GIGANTOSAURUS™

RAIDERS OF THE LOST SHELL

templar

On a beautiful day in Cretacia,
Rocky was bouncing a ball outside the den.
But when Gigantosaurus STOMPED past,
Rocky began to show off.

He grabbed a shiny shell and started
to bat his ball higher and higher
into the air. Until ...

Giganto,
watch this!

The ball crashed down onto the shell with a **SMASH!**
“My special shell!” cried Tiny, running over to inspect the mess.
“I didn’t know it was yours,” Rocky said, frowning.

Rocky took the broken shell to Mazu to see if she could fix it.
“I’ll try my best,” Mazu said, doubtfully. “But you might need to find a new shell.”
“I can do that!” Rocky announced. “Where is your shell from, Tiny?”

"The lake!" Bill gasped. "It's dangerous there, and it's full of weird fish!"
But Rocky was determined to help his friend.
"I'm not afraid!" he boasted.

Later on, Rocky and Tiny dove into the lake in the Bill Bubble. They gazed around at the watery world and began their search for a new special shell.

Up ahead, three dolphins were swimming playfully.

"Hi Plink! Hi Plunk! Hi Plonk!" Tiny called out.

"Have you seen any special shells?"

"Not here," replied Plonk.

"You should try diving deeper."

The little dolphins zoomed around the Bill Bubble in circles before swimming away.

"Well, you heard them – let's go deeper!"

Rocky cheered, as the Bill Bubble chugged along.

Hey! Can you help us find a special shell?

Be careful! There are some big and scary fish around here!

A special shell?
That sounds cool!

Tiny and Rocky followed Leon's trail. Suddenly, their eyes lit up as they spotted a pile of glimmering shells!

"They're all SO pretty!" Tiny exclaimed. "I don't know which one to take."

"Let's take ALL of them!" decided Rocky.

Rocky lowered a rope from
the Bill Bubble ...

Careful ...

Here comes
the rope!

... and Leon tied it around
the pile of shells.

All done!

But as soon as the friends
set off with the shells,
a loud voice **BOOMED**
from beneath them!

WHERE DO
YOU THINK
YOU'RE GOING?

Termy burst out from the
water deep below, and she
was **FURIOUS!**

"We need to get away
from here!" Rocky cried.
"Let's GO!"

Tiny, Rocky and Leon sped away, with Terty right behind them. Then the Bill Bubble shook. "Watch out! The sea vents are erupting!" cried Leon. All at once, huge jets of water blasted up from the vents, sending coral flying everywhere!

Go faster,
Rocky!

I'll show
you faster!

Rocky pulled levers and pushed buttons, dodging the swarms of coral.

Finally, the little dinos reached the shore with all their shells. But something was missing . . .

Wait!
Where's Leon?

Oh no!
He must still
be in the lake!

"We have to go back to get Leon!" wailed Rocky. "But how will we get past Termy?"

Just then, Tiny saw the three dolphins, which gave her an idea.

"Plonk, could you keep Termy busy for a while?" Tiny asked.

Sure! Plink, Plunk
— let's dive!

Down at the bottom of the lake, Leon was trapped under a pile of coral and Termy was getting closer and closer ...

Luckily, Plink, Plonk and Plunk arrived just in time! "What are you doing?" Termy screeched, as the dolphins swam in circles around her. She spun around after them, snapping her jaws, but this made her **VERY** dizzy!

With Termy distracted,
Tiny and Rocky dived down
once again and freed Leon
from the coral.

Thanks for
rescuing me!

You're welcome.
Now, let's dash!

The friends swam past Termy without
being noticed, and soon they were back on dry land.
"We made it!" puffed Leon. "But why was Termy chasing us?"
Right on time, Termy shot out of the water looking **ANGRIER** than ever.

Give me back
MY shells!

"Are those your shells?" Tiny gasped.
Suddenly, Rocky and Tiny realised what they had done.
"We're sorry Termy," Rocky said. "We should have asked
before taking the shells."

Rocky and Tiny pushed the pile towards
Termy, who happily sank back into to the lake.

Rocky sighed, "I'm sorry, Tiny. After all that, you still don't have a shell."

But just as the friends were about to head home, Mazu and Bill came racing towards them.

"Tiny!" called Mazu, excitedly. "We glued your shell back together!"

"Sorry it's not perfect," said Bill. Except, it **WAS** perfect because when Tiny looked at this very special shell, she remembered how much her friends cared about her.
