No Worries! Mindful Kids

COLOUR THIS IN WITH POSITIVE COLOURS

I
AM
IMPORTANT

COLOUR YOUR FEELINGS

Do you think feelings have their own colours? Colour in each of these feeling words with the colour that you think suits them best.

ANGER Happy
Sad FEAR
Laughter WORRY

YOGA POSE

Try these poses before bedtime or when you want to feel calm.

TREE POSE
Place your feet on your ankles or above your knee and balance. Then change to your other leg.

SAI "I AM BALANCED"

BUTTERFLY POSE
Sit on the ground, press your feet together, and roll your shoulders back.

SAI "I AM SAFE"

LADYBIRD POSE
Bend your knees, roll your shoulders back, and press your hands together.

SAI "I AM HAPPY"

CHILD'S POSE

Bend your legs, fill your body on to your thighs and either rest your arms by your sides or extend them in front of you, whichever feels more comfortable.

SAI "I AM AT REST"

CAT POSE

Breathe in and look up, lifting your back drop down. Breathe out and tuck in your chin, lifting your back in a high arch.

SAI "I AM AT EASE"

SLEEP POSE

Lie on your back and take slow breaths. Close your eyes if you want. Try to empty yourself of thoughts. If your mind wanders away, notice where it goes, then bring your attention back to your breathing.

SAI "I AM AT HOME"

COLOUR THIS IN

EVERY
PROBLEM
HAS AN
ANSWER

YOUR SAFE PLACE

Draw or stick a picture of somewhere you feel completely safe and happy.

Your safe place could be somewhere you've seen or been to, heard about, read about or dreamt about. A special, safe place where everything feels peaceful, joyful and wonderful.

COLOUR THIS IN

I AM
LOVED

TAKE A BREATH!

Try this breathing exercise to help you relax:

STEP 1

Make sure you are sitting comfortably in a quiet and safe place. When you feel ready, close your eyes. Notice your breathing. Think about how it feels breathing in and breathing out. Try to breathe in through your nose and out through your mouth.

STEP 2

Place your hand on your tummy and focus on the feeling of your stomach rising and falling with each breath. When you breathe in, quietly say 'in' to yourself, and when you breathe out, quietly say 'and out' to yourself.

STEP 3

Concentrate on nothing but your breathing and try to let go of any other thoughts you may have.

When you've had lots of practice at the breathing exercise, see if you can think about a happy memory at the same time. This way, your happy memory will take up all the space in your brain, and there won't be any room for the worries.

Be Green! Mindful Kids Global Citizen

An activity book for young people who want to save the planet.

- An extension to the popular *Mindful Kids* series which includes *Hello Happy*, *No Worries*, *Stay Strong* and *Be Brave*.
- Illustrated by Katie Abey.
- Taps into trend of global citizenship, helping environmentally conscious kids to become more aware of their impact on planet Earth.
- Includes an introduction and notes for grown-ups so parents and carers can support children as they work through the book.

Be Green! Mindful Kids Global Citizen

BUY NOTHING DAY

You watch do you consume and throw away in a single day? The answer probably varies on different days of the week and at different times of the year. In quality part of the world, we make waste and pollution a problem. Talk a day and ask everyone in your household to agree to make it a buy nothing day.

Set down with your family and make a list of all the things you buy in a normal week. It could include everything from your food to magazines, clothes and gifts.

At the end of the day, make a list of the money you saved. How much less did you spend than last week?

Now consider the future. How could you buy less and waste less in your everyday life?

WHY DO YOU THINK PEOPLE BUY SO MUCH STUFF?

DO YOU THINK THEY NEED EVERYTHING THAT THEY BUY WHY?

THINK POSITIVE

When it comes to creating a greener, cleaner world there is a lot to do, but lots of good things are also happening every single day, right across the globe. Fill in a sticky note every time you find out about something positive. Being happy to help the environment. It could be locally or in a wider world.

Write one sticky note.

What's the natural news? Talk to your friends? Check out local community initiatives?

PROJECT PROTECT

Many animal species being today are endangered and some have already become extinct. Name some and their actions that animals face today.

As we spread out across more and more of the planet, we destroy natural habitats, making it very difficult for some species to survive.

Do your bit to find out about animal conservation! Pick an endangered species that you care about, then find out about it either online or at the library. Now write about it on these project pages.

THE TYPE OF ANIMAL I WANT TO PROTECT IS:

DRAW A PICTURE OF IT HERE:

DRAW AN ARROW TO SHOW WHERE THIS ANIMAL LIVES:

Reasons why this animal is endangered:

Other things that I can do to help:

This animal is amazing because:

I CAN SEE A RAINBOW

MAKE A BEAUTIFUL RAINBOW OUT OF OLD MAGAZINES

1 Tear up the pages of a glossy magazine or come back with small scraps of paper.

2 Sort the scraps into coloured piles.

3 Fold some glue, then stick the main mosaic pieces onto the rainbow arch.

PAPER IS SIMPLE AND EASY TO RECYCLE. INSTEAD OF THROWING YOUR COMICS AND MAGAZINES AWAY, CONSIDER:

Using them to cover your schoolbooks

Creating party, multicultural, birthday

Flashing them into card to make gift tags

Cutting out headlines letters and creating cool slogan posters

OUR FRIEND, THE EARTH

The Earth gives us a home to live in, food to eat, medicine to heal us, water to drink, air to breathe, and energy to run our machines, towns and cities. It is more important than ever to treasure and protect it.

Colour in our amazing planet

WHAT IS THE ENVIRONMENT?

When we talk about the environment, we mean everything in the world around us. This includes the air, water, plants, animals and food chains.

ONE AND ONLY

The Earth is the only planet in the Solar System with exactly the right conditions for us to survive. It is not too hot, nor too cold, allowing it to support life.

NATURAL HABITATS

The Earth is very diverse. There are mountains and deserts, forests and oceans, ice caps and grasslands. This rich variety provides homes for countless species of plants and animals.

UNDER THREAT

Over the course of many centuries, the Earth's human population has grown. We have had a massive impact on the environment in which we live. We have created pollution on the land, in the skies and in the seas.

CLIMATE CHANGE

One of the biggest consequences of pollution is climate change - the Earth is warming up faster than ever before. Scientists believe that this warming could seriously disrupt the way that our environment works.

ALL CONNECTED

The Earth is finely balanced. The water cycle, weather, plants and animals, and the passing of the seasons, all work in harmony with each other. A small change to any of these can affect others massively.

WE'VE ONLY GOT ONE EARTH. IT'S OUR JOB TO TRY TO PRESERVE THIS UNIQUE ENVIRONMENT. LET'S DO IT TOGETHER!

Be Kind! Mindful Kids Global Citizen

An activity book for young people who care about others.

- An extension to the popular *Mindful Kids* series which includes *Hello Happy*, *No Worries*, *Stay Strong* and *Be Brave*.
- Illustrated by Katie Abey.
- Taps into trend of global citizenship, helping kind and caring kids to become more aware of their place on planet Earth.
- Includes an introduction and notes for grown-ups so parents and carers can support children as they work through the book.

Be Kind! Mindful Kids Global Citizen

BEHAVIOUR BOTHER

When someone says or does something unkind, it can make you feel sad, bad or angry. Being unkind to someone can make you feel negative emotions too. You may also feel guilty for your actions.

YOU ARE REALLY RUBBISH AT RUNNING!
I wish I could run as fast as you.

ONLY BABIES AREN'T ALLOWED TO PLAY OUT IN THE PARK AFTER SCHOOL.

YOU HAVE NO FRIENDS!
I'm not sure if people really like me.

HE WORRIED THAT ELISA MIGHT PICK ON ME NEXT!
I wish I didn't have to play out, but I don't really want to go home because Mum and Dad aren't getting on.

ELISA SAYS NO ONE SHOULD TALK TO YOU BECAUSE YOU'RE SNEAKY.

It is important to understand that you are not a bad person just because you have said or done something negative. The important thing is to apologise and to do things differently next time.

Look at the people below. Draw a line between the matching thought and speech bubble.

It can be difficult but useful to think about your own mistakes. Write down some of the unkind things you have said or done in the past on the label tape. Think about how the other person felt, any consequences of your unkindness and what you have learned since.

WHAT CAN WE LEARN ABOUT OURSELVES?
Being unkind is often a reaction to anger rather than malice. It's important not to take unkindness personally, but not do you have to tolerate it. Take some time to look at yourself, and think about when and why you've been unkind.

SMILING IS CONTAGIOUS

A heartfelt smile is the first step on the road to kindness. Smiling is a simple way to brighten anyone's day. It is also contagious. The more you smile, the more you'll make others smile.

Draw a smile on each face once you've given each of these practical activities a try.

Smile when you walk into a shop.

Smile at your teacher.

Smile at the person who answers your post.

Smile at someone who is not in your school year.

Smile at a neighbour.

Smile while you talk on the phone, even though they can't see you!

STUCK FOR SMILES?
On a separate piece of paper, write down three silly things that have happened this week and share the funny stories with anyone who needs a giggle.

#CHOOSE KIND

With online bullying and social media issues often in the spotlight, it's easy to forget that technology can also be a force for good. Sending an email or a text message is a super-fast way to spread some joy.

Think about the people in your life and then write some short but positive messages on these screens.

WORD TO THE WISE!
Check with a trusted adult before sending text or online messages.

ONE WORLD

How much do you know about our world?

Start by finding the part of the world you live in, then complete the statements opposite about other places you know about or have visited. Spend some time thinking about areas of the world you're less familiar with.

DID YOU KNOW?
You're one of the 7.6 billion people in the world who make up the global community.

DID YOU KNOW?
We live on 7 continents and in 195 different countries!

DID YOU KNOW?
ADD THE COUNTRY NAME AND COLOUR IN THE AREAS OF THE MAP FOR EACH POINT BELOW:

I have visited _____

I have been on holiday to _____

I have friends in _____

I have family in _____

I would most like to travel to _____

I know a cool fact about the people in _____

I would love to know more about _____

Be Resilient! (Mindful Kids)

THING-SPRING-O-METER

HOW MUCH BOUNCE IS IN YOUR THING-SPRING?

Show how resilient you already are on the THING-SPRING-O-METER.

Decide how far your THING-SPRING can stretch when you need to do something big, new or a bit scary or difficult!

Colour the THING-SPRING-O-METER to show how high they'd reach right now. The book will show you how to get them to stretch the rest of the way.

THING-SPRING STRETCHER

It's time to stretch them and stretch your THING-SPRING. Are you ready to collect some THING-SPRING points?

Whenever you complete an activity, colour and collect the THING-SPRING points on the page, then add them to the THING-SPRING STRETCHER by colouring in the number of points you've earned - see how far you can go and become a RESILIENCE SUPERSTAR!

For every THING-SPRING point you earn, colour in one section. If an activity's worth three THING-SPRING points, colour three sections, or if it's worth five THING-SPRING points, colour five sections, and so on. If you repeat an activity, you can collect the points again!

YOUR HERO TEAM!

Your resilience can't grow super strong and stretchy all by itself. You'll need two heroes around you to build the healthiest THING-SPRING!

The first is your inner HERO TEAM. Your HERO TEAM have their own superpowers and are all important parts of YOU.

Design a colourful costume for each member of your HERO TEAM. Think about their special qualities and try to build them into your design.

You'll be using a lot more of your HERO TEAM and getting to know all about them and their jobs in the following pages. The activities will train your whole HERO TEAM together, so they'll be ready to spring into action to support you whenever your bounce feels a bit flat!

If you are a superhero! or a hero! Draw your HERO TEAM of friends that worry you and can help them more easily as you go through this book.

THE ACTIVITY EARN YOU FIVE THING-SPRING POINTS

PICK YOUR OWN SUPPORT SQUAD

Complete this set of SQUAD CARDS to remind you who you can support you as you grow your resilience. Draw their portraits and add their important information onto the cards.

✓ You've got your HERO TEAM organised, so it's go ahead and pick your SUPPORT SQUAD!

✓ Everyone needs a SUPPORT SQUAD to grow healthy THING-SPRING!

TIP Pick your SUPPORT SQUAD members from your home, family, school, clubs, community and organisations you belong to. Include people and pets and at least one of your favourite toys. Pick team members who are helpful or listening, encouraging, being funny, reassuring, challenging, cheering or comforting you.

Sometimes your resilience gets stretched so far as it can go for now, and that's when you need to ask an adult for help. It can take a little time for you to feel the spring in your step again but it's still there and will bounce back with support.

Remember, you don't have to BE RESILIENT by yourself and it's NOT all your responsibility like your SUPPORT SQUAD!

Now you can bounce around all over this book. How far - you've got that!

Remember to ask your SUPPORT SQUAD for help to train the whole HERO TEAM together, wherever you need to.

Practice means who they are to you, such as friends, teacher and so on.

WHEN THE GOING GETS TOUGH

What happens to you when you do something that feels big, new, scary or difficult? Perhaps you feel excited, anxious, stressed, nervous, scared, frustrated or angry?

These are called **EMOTIONS**

You might not always know the name of the emotion you're feeling, but it's important to learn to recognise the sensations you feel in your body and where you feel them.

This is called **INTEROCEPTION** in-ter-o-sep-shun

When you can identify your body's sensations, you can **BE RESILIENT!** The more you try to recognise your feelings, the easier it becomes to manage and confront them.

Think of a fun THING you'd like to do that's difficult to face or you're worried about. Write it in this box.

Try out for a team or performance

Ask someone to be my friend

Read to the class

Sing a solo

Take a penalty

Take part in a group activity

Draw yourself using the outline. Now, really imagine yourself confronting that THING. Circle any of the feelings you notice and draw an arrow to where you feel them.

Hard to swallow or lump in throat

Hot or cold face

Feeling separate from everyone else

Ringing in your ears

Tight chest

Fast breathing

Feeling dizzy, faint or light-headed

Numb or tingly hands

Hot or cold waves

Sweaty palms

Racing or fluttery heart

Trembling or shaking

Needing the toilet

Feeling sick

Numb or tingly feet

Upset tummy

Butterflies in your tummy

Pain in your muscles

Next time you have a challenge to face, come back to this page and go through the activity again to see what body sensations you notice. This will stretch your THING-SPRING and change how your brain copes with challenges - you'll soon be fearless! You can also come back any time you need to explain to someone what's happening for you.

THIS ACTIVITY EARNS YOU THREE THING-SPRING POINTS

My Name is a Gift

A heartfelt and touching celebration of the names we're given.

- Zeshan Akhter's debut picture book is filled with love and carries an important message - the perfect gift for any child.
- This lyrical ode to our names is brought to life by Åsa Gilland's expressive and detailed illustrations.
- Zeshan's second picture book with Templar, *Noah's New Home*, is due to publish in 2025.
- Includes a spread where the reader is asked about their name and has a chance to fill it in, making it the perfect activity for classroom and library settings.
- This story has roots in Muslim family traditions where dads gift their child a name, while also offering a universal message to all readers.
- Cover treatments: matt lam and foil.

The Circular Square

An uplifting rhyming story about becoming a well-rounded person.

- A quirky, philosophical rhyming picture book from the Waterstones Children's Book Prize shortlisted author, Simon Philip, offering him a new direction after the success of his *I Really Want to...* series.
- Bringing bold, graphic illustrator Neil Clark to the Templar list - a growing talent who is best known for his *CRASH, BANG, WALLOP* series with Ladybird.
- Includes back matter that encourages children to list the positives in their lives as well as lists of positives from the author and illustrator themselves.
- A meta picture book where artwork and characters engage with the layout, composition and size of the book - Square becomes the book in its square format!

Disney Dreamlight Valley

Official companion to the bestselling game.

- A mere ten days after its release in 2022, Disney Dreamlight Valley had attracted over one million players globally. As of July 2024 it has six million players.
- Dreamlight Valley was awarded Best Early Access Game by PC Gamer in 2022.
- 'Ridiculously hard to put down' - IGN
- Dreamlight Valley can be played on Nintendo Switch, PlayStation 4, Playstation 5, Windows, Xbox One, Xbox Series X/S and macOS. You can also play the Arcade Edition via Apple Arcade.
- Gameloft has released a 2024 Content Roadmap for Disney Dreamlight Valley, outlining exciting updates and additions to the game over the next twelve months. The game will continue to evolve, attracting new players as well as ensuring long-time players' attention is retained.

Disney Dreamlight Valley

ETERNITY ISLE BIOMES

Disney Isle is a truly fascinating place, full of ancient wonders. It's home to three additional biomes, with their distinct regions, but these require Mist to unlock, rather than Dreamlight. Here's what you can expect to find in each region.

GLITTERING DUNES
The ancient Glittering Dunes are a vast area of desert with little in the way of plants and a lack of weathered natural material. The Desert is a wide expanse of flat ground with the remains of some ancient sandstone archways and steps. The Barbarians sit at the foot of a tall rocky outcrop in the Palace, and an evil coven has built. The Witches show signs of previous habitation - there's a fireplace partially buried in the sand, and it's home to the Coven of Observers. You. The Oasis is a hole, each area within the desert landscape is covered in grass and flowers.

WILD TANGLE
The Wild Tangle is the least hospitable of the Glittering Dunes. Within the Dunes are barren and wild, the Wild Tangle is lush, vibrant and teeming with all sorts of life. The Queenbees in the area of this realm, with a bear roaring through the center. The Frohnmade is a small area right near the center, dominated by bamboo. The Crown is mainly populated with trees and other plants. The Lagoon biomes are impressive waterfalls and spawning with.

ANCIENTS' LANDING
Upon arrival at Disney Isle, you'll find yourself in Ancient's Landing - a mysterious set of ruins that appear to be very old indeed. The Docks show evidence of market activity, and are a great spot for fishing. The Clockwork is a small, enclosed area with a narrow passage a tiny beach complete with Tumbleweed Tables. The Quartz biomes feature views of the ocean, with more ancient ruins all in the distance - perhaps this area was once used as a lookout post. The Ruins are all that remains of an ancient castle. Largely deserted by nature, there's a small courtyard and a staircase leading to a balcony with a magnificent view of the surrounding landscape.

MULAN

Mulan is a warrior princess and the hero who saved China. She believes in honor, discipline and strength. While training with the army she learned that discipline is the foundation of all skill and that you can learn to do almost anything with practice and determination.

Mulan's House
Mulan has a traditional, ancient Chinese house with a long, narrow roof and red and cream walls. Inside, everything is decorated in classic Chinese and red, and there's a bear sitting on a chair in the hall.

Imperial Silk Furniture		

Alternative Styles

DEVELOPER NOTE
Working on Mulan's wardrobe was a labour of love for our wardrobe team. We wanted to make sure she had her own unique style, with her hair, which she wears in a bun, and her traditional Chinese clothing. We spent a lot of time getting our team to get it right.

MERMAID BEACH

Mermaid Beach is a beautiful, vibrant area with a mix of biomes. It's home to a variety of rare plants and materials, and is a great spot for fishing. The beach is a mix of sand, water, and lush vegetation. The biomes are a mix of tropical and desert, with a variety of plants and animals. The beach is a mix of sand, water, and lush vegetation. THE BASICS

Before you begin your adventure, it's a good idea to familiarise yourself with how Dreamlight Valley works - there are lots of ways to play, get creative and share the fun with friends.

HOW TO PLAY

You can play Dreamlight Valley on PC, Mac, Xbox, Nintendo Switch and PlayStation. You can also play the Arcade Edition on Apple Arcade.

Dreamlight Valley lets you choose what kind of adventure you want to have each day. You might want to focus on completing quests to level up your friendships, or you may prefer to get creative and focus on designing your Valley and decorating your house.

Friendship is important in Dreamlight Valley, so naturally there's a Multiplayer option. You'll be able to invite your friends to visit your valley - and visit theirs - once you've completed Vanillelope von Schweetz's quest, Valley Visits.

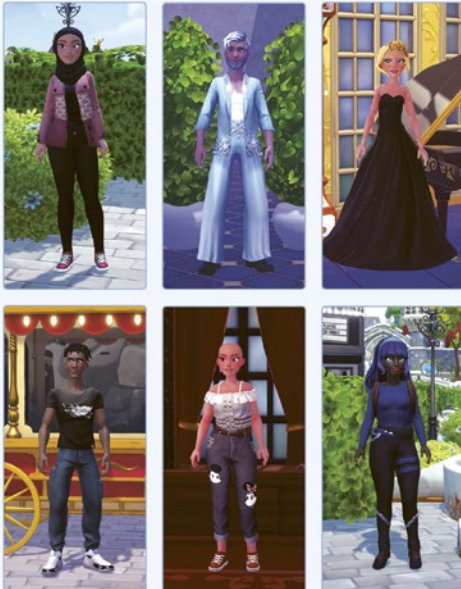

And there's more - a paid expansion pack called A Rift in Time is available, opening up a whole new island of exotic biomes, rare plants and materials and even some new friends.

10

THIS IS YOU

The first thing you'll do when you start your game is design your avatar. This is your opportunity to express your individuality, and there's loads of scope to be creative. The avatar you'll see throughout this guide is based on the author, so here are just a few other avatar designs to inspire you.
