Mel Matthews

A large, friendly-looking blue dolphin is jumping out of the water. It has a wide, open mouth showing a red tongue and large, white eyes. A large, white, cloud-like speech bubble is coming from its mouth. The background is a soft pink sky with stylized white clouds. The water is depicted with green and blue waves.

**I'm a dolphin. My baby
has two flippers and loves
to twirl in the water.
Can you find her?**

A small, blue dolphin calf is swimming in the water. It is shown in profile, facing right, with its fins visible. The calf is enclosed within a rounded rectangular frame. The background inside the frame is pink, and the water at the bottom is green and blue.

**I'm a
calf.**

**I'm a fish. My babies
have shiny scales and are
excellent swimmers.
Can you find them?**

I'm an **octopus**.
My baby has eight arms
and a soft, squishy body.
Can you find him?

I'm a
larva.

A large brown seal is swimming in blue water. It has a friendly expression with large white eyes and a small black nose. Its flippers are visible. In the background, there are white icebergs. A smaller seal pup is shown in a separate frame below the main seal.

I'm a **seal**. My baby
has a fluffy white coat
and a black nose.
Can you find him?

A small, fluffy white seal pup is sitting on a piece of white ice. It has large black eyes and a small black nose. The background is blue water.

I'm a
seal pup.

**I'm a crab. My baby has
two snappy claws and eight
legs to scuttle around on.
Can you find him?**

**I'm a
juvenile
crab.**
