

Jane Foster's

I LOVE Blue

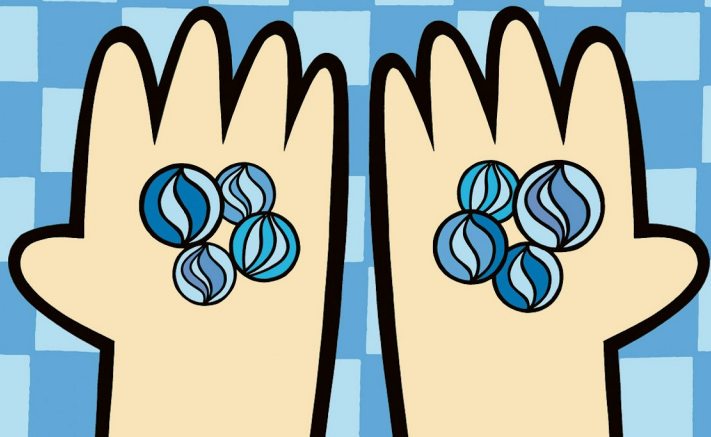

I love to wear my old blue hat –
it makes me feel OK.
I never want to take it off.
It's on my head all day!

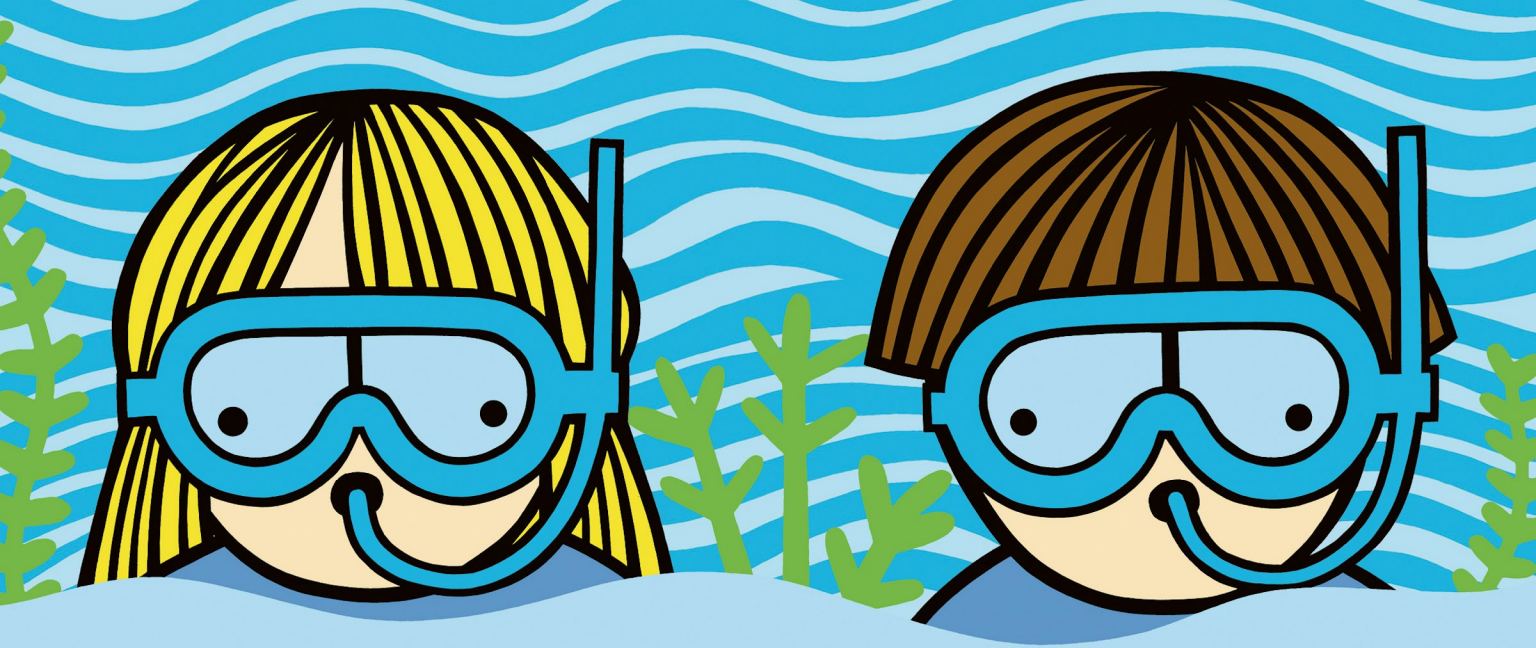

I love collecting marbles,
the best you've ever seen!

I only like the blue ones,
not red or pink or green.

I have a friend called Archie,
who loves blue just like me.

We wear blue snorkels at the pool

and dream we're in the sea.
