Where's Grogu?

JAWA SANDCRAWLER
On Anaxes, Jawa scavengers steal anything that isn't bolted down and sell it around their mobile sandcrawlers. According to reports received by the Bounty Hunters Guild, this particular sandcrawler could be carrying some valuable passengers. On your hunt to ignore the other bounty hunters on the scene and focus your attention on your targets, don't let these thugs distract you!

MANDALORIAN FORGE
Most Mandalorians find their fate in the forges, keeping a low profile and using guerrilla tactics to avoid the wrath of the Empire. It's a Mandalorian tradition to build the armor of their warriors in the forges. Mandalorians are known for their loyalty and honor, and the Mandalorian Forge is a place where they can find the armor and weapons they need to survive. On your hunt to ignore the other bounty hunters on the scene and focus your attention on your targets, don't let these thugs distract you!

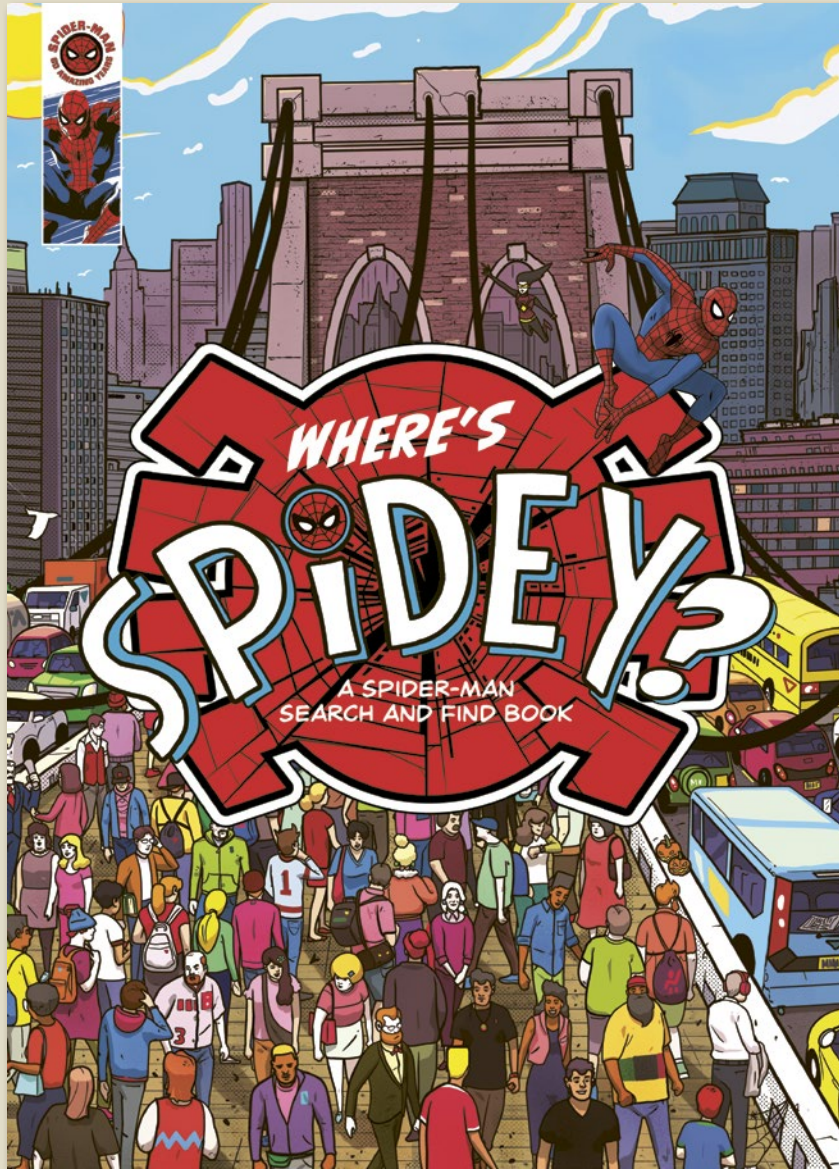

STREETS OF NEVARRO
Nevarro is a vibrant planet that has become an important operations base for the Bounty Hunters Guild. With the remnants of the Empire and the New Republic, the planet is a hotbed of activity. The streets of Nevarro are filled with people, shops, and other structures, creating a dense and lively scene. On your hunt to ignore the other bounty hunters on the scene and focus your attention on your targets, don't let these thugs distract you!

SORGAN COMMON HOUSE
Sorgan is a backwater hiding hole with no starport and no industrial centres. In other words, it's the perfect place for the Mandalorian and his crew to hide from the bounty hunters. The Sorgan common house is a gathering place for all types of offworlders. Don't give up until you've found the fugitives!
