## Puzzle 3 ARIEL'S SUDOKU SECRET

Fill in the grid so that each row, column and 2x2 box contains the numbers 1, 2, 3 and 4 once only. The highlighted number reveals how many friends Ariel is going on holiday with!

## Puzzle 4 TOULOUSE IN TIME?

It's getting late and Madame Bonfamille wants to get Toulouse and his siblings home in time for tea and a painting session after their day out. They are 10 kilometres from home and the carriage travels at 20 kilometres per hour. It is 5:40, will they get home in time for tea at 6?

Use this space if you need to work it out on paper.

## Puzzle 5 ABUELA'S HOUSE INSPECTION

Abuela Alma needs to step into every room of the Madrigal family house, she wants to make sure everything is clean and tidy before the party can begin. To solve this puzzle you must start at square 1 of the grid and make your way to square 16. You can jump over squares, but you have to follow the direction of the arrows and you may only go through each square once, so plan your route carefully!

## Puzzle 6 FIND NEMO'S HOME!

Fill in a word on each rung of this word ladder to take Nemo from LOST to HOME.

To solve this puzzle, you can only change one letter at a time, and each rung must contain a proper word.

- Official Marvel product.

# Marvel Museum (Mini Edition)

## COSMIC RAYS!

# JACK KIRBY

If there is a signature look that defined Marvel comics in the 1960s, it comes from Jack Kirby. While other artists made huge contributions to Marvel, there is only one creator who was given the nickname "King".

Jack Kirby was five years older than Stan Lee, and like Stan he was a New Yorker born to Jewish parents. Born Jacob Kurtzberg, he never took any formal art lessons, taking inspiration from any comic strips that he could find. He worked on newspaper comic strips, and after a brief stint in animation moved to monthly comics. Jacob Kurtzberg dabbled with a few pen names such as Curt Davis, Ted Grey and Lance Kirby before eventually arriving at Jack Kirby. Jack joined Timely Comics in 1940, where he created Captain America with Joe Simon, which became one of the decade's biggest hits.

Jack met Roz Goldstein in 1941. They married in 1942 but, a year later Jack was drafted into the army. During World War II Jack served in the Infantry, and because of his art skills he was often sent as a scout behind enemy lines to draw maps and enemy positions. He used what he saw in the war in his comics, and that is perhaps part of the reason that his action scenes are so realistic, but also feel so dangerous.

After the war Jack worked for a number of different comic book companies, partnering with Joe Simon in different genres. Jack worked on *Young Romance* for Prize Comics, a comic which promised "all true love stories" on the cover – this was the first romance comic and is often credited with creating a whole new genre. He eventually returned to working for Timely (which was now Atlas Comics), working on supernatural and science fiction; his speciality was stories where giant monsters attacked helpless cities.

Jack's incredible work ethic and levels of productivity meant that he

was a legend in the comics industry. He would work for 12 to 14 hours a day in his house in Long Island, producing four to five pages of exciting and dynamic comic artwork every day, while some artists struggled to complete one. Kirby's prolific page rate meant that he could pencil several comics every month, giving the early Marvel comics' line a style of its own.

Marvel wouldn't be Marvel without Jack Kirby. He created so much of the look, the feel and the emotion of early Marvel heroes that it is impossible to imagine the current age of super heroes without him. Kirby's heroes are natural and completely stylised at the same time – they are gods with human problems.

- Perfect for young readers to find out all about their favourite star.
- Sabrina Carpenter is a number 1 bestselling artist with a social media following of over 42 million.

# Ultimate Superstars: Sabrina Carpenter

## CHAPTER 1

### SWIFTIE TO BESTIE

Sabrina had just received one of the most important calls of her career.

"Taylor wants me to open for her!" Her eyes were wide with disbelief. When she was a little girl she put posters of Miley Cyrus, Ariana Grande, Selena Gomez and Taylor Swift on her bedroom walls. Now Taylor wanted Sabrina to join her on the *Eras Tour*. "Just wait until I tell the fans!" But for now, it was top secret.

Sabrina was so excited. It felt like yesterday that she was sat in her bedroom with only her guitar, painstakingly learning the chords to Taylor's 'Picture to Burn'. One time her dad peeked in and asked her what she was doing.

SABRINA CARPENTER

"I'm practising for when I'm famous," she said with a grin. She was only ten, but she knew what she wanted even then.

Fourteen years later, that dream was a reality – although it did feel surreal. Sabrina was no longer a girl with posters; she was living alongside her idols, one of whom had become a friend and another who she had performed alongside: Ariana. By May 2023, rumours about Sabrina and Taylor's friendship were swirling, fuelled by photos and social media interactions. Then came Sabrina's trip to Philadelphia for Taylor's concert.

What a night that was. The show was everything Sabrina had imagined and more. Sitting with her sister Sarah in the packed stadium, she found herself singing along to every word and laughing when Taylor joked about her cats. The choreography and emotional storytelling made her jaw drop.

"She makes it look effortless," Sabrina whispered. Sarah nudged her. "You're next, you know." Sabrina rolled her eyes. "Yeah, right."

"Just wait," Sarah replied, with a knowing smile.

LIZ GOGGERLY

On 2 June 2023, Sabrina posted an announcement on Instagram that sent her fans into a frenzy. It read:

*trying to process this but also i chose CANT WAIT TO JOIN THE ERAS TOUR IN LATIN AMERICA thank u @taylorswift u the 1 :') this is a dream come true*

Within hours, the internet was exploding with excitement. Fans reported the announcement and the comments section lit up with messages like:

*This is your spot... Show girl!*

Sabrina had every intention of shining. She went straight into rehearsal; there was no time to chill after the spill!

"This is huge," Sabrina FaceTimed Sarah. "I've got to get it right."

"You will," Sarah assured her. She always had Sabrina's back.

"This is my big break. I have got this!" The first show where Sabrina opened for Taylor

SABRINA CARPENTER

was in Mexico City on 24 August 2023. Standing backstage, she had that familiar feeling – sick to the pit of her stomach with nerves! The arena was packed with Swifties, but *hopefully there are a few Carpenters out there too*, Sabrina thought to herself and crossed her fingers behind her back. She adjusted her microphone pack and glanced in the mirror. She felt sexy in her platform boots and black sequin outfit.

"You have got this, Sabrina Carpenter," she repeated to herself, flicking her hair back with all the self-assurance of a seasoned star!

As the lights dimmed, Sabrina heard her name being announced. The crowd erupted – Sabrina had a big following in Mexico City. She beamed, she needed to hear the cheers. It drove her on. She stepped onto the stage, launching into 'Feather', the song which had hit number one on the US Billboard Pop Songs chart earlier that year. When Sabrina saw the audience joining in and dancing, she knew she had them – that's when she went into overdrive.

"Don't forget Selena," Sabrina told the crowd as she began singing 'Dreaming of You' by American Tejano singer Selena Quintanilla-Perez. The Tex-Mex singer

LIZ GOGGERLY

had passed away in 1995, and the Mexican crowd appreciated Sabrina's nod to the star. There were tears and huge cheers as Sabrina hit the final note. She looked across the auditorium and felt the love, the connection and the magic.

By the time Sabrina got to 'Nonsense', the audience was completely in sync with her energy, laughing at her funny ad-libs and singing along to the chorus.

"I love you guys," she told them warmly, her eyes sparkling with mischievous excitement, as she said her farewells after singing an encore.

"Wow, that was the performance of my life!" Sabrina told Taylor later that night.

"Oh girl," Taylor said, giving Sabrina a gentle nudge. "The best is yet to come for you!"

The *Eras Tour* took Sabrina to thirteen shows in Latin America, followed by six in Australia and another six in Singapore. Each night was a new adventure and Sabrina adapted her performances to the unique energy of each audience. In Brazil, she was overwhelmed by the party atmosphere kicked up by the fans, who sang every word of her songs with passion.

SABRINA CARPENTER

"It's like they're performing for me," she joked backstage.

Tour life wasn't without its challenges. Sabrina's hit 'Nonsense', known for its cheeky and sometimes risqué lyrics, required a little tweaking for family-friendly crowds.

"I had to tone it down a little tonight," she admitted to the crew in Singapore. "But I still kept it fun!"

Sitting in her hotel room after a show, Sabrina scrolled through fan videos of her performances. One caption really caught her eye:

*Sabrina Carpenter: The Taylor Swift of her generation.*

Sabrina smiled, her eyes misting over with emotion. It was a bold comparison, a HUGE compliment, and it spoke to how far she'd come. She felt proud.

"The best is yet to come, huh?" Sabrina thought, curling up in the super king size bed. Every muscle in her body ached after the performance. And man her feet were on fire after dancing in those boots! But, she didn't care, she was doing the thing she loved best in

LIZ GOGGERLY

the world. It felt like she was on course to something bigger than she ever dreamed possible. Her head was swirling with happy thoughts as she fell into a deep, deep sleep – with a cheeky grin on her face.
