Five Little Pumpkins

Lily Murray ✨ Holly Surplice

COVER NOT
FINAL

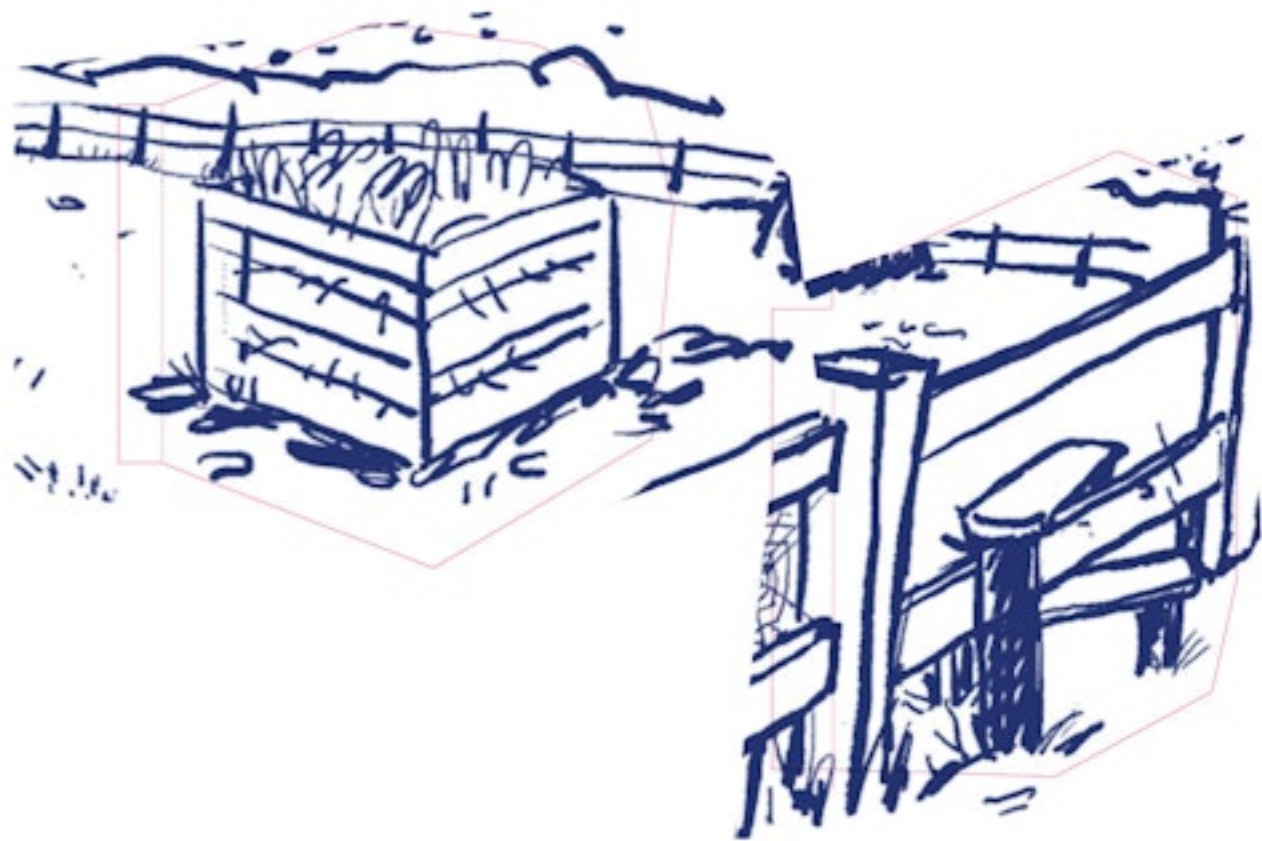

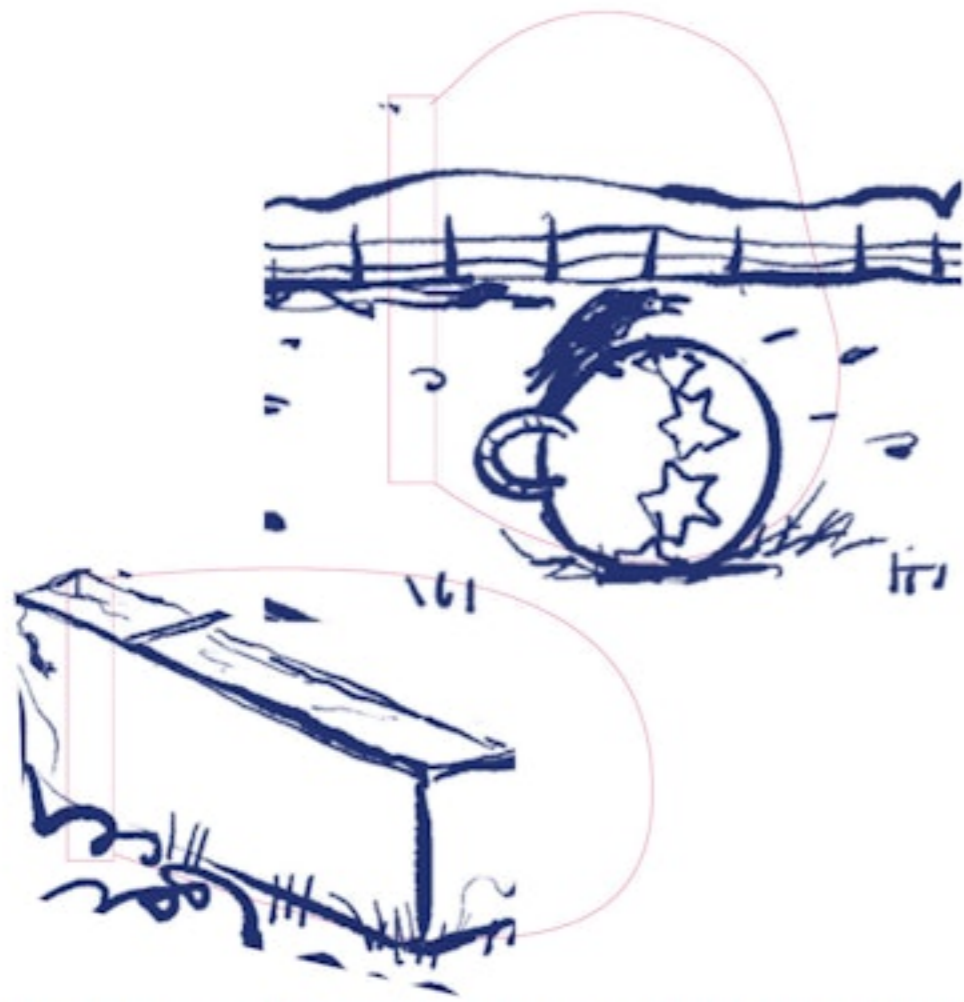

FIVE little pumpkins
rolled off one night.
Across the farm,
causing quite a fright.

The Old Owl said,,
"Come back to me!"
How many pumpkins
can you see?

The Old Owl said,,
"Come back to me!"
How many pumpkins
can you see?

Can you see
a pumpkin
squeezing
under the
stile?

The pumpkin has
made the crow
shreik!

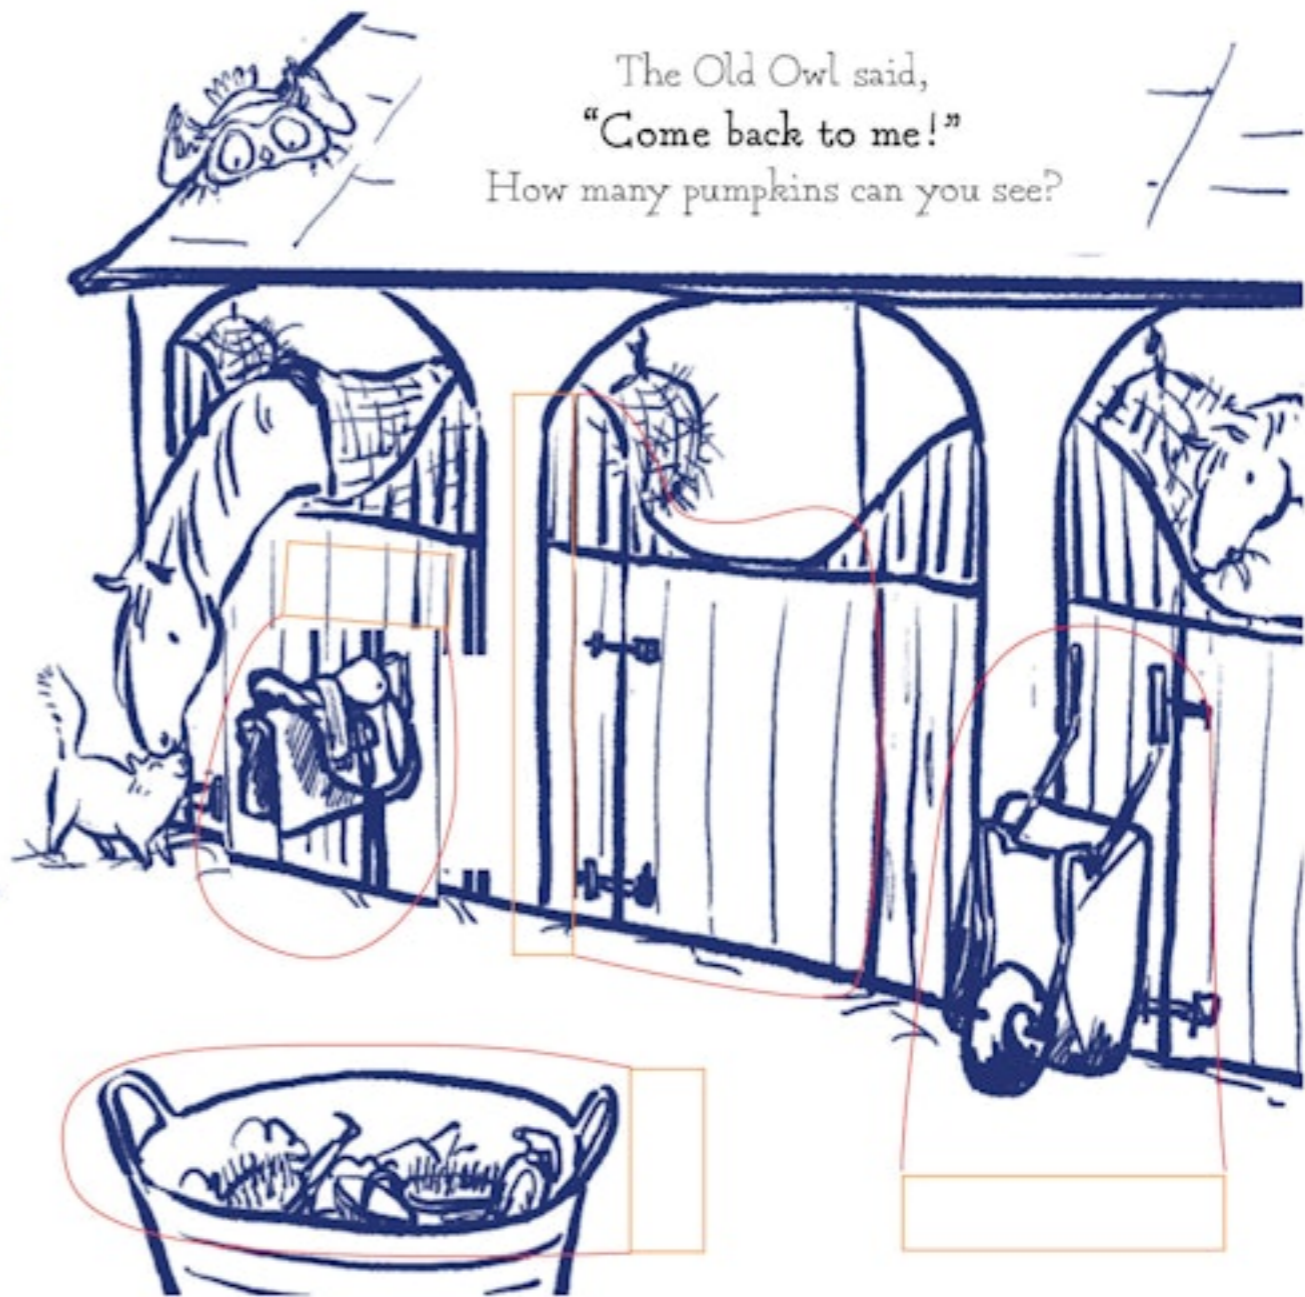

Look!
Who's hiding
behind a
creaking tree?

All that rolling is
thirsty work.

FOUR little pumpkins
bounced off one night.
Across a farm,
causing quite a fright.

A cheeky
pumpkin is
hiding in
the rusty

You've found
a pumpkin
all cosy and
warm.

You have spun
a beautiful
home Mamma
Spider.

Hooray! Another
pumpkin!
