Introduction

What is kawaii?

The word kawaii means 'cute' in the Japanese language but a Japanese art style has evolved which is also known as 'kawaii'. This style emphasises the 'cuteness' of the characters and objects it depicts.

This book shows you how to master drawing your own 'kawaii' food pictures. It includes tips and general information before you start and then a series of step-by-step projects for you to follow.

Materials

Pencil

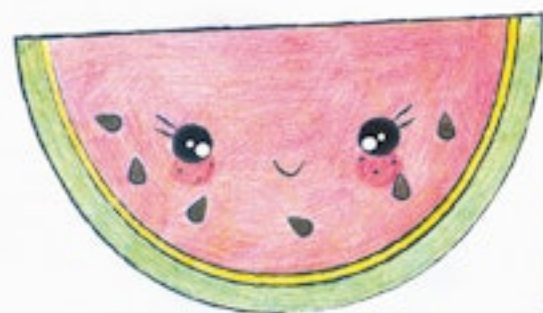

Drawing with an HB pencil makes it easier to erase any unwanted lines.

Materials

The ideas in this book can be used in different ways and with different materials. Here are some suggestions.

coloured paper

Try drawing kawaii food on coloured paper!

coloured pencils

Coloured pencils are ideal for shading. See this watermelon drawing.

Labels

Make your own kawaii labels for your presents.

stickers

Draw onto stickers to make cute drawings for your friends!

ink

Use a small brush to make cute inky paintings!

sketchbook

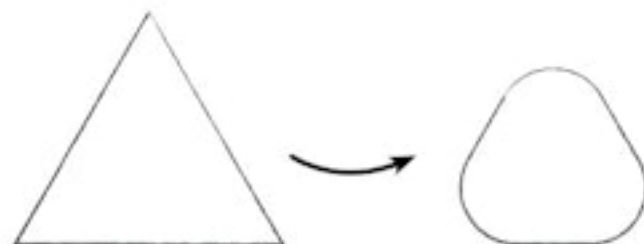

Use a sketchbook so you keep all your drawings together.

Making everything cute

Soften shapes

Rounding off the points of a triangle softens its shape. Try softening the edges of shapes when drawing your kawaii characters.

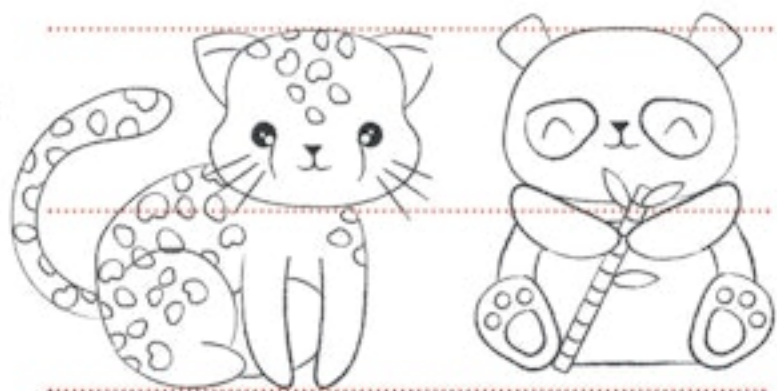

Simplify drawings

Make your drawing cuter by simplifying it down to its key features. This way you can make almost anything cute!

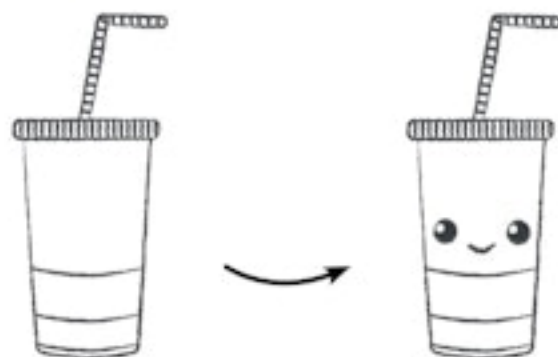

Proportions

The kawaii body should be proportioned as shown. A large head, with a short body and short legs.

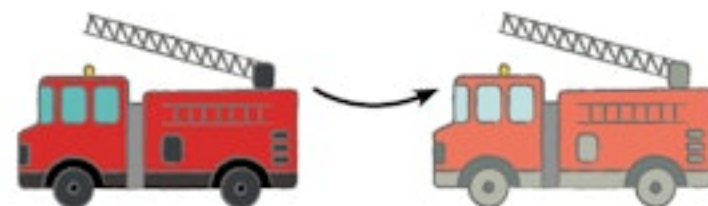

Add a cute face

You can make almost anything cute by drawing an appealing cartoon face on it.

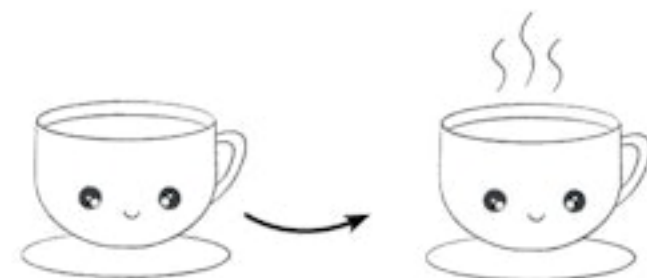

Colours to soften

Pastel colours are cuter. Try using soft pastel colours to make your characters cuter.

Motion lines

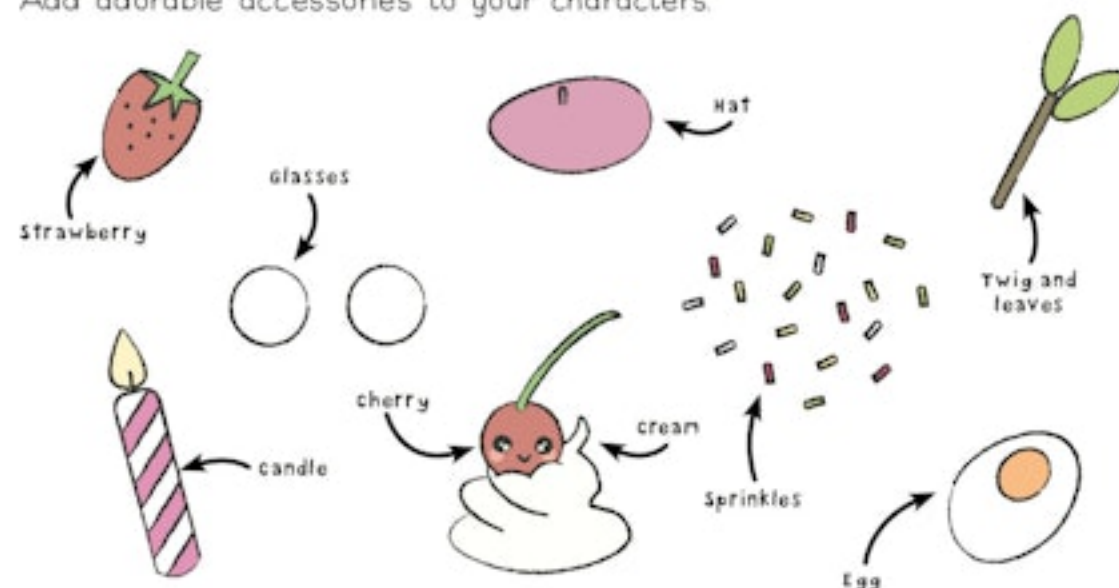

Adding motion lines in this way is a simple and effective way to convey movement in a drawing.

Adding extras

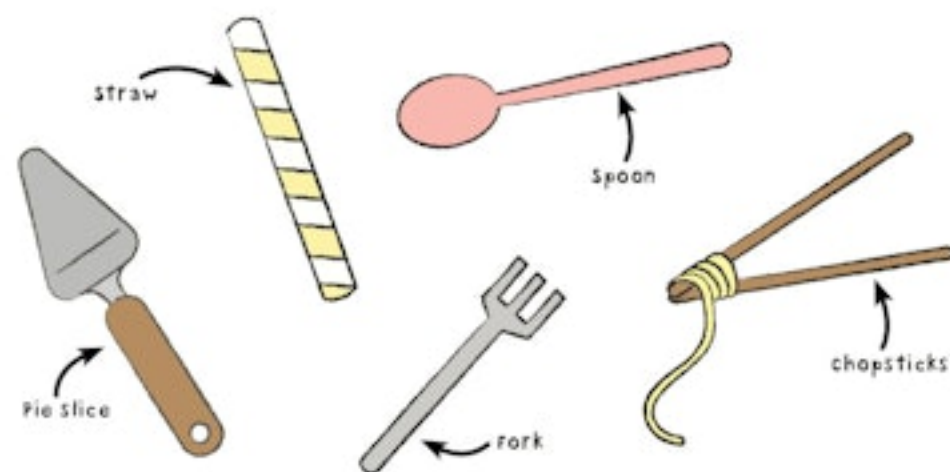

cute accessories

Add adorable accessories to your characters.

cute utensils

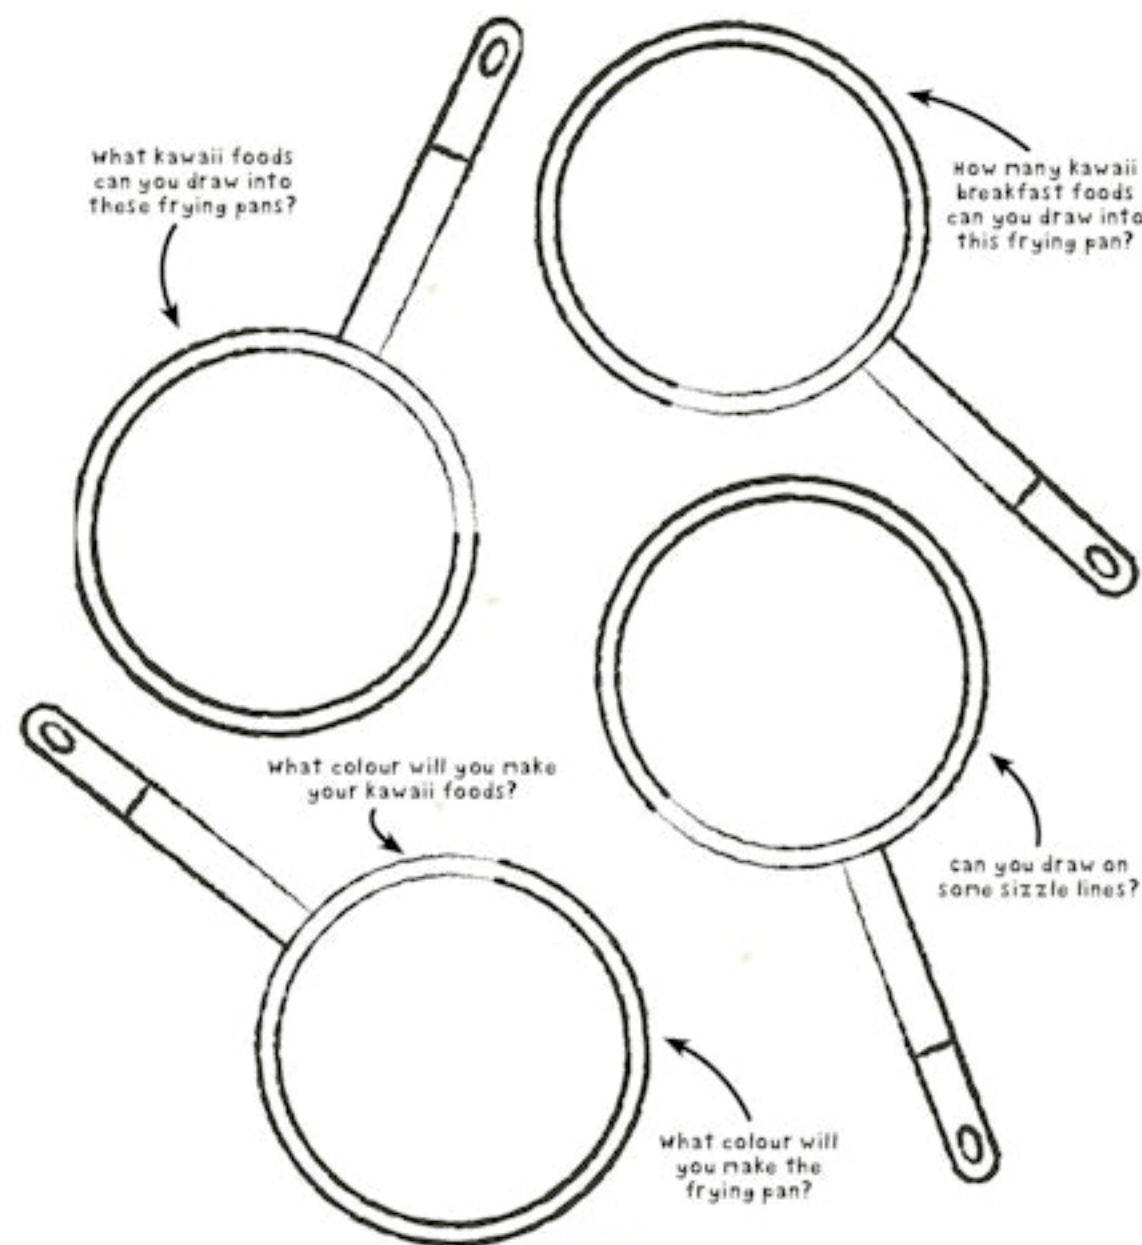

Don't forget that utensils help to bring a character to life!

drawing practice

Foods have all manner of distinguishing features.

You'll need to get to know them all in order to draw them.

Expressions

changing your character's expression adds personality.

Happy

Draw smiley
'n'-shaped eyes.

Sad

Draw downturned
mouth and eyebrows.

Angry

Draw scrunched eyes.

confused

Draw one eyebrow
raised.

Scared

Raise both eyebrows.

Excited

Draw a wider mouth.

Silly

Draw in a floppy
tongue.

Tired

Draw sleepy eyes.

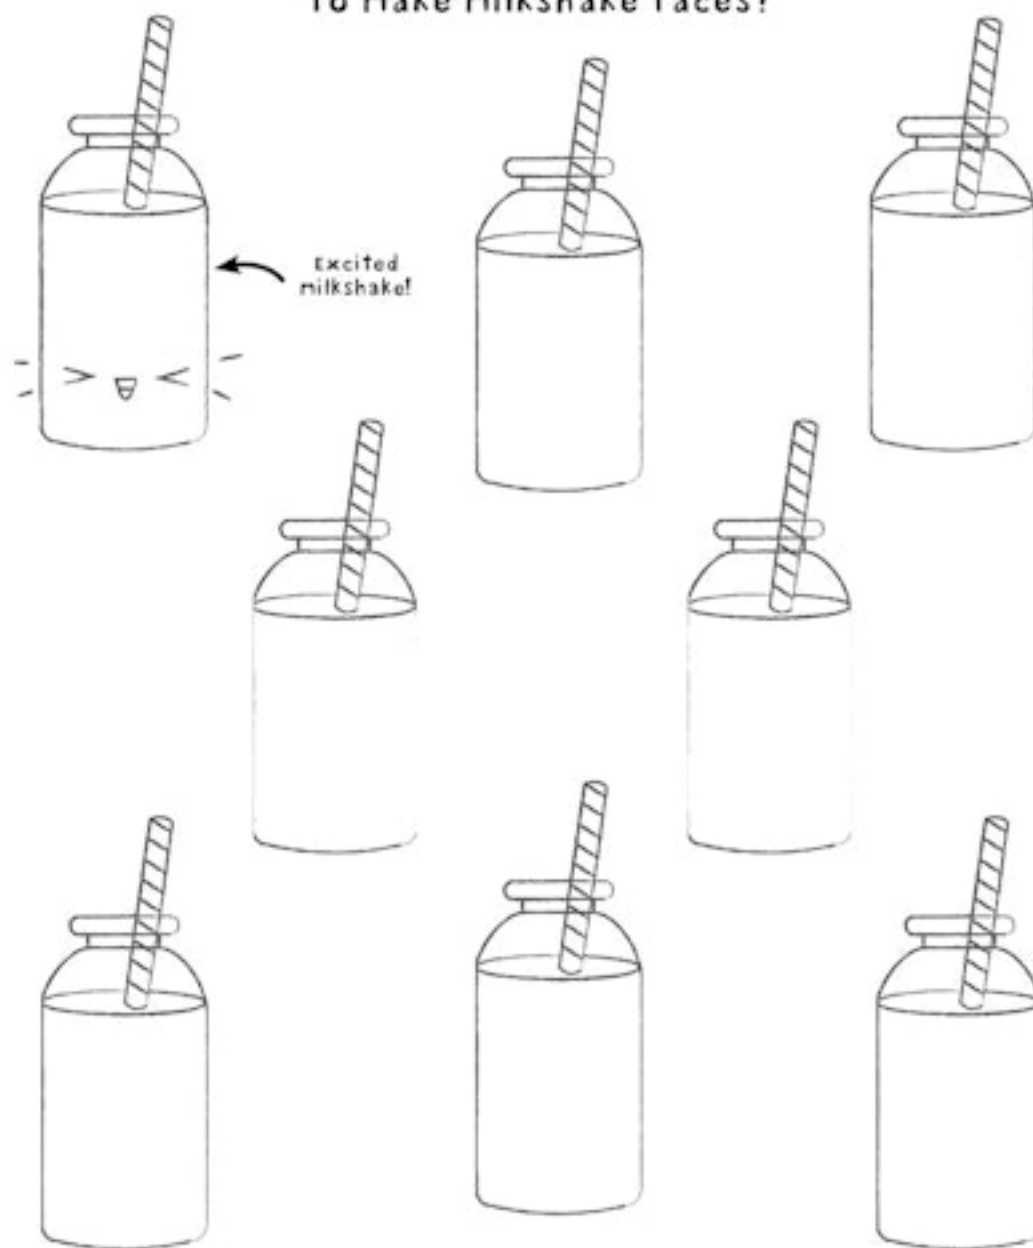

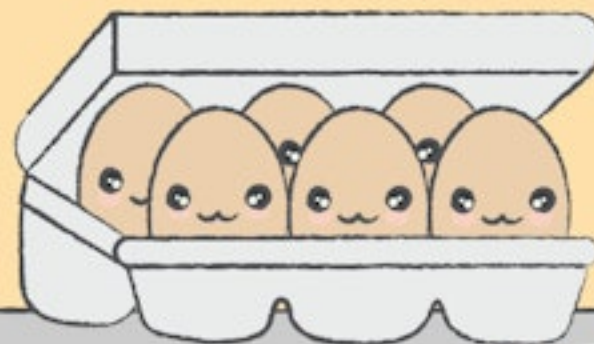

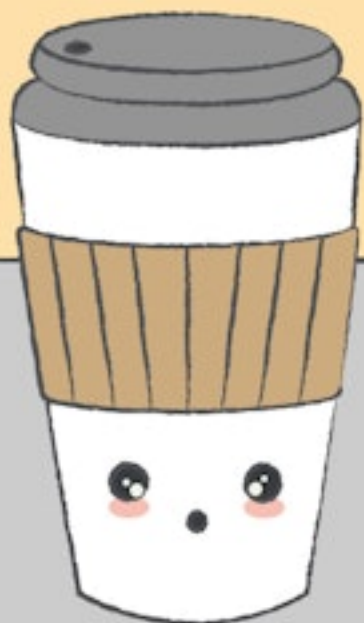

Embarrassed

Draw a pursed mouth.

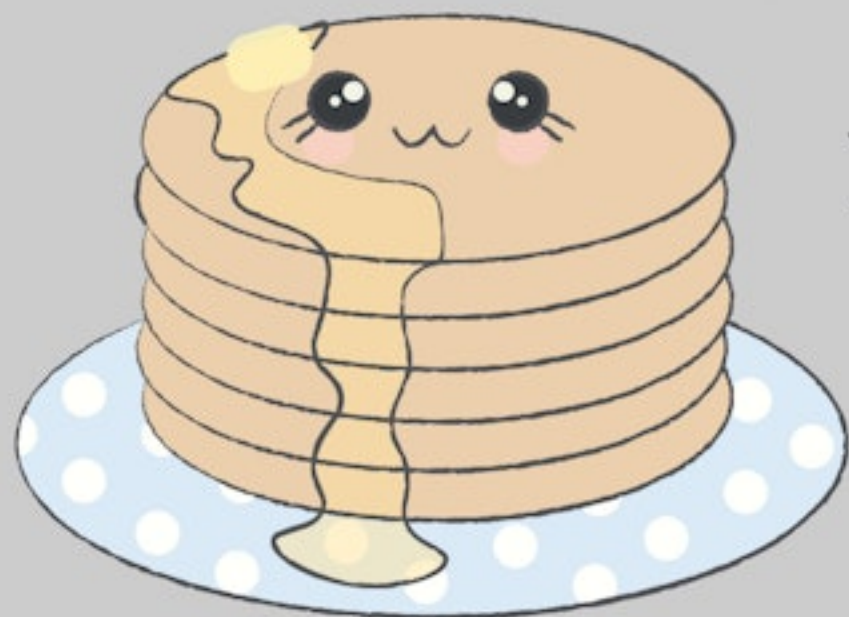

Practising expressions

Why not try adding some of these expressions
to make milkshake faces?
