BOOK

How to Use this Book:

Rip, glue, and complete each scene!
It's up to you how long the elephant's trunk will be or how many teeth the crocodile will have!
Create your own adventures and stories however you like.

This bright and fun book is perfect for your hands to tear, paste, and complete the illustrations. There are 13 sheets of patterned paper in the folder at the end of the book that you can use to make your collages.

Rip the collage papers and glue them wherever you like in the scene to create your own illustrated adventures! You can decide to follow the instructions or to take a different direction by adding more friends or animals or whatever you like!

Don't waste the leftover paper! You can also have fun creating new works of art by using them.

PAPER ADVENTURES

A Rip-and-Glue Activity Book

Aya Watanabe

It's a perfect day to go on an adventure!

Can you make the sun extra shiny?

Say hello to the cool elephants!
Oh, wait! Something is missing, isn't it?
Can you make a long trunk for the big elephant?

GRRRRRR! Watch out!
A big tiger jumps out of the bush.
But don't worry! He looks very friendly.
Can you add nice stripes for the tiger?

Who wants a teeth cleaning?
Are there any cavities?

Add more fierce teeth for the crocodile!

Have you ever seen so many legs at once??

Let's add more legs for the giant centipede.

Why hurry?

Let's take it slow just like snails.

Can you create a beautiful swirl for the big snail?

Wow! Butterflies are everywhere.

Can you create beautiful wings for them?

**Chasing after the butterflies,
we find big flowers!**

Can you add colorful petals for them?

**Here we are
in a cheeky
monkey tree!**

Add more tree branches
so the monkeys can play.

Have you seen a peacock?
It's such a
beautiful bird!

Decorate the tail
and make it pretty!

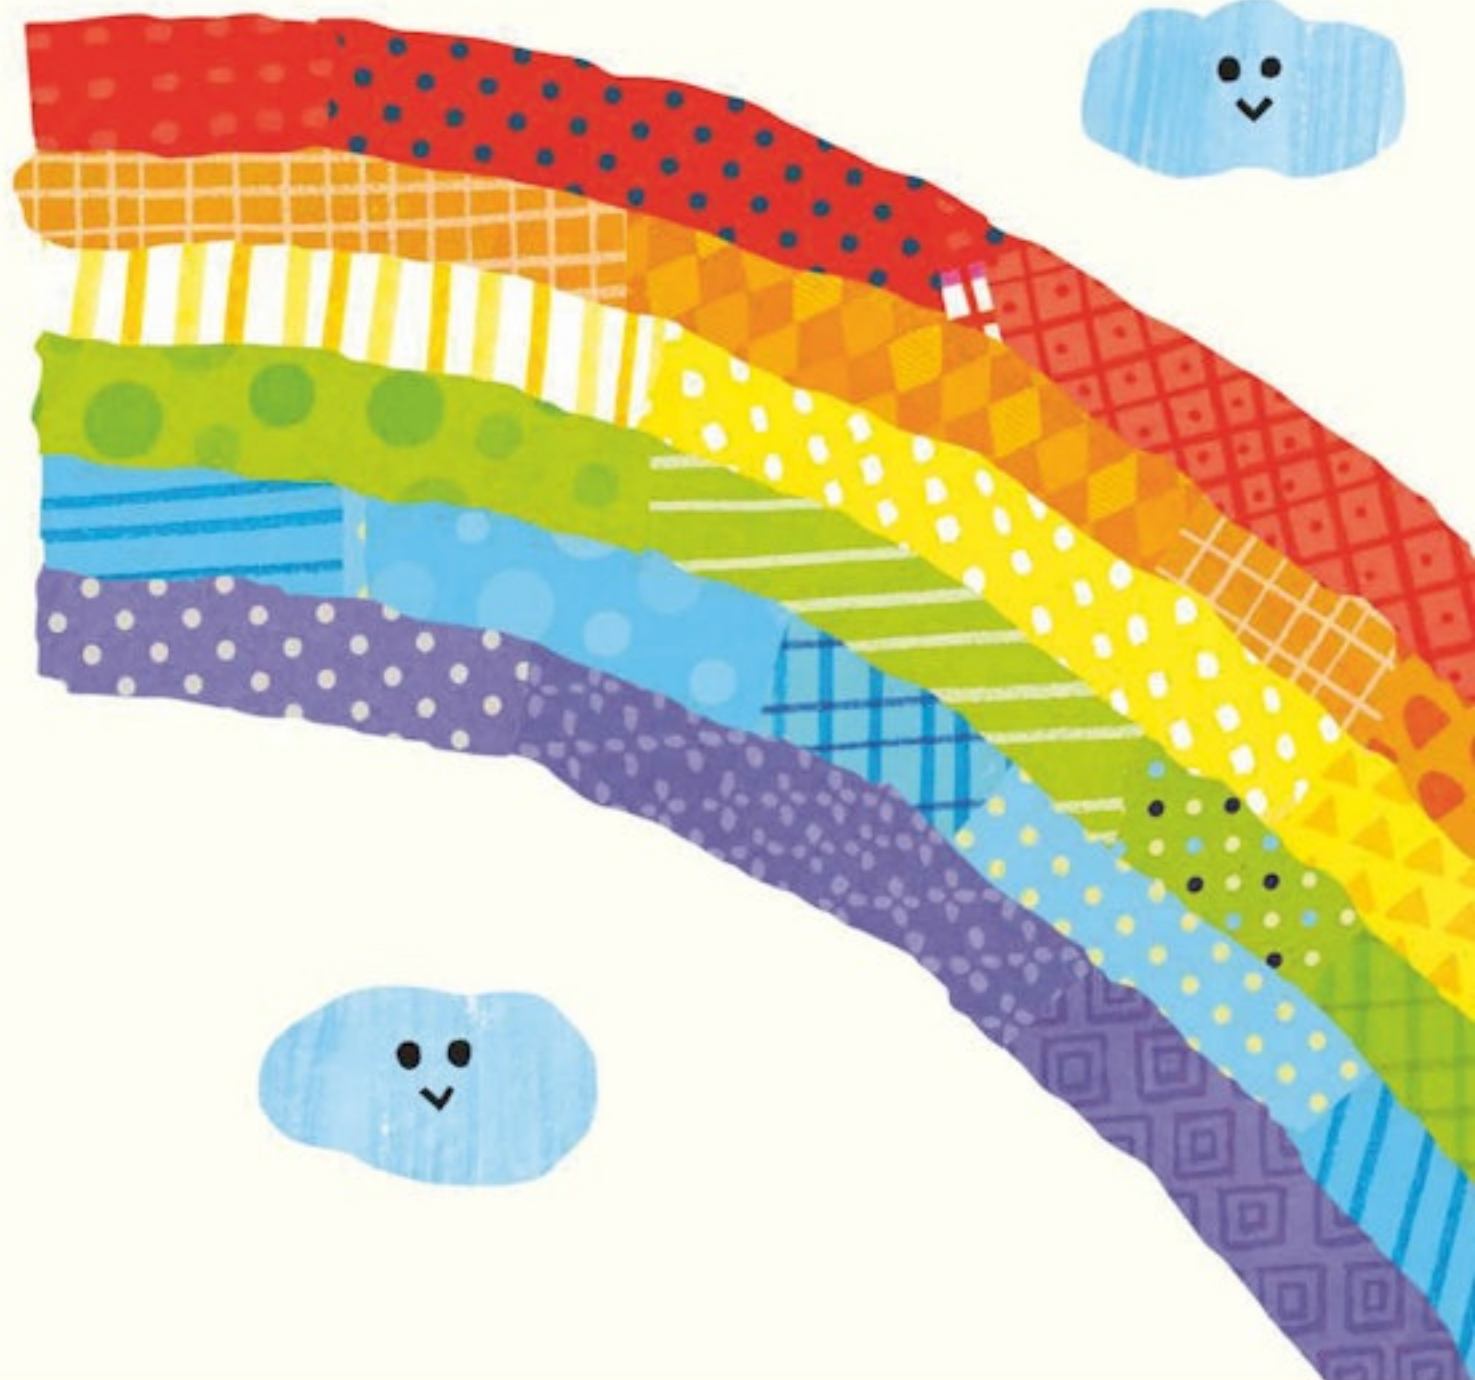

**Suddenly, it starts raining.
We need big umbrellas!**

Can you create an umbrella for them? Be creative!

**After the rain, a beautiful
rainbow appears in the sky.**

Let's cross the arch!
Can you complete the rainbow arch?

**On the other side of the rainbow, there is an ocean.
The big fish says "Catch me if you can!"**

Decorate the fish with colorful scales!

Submarine exploring is fun! But watch out!
An angry octopus is coming our way!
Let the octopus shoot black ink all over!

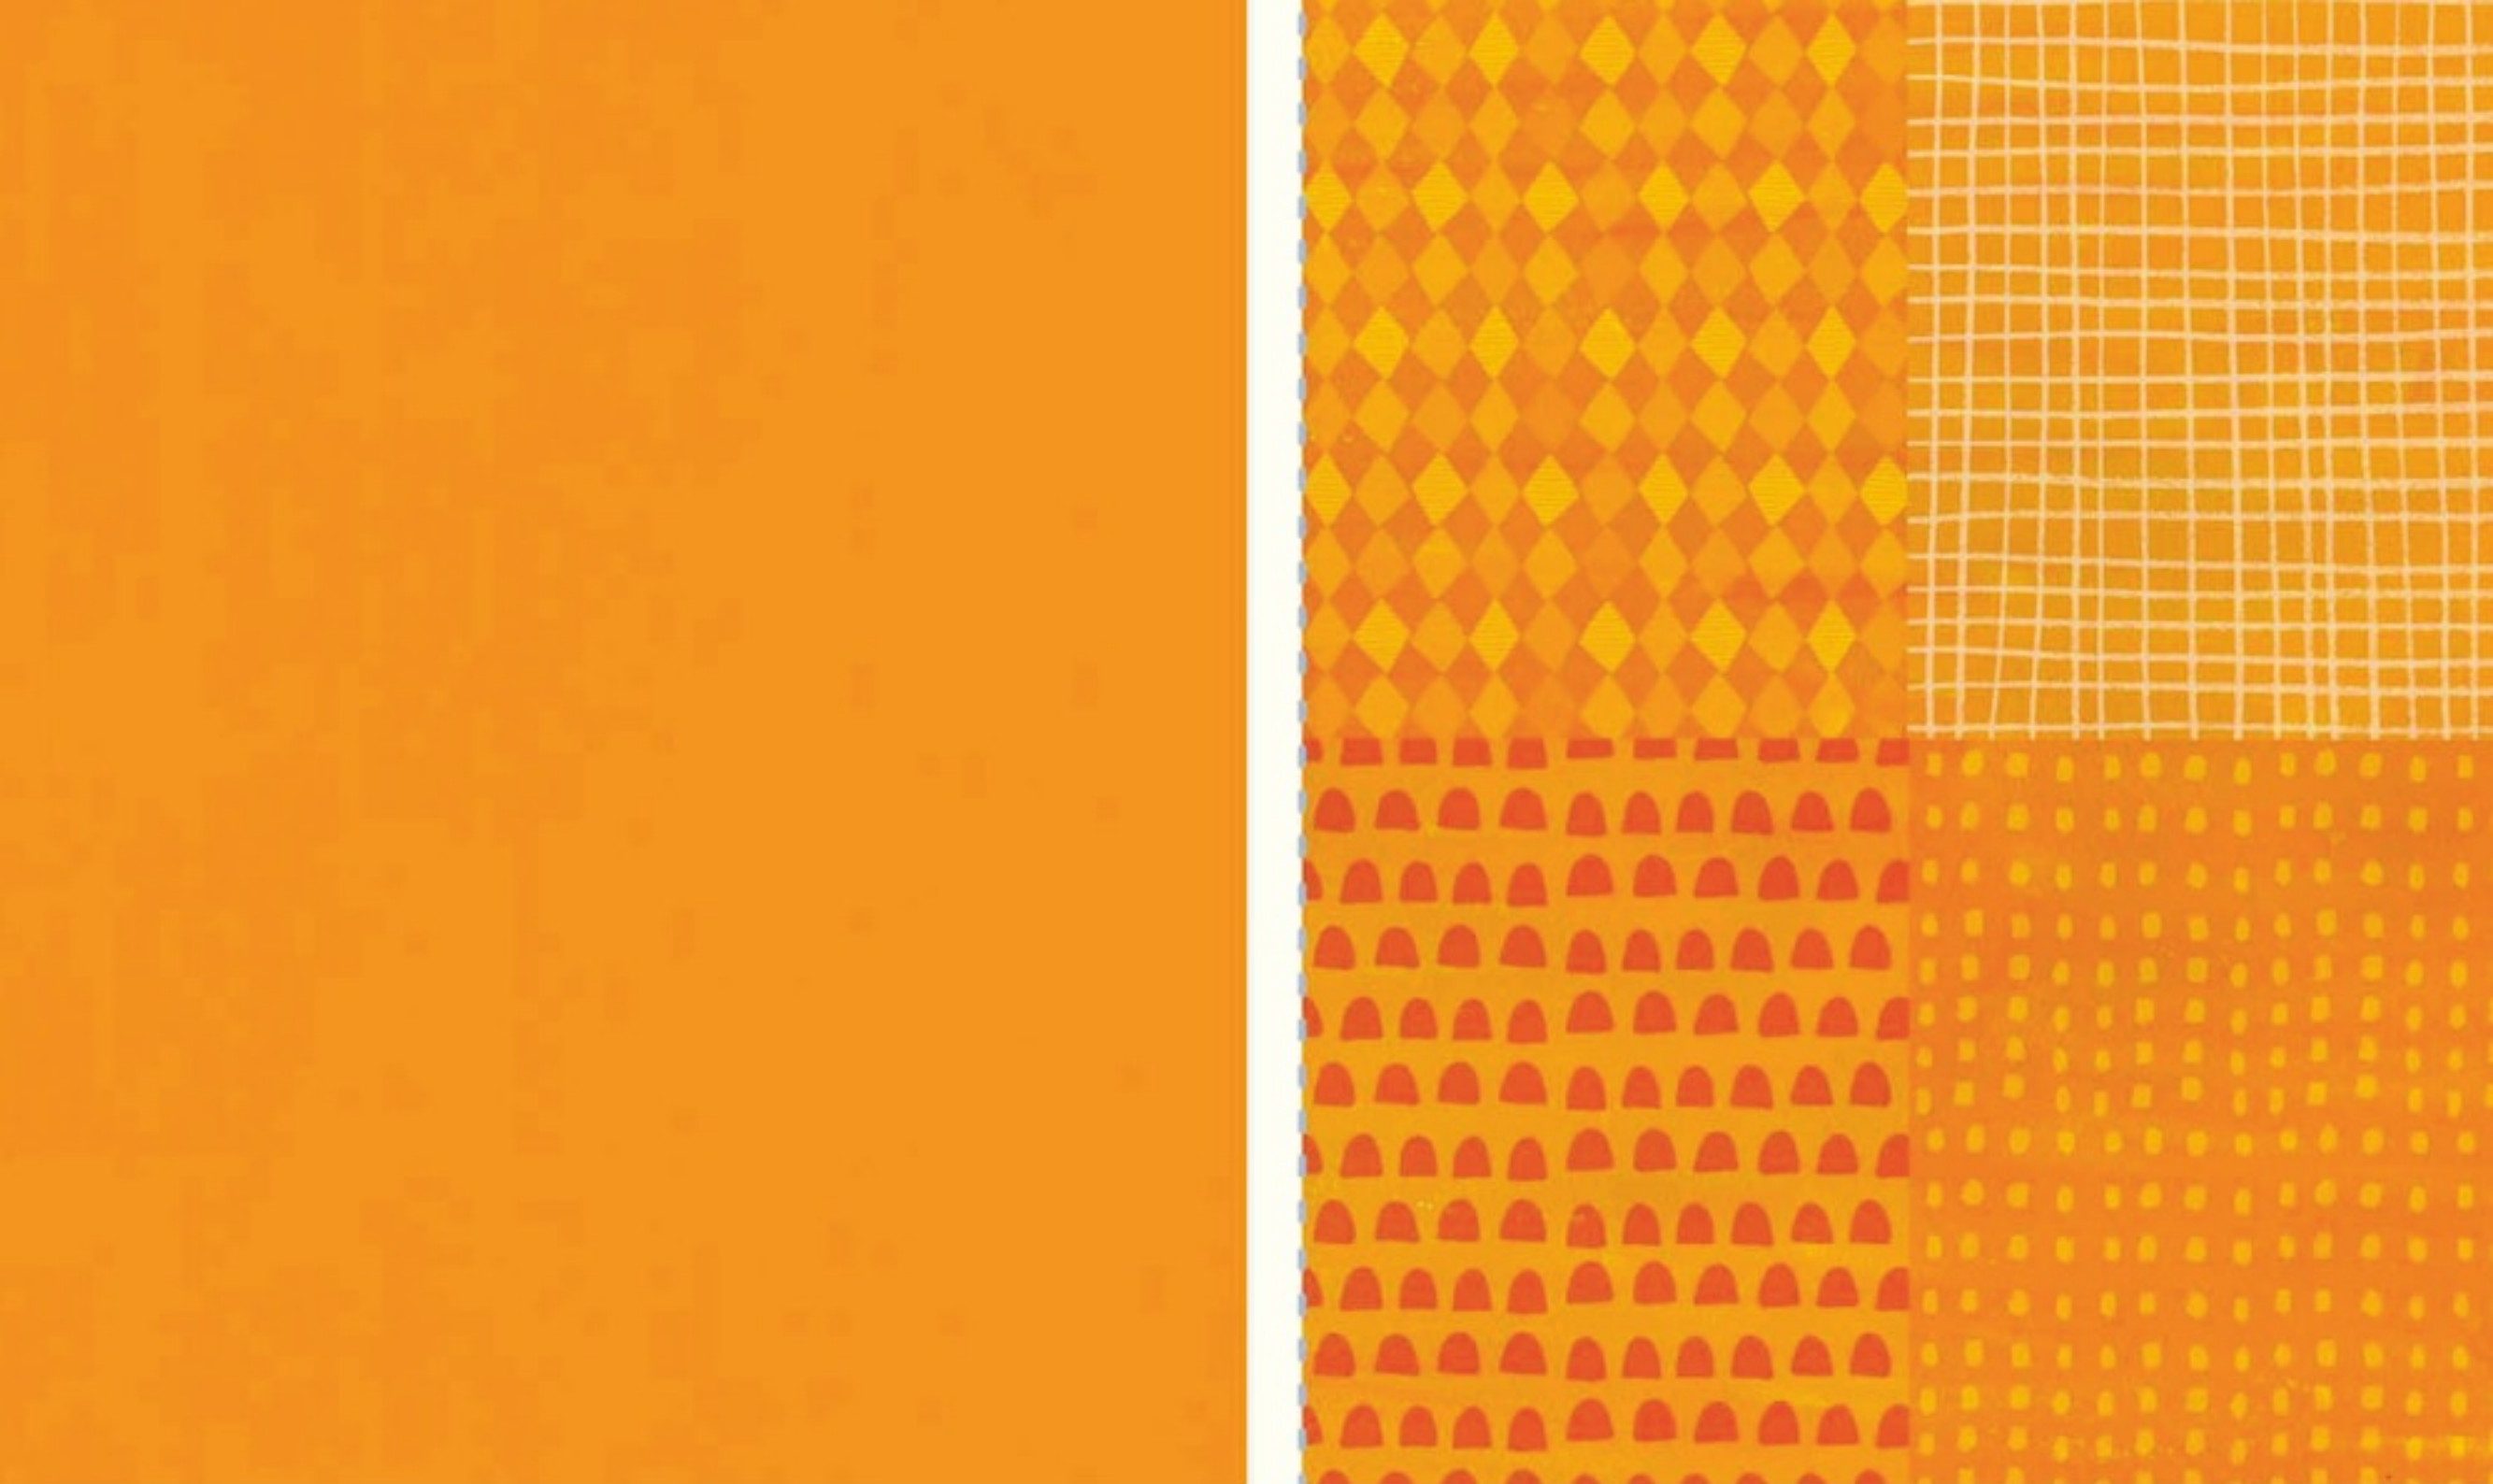

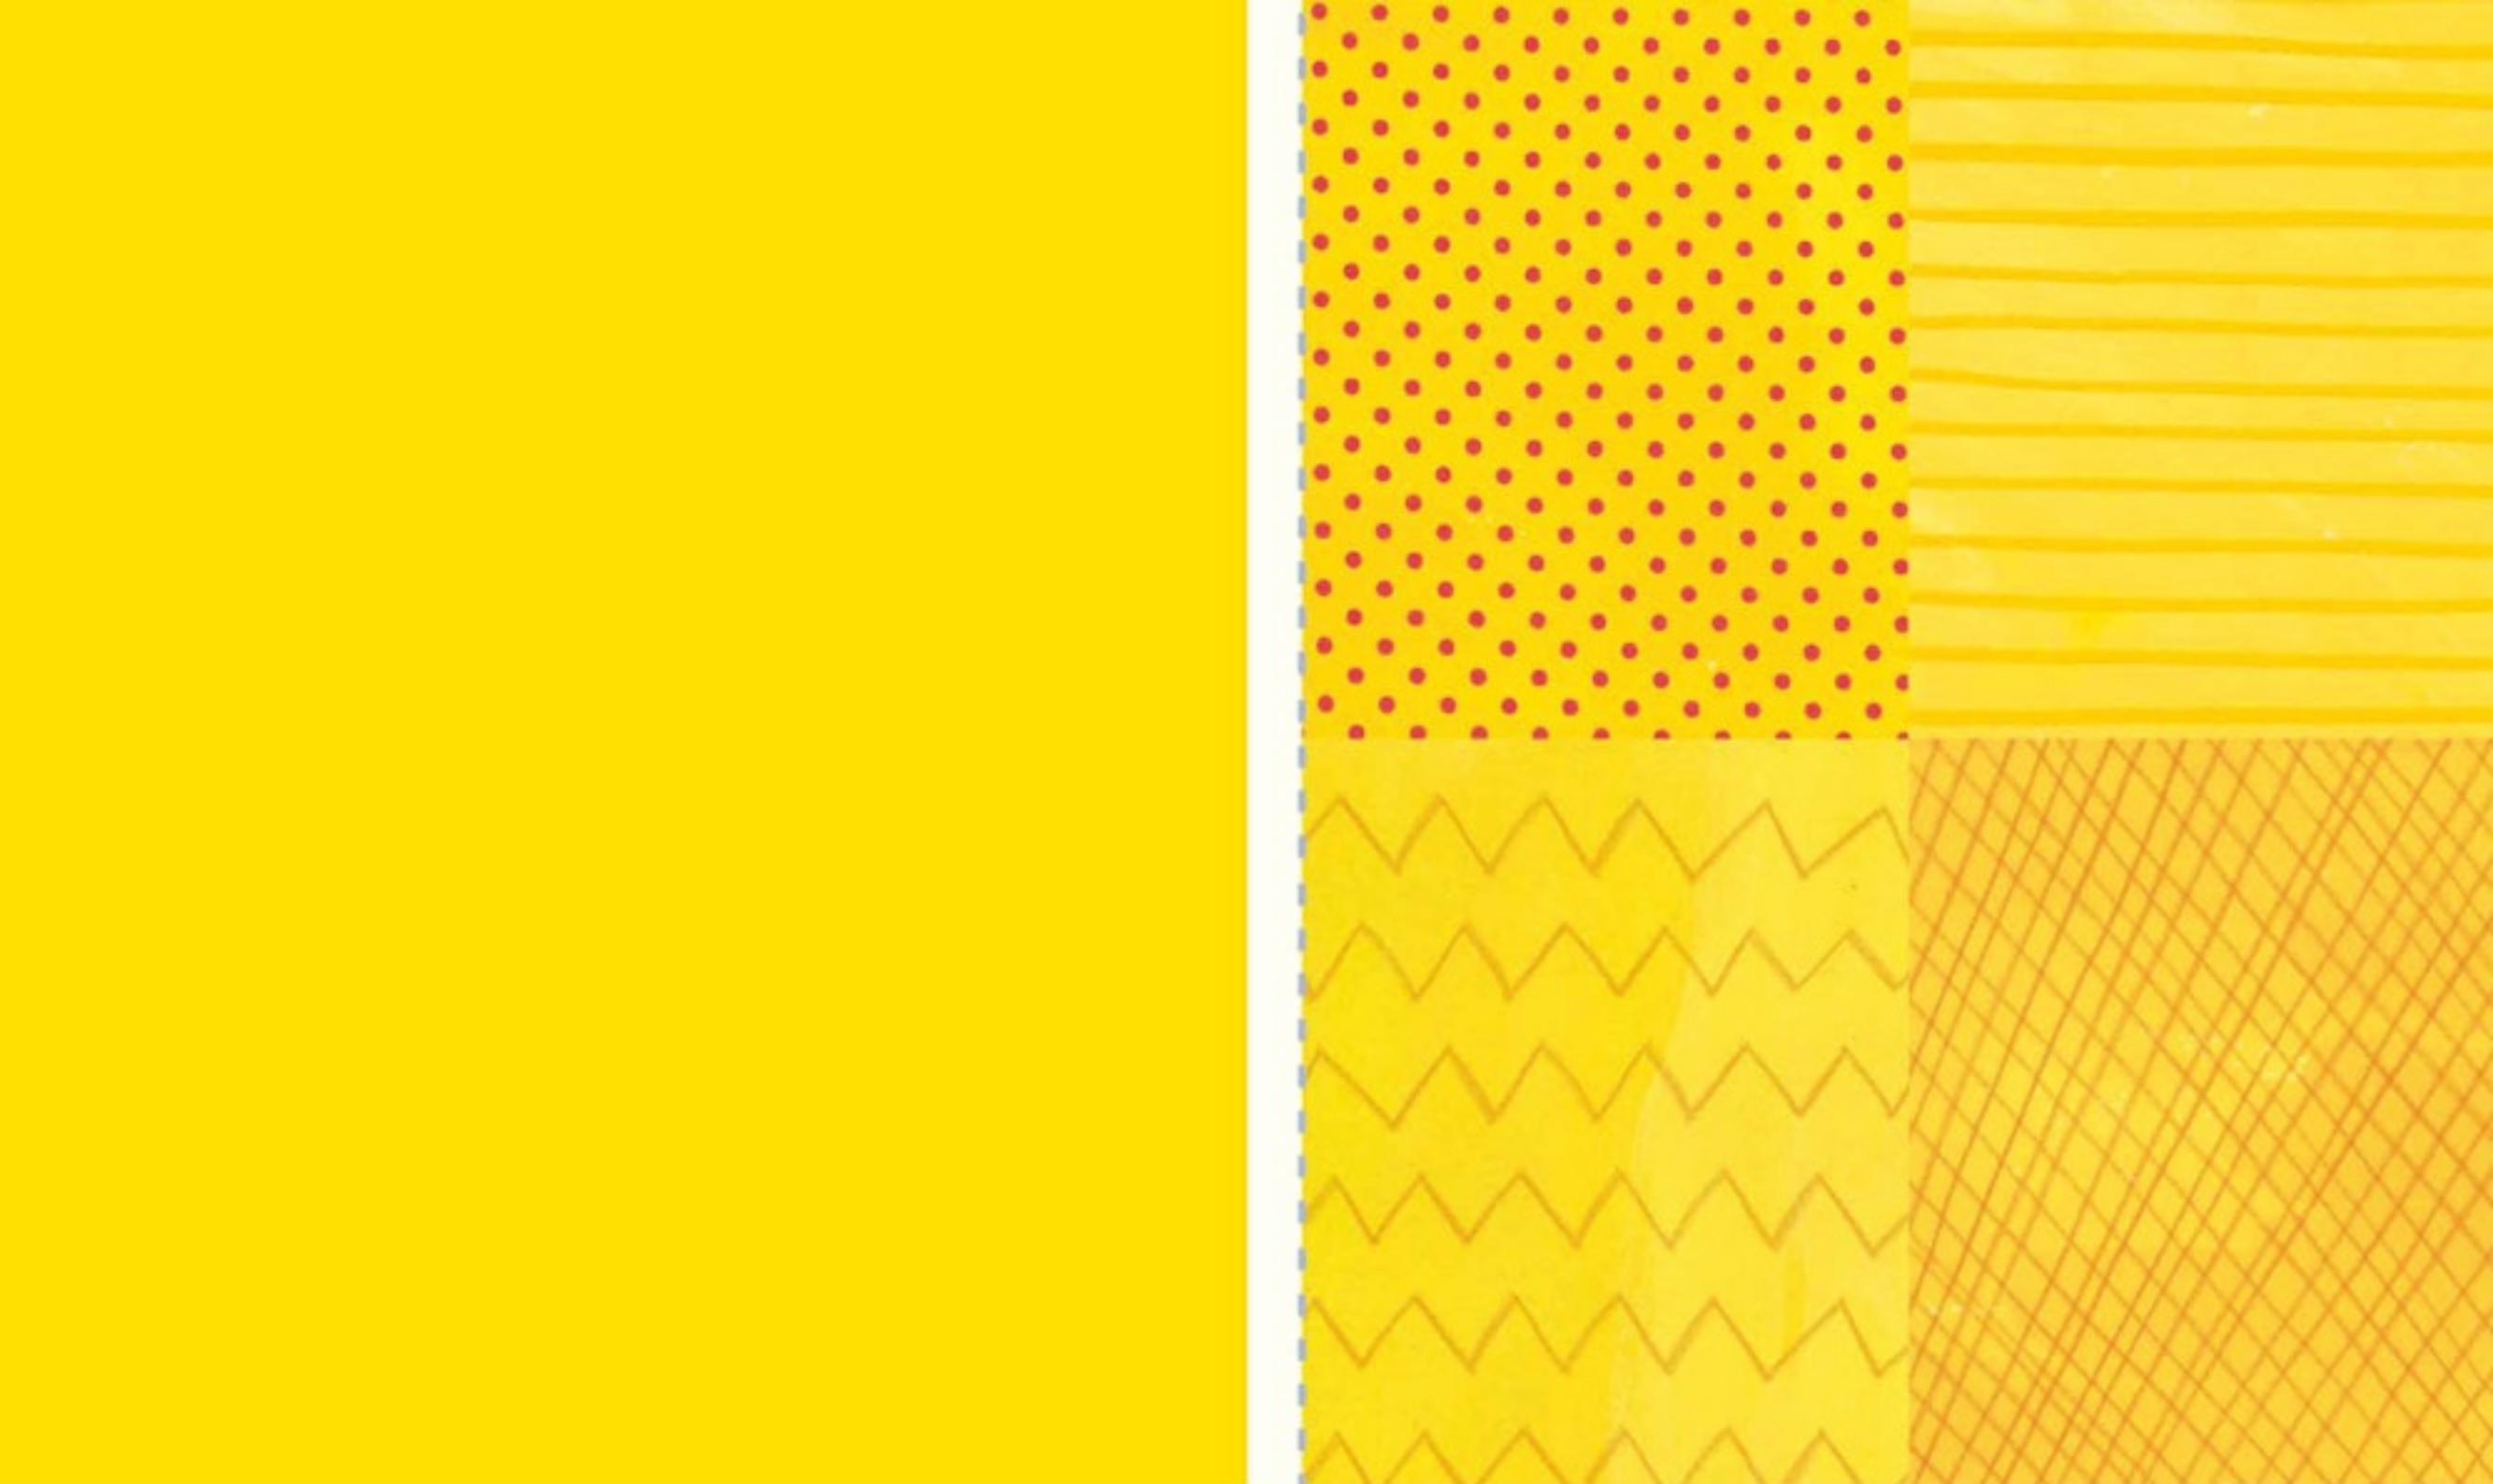

Finally, we find treasures in a big seashell!! Yay!
Create the treasures and complete this adventure!
