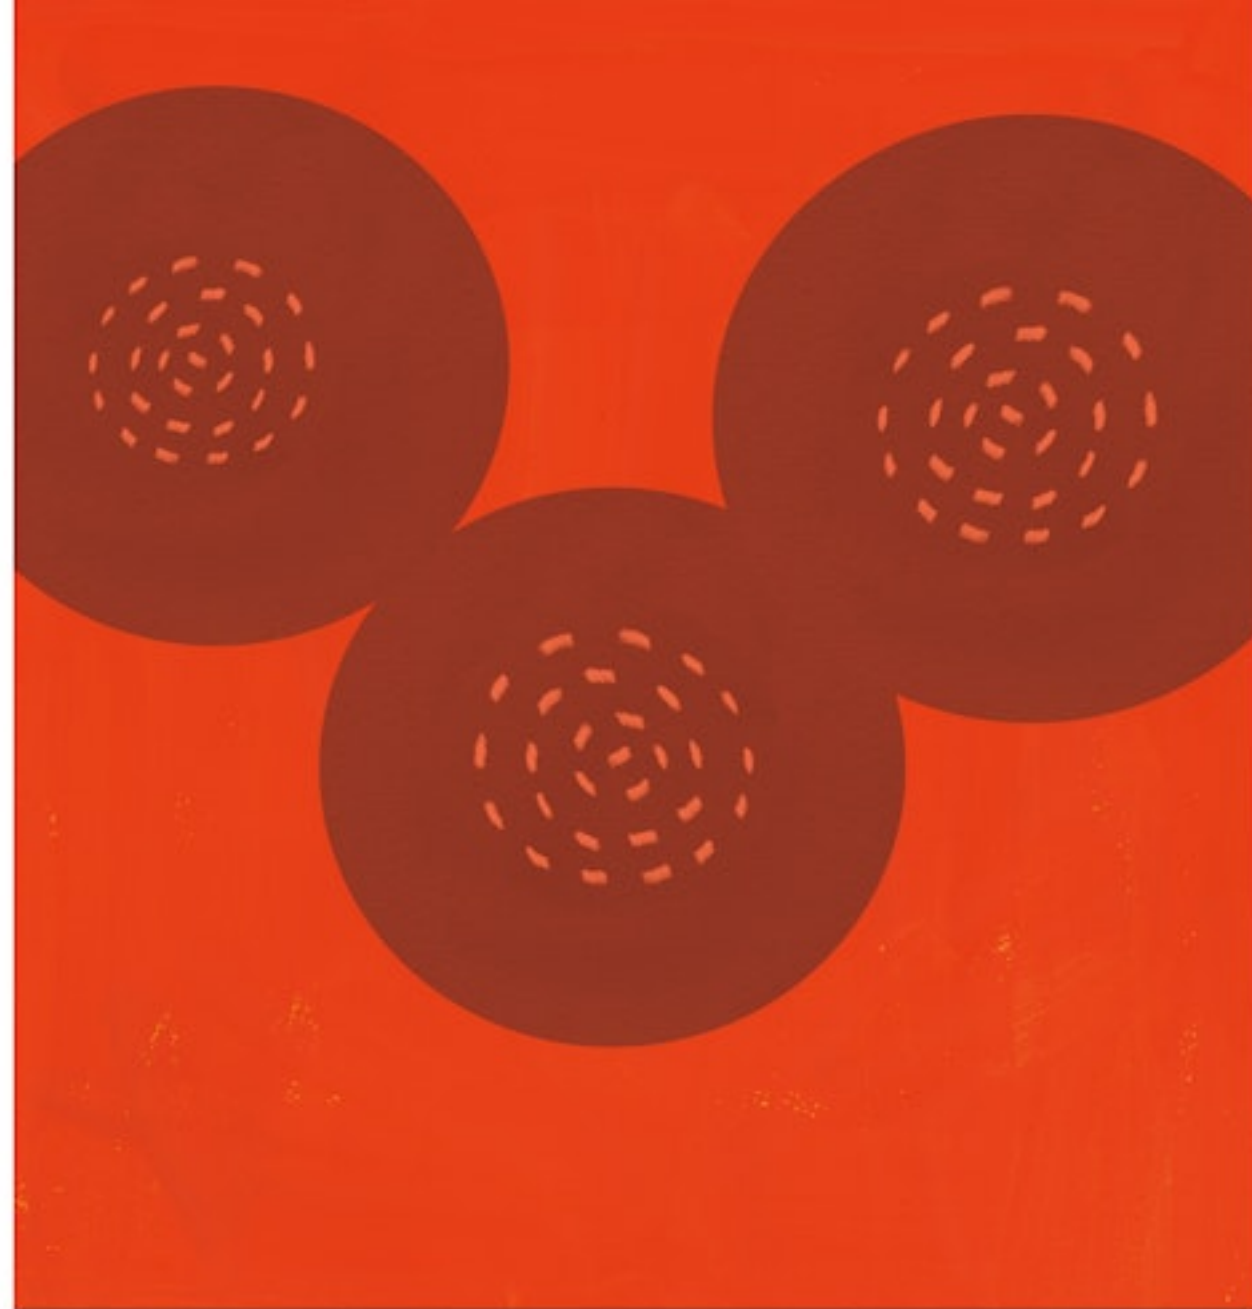

But I imagine IF...

...they were
fierce lions'
manes!

ROOAR!

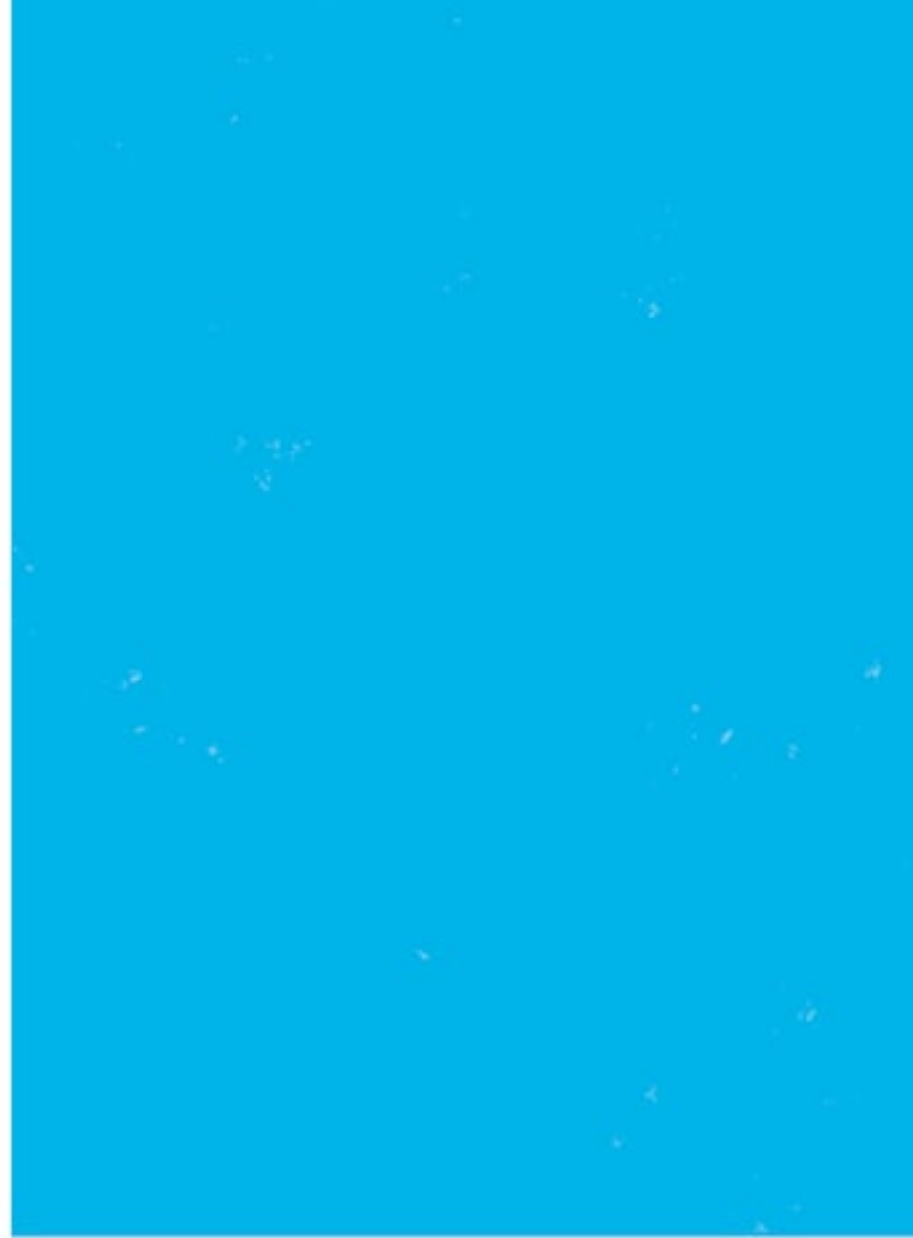

Dandelions' yellow flowers
soon turn white and fluffy-light.

But I imagine IF...

Beautiful blooming bluebells,
each bell like a
jingling star.

But I imagine IF...

...they all made
little cable cars!

Perfect purple pansies,
your petals are so pretty.

But I imagine IF...

...they made dresses -
so itty-bitty!

Hooray for all the flowers,
from roses to sweet peas.

...there is nothing
they can't be!

With my imagination...
