WHERE'S BRUNO?

Bruno lived behind Casita's walls for many years, so he is still getting used to being around the rest of his family and the people of the Encanto again. They are a lot more talkative than rats, and they even ask him questions! Can you spot Bruno and the rest of the Madrigal family in each scene?

Bruno

Bruno has the gift of seeing the future, but he doesn't always know exactly what the visions mean.

Mirabel

Mirabel is courageous, kind and imperfect. She always helps her family and the people of the Encanto in any way she can.

Julieta

Warm and nurturing, Julieta can magically heal people with her delicious food.

Agustín

Agustín is married to Julieta and is a bit accident-prone, so he often enjoys her healing cuisine.

Luisa

Luisa is super strong. She can reroute rivers, move buildings and carry donkeys back to their pen!

Isabela

Isabela can make beautiful flowers and interesting plants appear with a simple flick of her hands.

Abuela Alma

Protective and steadfast, Abuela Alma is the leader of the Madrigal family.

Dolores

Dolores has the gift of incredible hearing. She can hear a pin drop from a mile away!

Félix

Félix is married to Pepa and is a very kind man who enjoys dancing and spending time with his family.

Pepa

Pepa's emotions affect the weather. When she is happy the sun shines brightly, but when she is upset a storm descends!

Camilo

Camilo has the ability to shape-shift into anyone and often enjoys entertaining people by pretending to be someone he is not.

Antonio

Antonio loves animals, so he was thrilled to discover that his special gift is being able to communicate with them!

Mariano

Mariano isn't a Madrigal, but he is very close to the family. He is a romantic guy who is eager to share his love with someone special.

Behind the Walls

Bruno likes to check in on the rats behind the walls to see what they're up to. The rats are keeping busy without Bruno, playing with his collection of objects from the Casita. Can you spot Bruno, spying on his old companions?

Can you help her find Bruno?

There is a wedding in the Encanto, and everyone helps prepare by decorating or bringing food to share. Félix is helping Luisa with the chairs and Pepa is using her gift to roll out a red carpet. Bruno is enjoying the festivities. Can you find him?

The Village

Oh, no! The donkeys got out again! Luisa springs into action. Abuela has brought carrots for the donkeys and Dolores is talking to Mariano. Bruno is keeping his distance. Can you spot him?
