- Cover: Arlin + foil

Enchanted Tales

The Magic Fish

A tale from China

The Brothers Grimm version of "Cinderella" is the one many of us are familiar with, but there are hundreds – maybe even thousands – of different versions of this tale from around the globe. This version from China was the first to be written down, over 1,000 years ago.

Once upon a time, in a little shed outside a little house in the cave mountains of Southern China, there lived an orphan called Ye-Tsien. She was bright-eyed, clever, kind and good at making things. Ye-Tsien's stepmother loved her own daughter best, so Ye-Tsien had to do all the heaviest, most dangerous work, like collecting firewood from the deep forest or water from the high mountain pools. One day, Ye-Tsien was collecting water when up from the bottom of a deep mountain pool there was a shimmering and a glittering. It travelled up and up until something broke the surface – a tiny, shining golden fish! The fish looked up at Ye-Tsien, Ye-Tsien looked back – and from that moment, the fish

The Magic Fish

and Ye-Tsien became friends. She took it home, placed it in a basin and fed it every day with scraps from her own plate. The fish grew and grew until, one day, it had grown so big she had to take it back to the pool. Still, Ye-Tsien visited the golden fish every day, and each time the fish would poke its shining golden head out of the water and greet her.

A few weeks later, the Stepmother was hungry and had an idea. Secretly, she fished Ye-Tsien to the pool. She saw how the huge, sparkling, delicious-looking fish always came out for Ye-Tsien but stayed deep under the water when anyone else came by. *How can I outwit this clever fish?* she thought.

The next day, back at home, the Stepmother gave Ye-Tsien new clothes to put on and sent her on a long errand down the mountain. Then she disguised herself in Ye-Tsien's old clothes, went to the pool and called the fish. When it bubbled up from the bottom of the pool, the Stepmother was ready with a knife. She took the golden fish home, chopped it up, cooked it and served it up to eat with her favourite daughter.

'Delicious!' they both said, wiping their mouths. They ate every morsel and threw its bones away on the rubbish heap.

The following day, Ye-Tsien hurried to the mountain pool and called – but no fish came. Big tears fell from her eyes and splashed into the empty pool. But as she cried, the air thickened, shimmering and glittering, and a figure appeared. It spoke in a voice that reminded her of safety:

*Today you cry, today you weep,
But look upon the rubbish heap.
Your fish friend's magic bones are there.
They'll grant you wishes, never fear.*
