How To Draw Fantasy Art

Drawing materials

Try using different types of drawing papers and materials. Experiment with charcoal, wax crayons and pastels. All pens, from felt-tips to ballpoints, will make interesting marks - or try drawing with pen and ink on wet paper.

Pencils are over used these charcoal, and come in a wide range of colours. Add an adult to your pencil drawing with charcoal to prevent smudging.

Use your creative special effects by creating every part of a drawing from with wax crayons.

Character proportions

This page shows some of the more popular fantasy figures and their proportions compared to a normal human figure. On average, the length of a human head should fit eight times into its body length. When you draw a fantasy figure anything goes - so let your imagination go wild.

Man beasts

Combining a human figure with an animal's head can create a great hybrid monster. You can get inspiration by drawing from life models. Photos from sports movies and figure reference manuals are a good source too. Why not try putting a snake or lizard's head on a human body - see what you can create!

Amazon warrior

This powerful female figure is a classic action fantasy character. She must look strong and powerful but retain her femininity and beauty.

Sketch cylinder shapes for each arm which join at the elbow.

Draw in ovals for the head, neck, body and hips.
