YETIS DON'T EXIST

Everywhere around the world,
the news could not be missed.

“...OH NO!
WE DON'T

EXIST?!

WELL, NO ONE HERE TOLD ME!”

Poor Iggy felt his yeti face...

and twitched his yeti toes.

Then burped the most

**HUMONGOUS
STINK,**

straight up his yeti nose.

"EURGH, YUCK!" roared Iggy.

"That is real!"

I knew it all along.

Of course, we yetis **DO** exist..."

... Let's show them that they're **WRONG!**"

"We're going on a **HUMAN** search –
they can't be hard to find.
It only takes a friendly chat
to change a person's mind."

The yetis **STOMPED** down snowy slopes,

and **STAMPED** past frosty trees.

But all they found was one small sledge,
a snowman and some skis.

"Let's go," said Iggy. "Don't give up!
The humans must be near!"

A friendly chat is all we need
to show them that we're here!"

The Yetis **COMBED** the forests...

CLIMBED each snowy, rocky ridge.

They even **SEARCHED** the river

from the creaky, crooked bridge.

MUST be somewhere that we've missed. "There keep looking!" Iggy said.

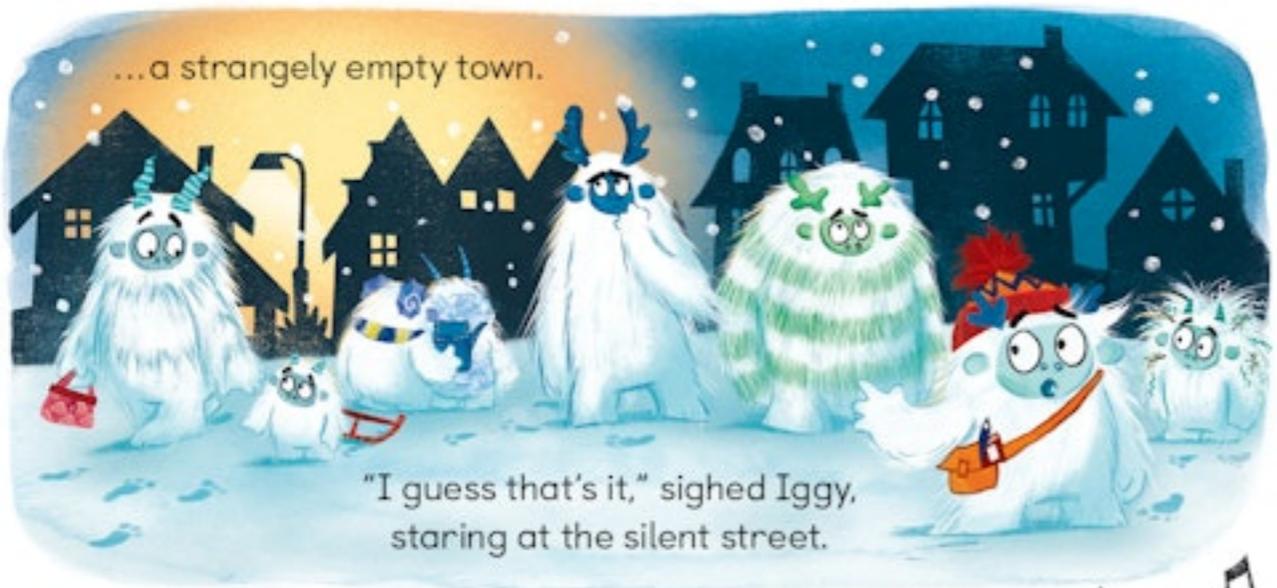

"The humans need to know we're real - let's try the path ahead."

The yetis plodded onwards
as the winter sun went down,

when gleaming streetlights helped them find...

A group of colorful yetis (white, blue, green, and red) are gathered in a snowy town at night. The houses in the background are dark with some windows lit. Snow is falling. One yeti in the foreground is looking towards the others.

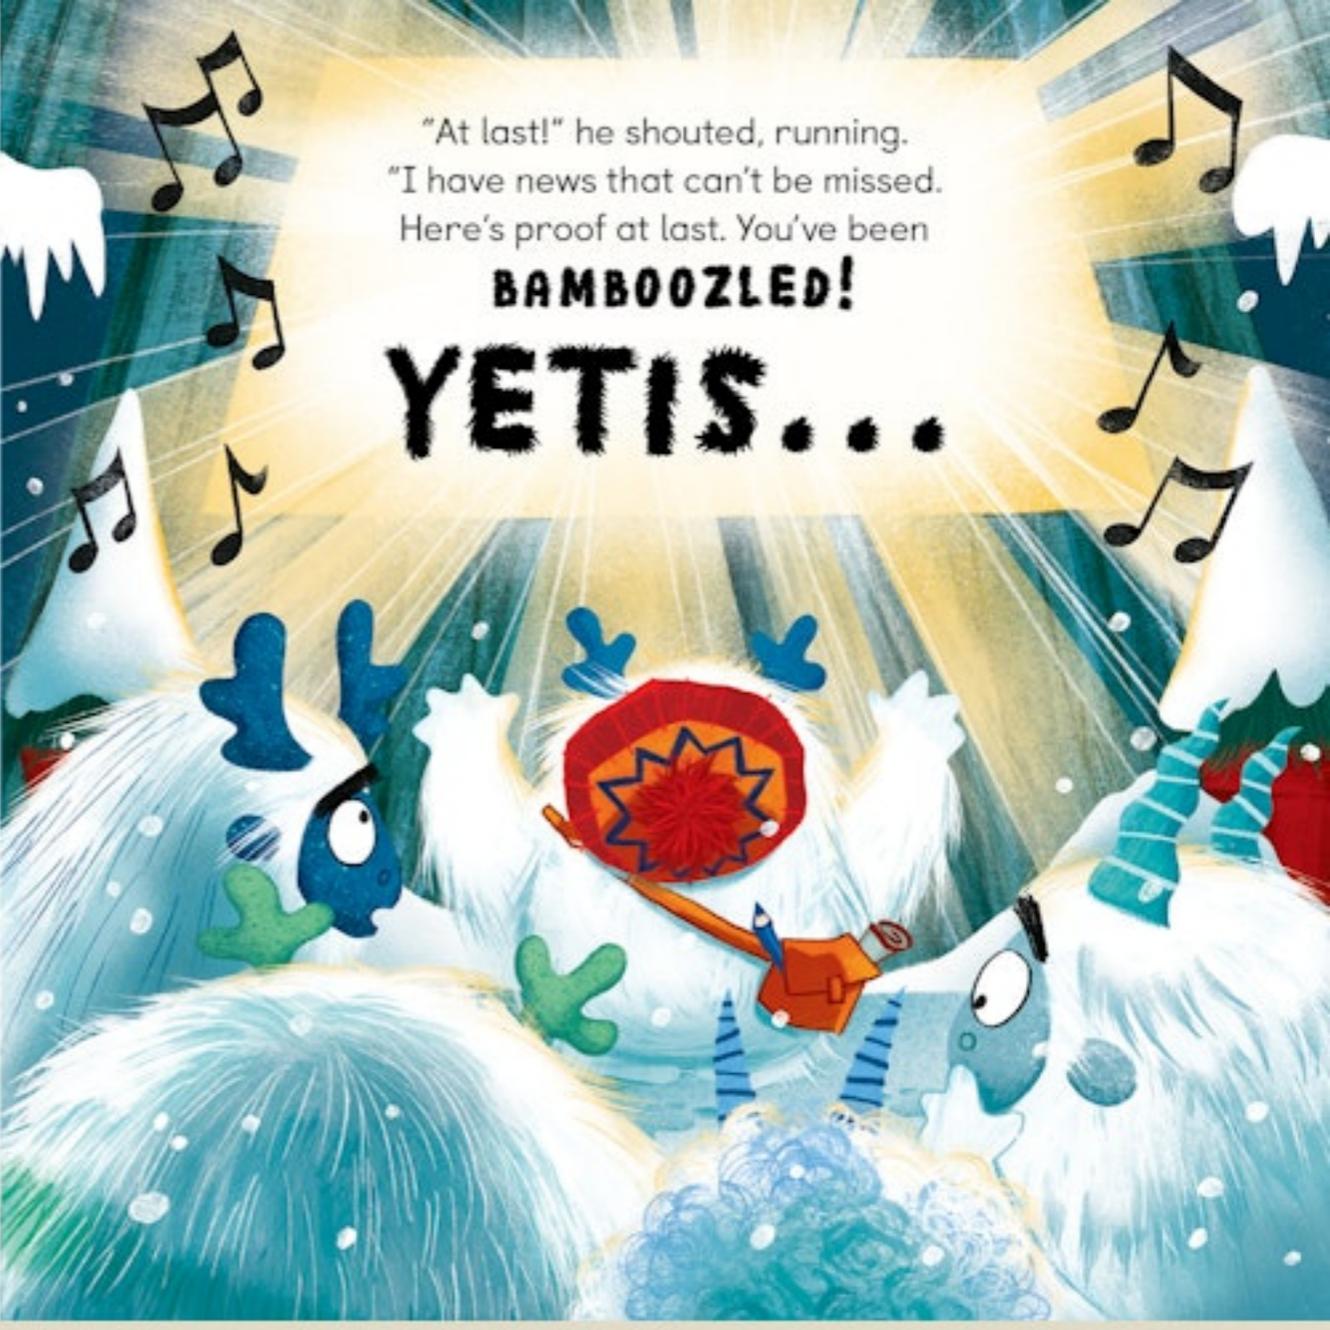

...a strangely empty town.

"I guess that's it," sighed Iggy, staring at the silent street.

A yeti with a red hat and orange sash is running through a snowy town at night. Other yetis are watching from the background. Musical notes are floating in the air. The scene is brightly lit from above.

But suddenly from up ahead, there came a

BOOMING beat...

A yeti with a red hat and orange sash is running through a snowy town at night. Other yetis are watching from the background. Musical notes are floating in the air. The scene is brightly lit from above.

"At last!" he shouted, running.
"I have news that can't be missed.
Here's proof at last. You've been

BAMBOOZLED!

YETIS...

...DO EXIST!"

25TH ANNUAL DANCE-LIKE-A-YETI DISCO!

As Iggy watched the **YETIS** dance,

he laughed,
"I've been so
WRONG!"

It's me who's been
BAMBOOZLED
by these stories all along.

We searched each corner of this land,
there's nowhere that we missed.

This clearly only proves **ONE** thing..."

... THAT
HUMANS

DON'T
EXIST!"
